In this volume we propose to introduce the following operal features aroung many silve introduce articles at general interests

Shining Lights, Bre Thy Acquiril Brightness,

. Under this building we design giving a nucleo of biographical sensitive of more of the presentance throug anise of our community, and building means they adopted to gain be persons. These areas to sold be thankneed with built have suggesting a dispersion membership.

Temple Manifestations.

Three fave form many twenticable experiments of Latter-der Solution for our bounded within later source been convolute. Three the density for weather of the source as an energies for the convolution of the source as an energies for the source of convergence of the source of the sou

Sermons from the Prophets

will be the fulle of a meson of arrivers by Dr. B. H. Harrer, considering the transvert genus of thematics of the leading mess of this dispersion. This collection will us of measurable value to ob-riverg purplet, and will be complete with special alternative to Matsua lange recommendent with the

Beyond the Arctic Circle.

Continuing through Valuess XVI, will be multiched as hitestofy intercenting incentres, which disartially of accurates and alian values in the Land at the Midnight Inter, by Edder Neglis Anderson.

The Study of Self.

Productors George H, Brinhall, M. H. Hardy, and other adds instruc-tors with herein is subset and present and biology. In young ment as well within these to better in the began and therein two, and these modes resulting ap-proach the Portuge Model without the and characters we attained counterly present the Portuge Model without external counter with the Present II. Kording, where exceptions attribute in Yohama 2XV of Ten-Courtains with counterly apprend activity to all readers with continues to write our interview there of such great activity in Model.

Preaching and Preaching.

in the limit are remaining of Volumer XVI. These activities will be devoted operating an like comparison and delivery of services. In the remaining are numbers of the volume PROP. INELSON will

Mormonism and Theosophy,

a soliced which, in these times, is of appeal internet, and identify the care telly studied by the Laster day Samta.

Reminiscences of the Scandinavian Mission

will be treated by Elder Andrew Jensen, than whom not persons in better multiple to series prove this very intervaling solution. In this series must be recently is supplicible bibliogram in any facts and buildens not generally known will append.

M. I. A. Manual, Part II.,

prepared by Fradmann M. H. Hardy and George P. Belmhalt, and ap-remend of try all the M. L. A. generation of the publicle of the Valuant VVL. Every sense ratios investigation decay dated proceeding these lasters, in this new sense with the transition decay of the sense lasters.

Prize Story and Prize Male Quartette

for which This Contransions offered prime at the Territorial Fair of 1796.

We will also also fin in have a valuable piece of Vocal Music

In sufficienties of the s

Our Illustrations

will be at the very highest stars, and mustly original. They will also be

