

JIM M'PECK KILLED.

New York, April 27 .- The Cunard line

He Began a Fusilade on Officers and Met Death.

Cody, Wyo., April 27 .- News has been received here of the killing or Jim Mc-Peck by Stock Detective W. D. Smith f Miles City. Smith and his posse arrested James Chapple, charged with rustling, and were taking him to a ranch about sixty miles away to se-cure other members of the gang. On ie way they were approached by Jim McPeck, who was also wanted, and who began a fusilade. The posse re-turned the fire and after a short battle McPeck was killed. None of the posse was badly wounded. The authorities have sent men to scour the country for rustlers.

Hill to Keep St. Paul Globe.

St. Paul, Minn., April 26 .- L. A Rosing, chairman of the Democratic state central committee, who in Feb-ruary secured from J. J. Hill a writ-ten option on the St. Paul Globe newspaper, capitalized a company with ex-Gov. John A. Lind as one of the dictors and accepted the option before ts expiration, was notified by Mr. Hill oday that he had decided not to part rith the property. Mr. Rosing has be reparing to assume charge of the Nobe since March 15th, and awaited in Hill's return to make the transfer.

War on Policy Men.

York, April 27 .-- Vigorous war is ged upon policy men in this mittee appointed by the at a meeting last night. The committee read a report cover-s work during the last two years. Goddard, who has led the operaunced that 45 arrests have running policy shops. "The public has gradually awakened evils of the so-called policy said Capt. Goddard. "At the Ime there are not fewer than ix hundred policy shops here. Іап ative in that assertion, for it is opinion that there are nearly twice The average stealings the very poor people amount to Is a day for each one of these shops. In the past it has been hard to obonvictions but the new law

intends to equip its steamers with in-struments for wireless tolemanh, and make an experiment to determine its value. Marconi sailed on the steamer Campania a week ago. It is reported that he visited Montauk Point before leaving this country with a view establishing a receiving station there. It is said that the approach of a steam-er reporting itself by wireless telea station at Montauk point graph to would be known here more than twelve hours before she arrived. Vernon H. Brown, of Vernon H. Brown & Co., ace. agents of the line, confirmed the report regarding the adoption of wireless telegraph, but said that he knew nothing of the details of the plan.

without a conflict with the United States. The article concludes with the States. statement that it would not be good policy for Great Britain to oppose Germany's legitimate aims, and that an alliance with the United States that had for its purpose the maintenance of the Monroe doctrine, "would not only be ludic-ously in opposition to our own inwould rightly oppose terests, but it every other nation to a death struggle against a genuine Anglo-Saxon men-

The name "Building Trades Council" will be avoided, because of the objec-tions of the contractors, and the desire that any existing agreements may not be violated in any respect.

BRYAN A CANDIDATE.

Rosewater Thinks He Will Run for Governor of Nebraska Next Year.

New York, April 27 .- Edward Rosewater, editor of the Omaha Bee, is quoted by the Times as saying last night

"William J. Bryan, in my opinion, will be a candidate for governor of Nebraska next year. Mr. Bryan still exerts a wide influence in the state, and if he receives the gubernatorial nomination, he will be a very hard man to beat. If elected governor he will hope to secure a Democratic legislature, in which event, he will seek an election to United States Senate the Gov. Dietrich, whose term will expire From the best information I can get I really believe that Mr. Bryan will not look for the presidential nom-ination in 1904."

CAPT. CARTER'S STOLEN MONEY.

Atty. Gen. Knox Will Institute Proceedings to Recover it.

New York, April 27.-A special to the Herald from Washington says:

Atty.-Gen. Knox, acting under in-structions from the President, purposes to institute proceedings to recover some of the money which former Capt. Car-ter obtained from the government in connection with the fraud growing out of the improvements in Savannah harbor.

A secret conference between Atty.-Gen, Knox and the federal officers who have been at work on this case has been in progress at the department of justime during the present week to map out a plan of action. Without reflecting his predecessor, Mr. Griggs, the upon new attorney general was given to understand that prompt action to recover some of the government funds was required. It is understood he was given the impression that too much time had ben wasted in prosecuting the case of the former captain.

Bank Examiner Johnson is said to have located in banks in Savannah. New York and other cities sums aggregating about \$750,000 which are said to e traced directly to former Capt. Car-

FRANCE AND UNITED STATES.

M. Slegfried Hopes to See Reciprocity Treaty Ratified.

New York, April 27 .- Speaking of the commercial relations between United States and France at the ban quet given in his honor at the Waldorf Astoria last night, M. Slegfried said:

I am hoping that when the proper time arrives the Senate of the United States will ratify the treaty of reciprocity between the two countries, as I feel certain the French certain the French senate will do "You excel all nations of the world in many things. You produce cheaper iron and steel products than can be ced in Europe. France consumes annually great quantities of this com-

tween nations is possible now-a-days, but between free trade and a high protective tariff, there is a splendid average, a basis for commercial reciprocity, that ought not to be neglected." era . M

Descritons from Turkish Army.

Berlin, April 27 .- "Wholesale deserions are now occurring in the Turksh army," says Die Information, this city, "owing to destitution and military negligence. Most of the de-serters join hands of brigands who plunder the population in various districts with impunity.'

New York Has a Broken Shaft.

Queenstown, April 26 .- The Cunard Iner Campania, Capt. Walker, from New York, April 13th, which arrived here today about 8 o'clock, reported having passed the American liner New York, Capt. Roberts, from Southampton, April 20th, at noon Wednesday, in latitude 35.3 north, and that the New York signaled that her port shaft was broken.

The Campania stopped for five minutes to take further signals, but nothing was given beyond the an-nouncement that apart from that all was well. The New York proceeded westward, making good progress with one engine. A strong northeast wind was blowing at the time and the sea as rough

The same day the Campania passed North German Lloyd steamer and a Hamburg-American liner, both west-bound, Probably they overtook the New York the next day,

Cyclone in Philippines.

Washington, April 26, - Admfral Kempff, at Cavite, cabled to the navy department today as follows;

lyclone struck Poloc 22nd; barracks. destroyed; hospital unfit for use: no casualties. Government damages \$25,-000. Request this amount be made avallable.

BANK STOCK FORGERIES.

Ex-Mayor Jones of Little Falls, N.

Y., Alleged to Have Issued Them. Little Falls, N. Y., April 27,-A startling feature of the series of forgeries alleged to have been committed by ex-Mayor Hadley Jones, of this city, who is a fugitive, was disclosed when Jones' safe was opened by an expert. when In the safe was found a book containing blank stock certificates of the Na tional Herkimer County bank of this city. Seventeen of the certificater had been used and some of those remaining bore the names of W. G. Milligan, presi-

dent, and Albert Story, cashier. It is alleged these signatures are forgeries. It is helleged by the police that most of the certificates which were used were put up as collateral for loans negotiat-ed at various banks throughout the ed at various canks throughout the country. The amount of stock issued will not be known until the banks make reports, but it is estimated here that the total will be at least \$25,006.

The National Herkimer County bank is the largest institution of its kind in this county. Jones's wife, who is also missing from the city, and is believed to have joined him, was a stockholder in the bank, and Mr. Story, the cashier chose name appears on the certificate, was her uncle. Jones got one of her pertificates, and, it is said, had a new stock certificate book printed by a Buffalo printing firm.

HOOF AND MOUTH SERUM.

Two Austrian Scientists Announce They Have Discovered One.

New York, April 27.—According to a Herald dispatch from Vienna two Aus-trian scientists, Prof. Loeffler and Dr. Uhlenruth, announce that they have discovered a serum which will protect opimale against the foot and mouth inimals against the foot and mouth liscase, The serum affords animals inoculated

with it immunity for from four to eight weeks against attacks by the disease

As soon as Drs. Loeffer and Uhlen-ruth receive the authorization of the government the new remedy will be placed at the disposal of the public.
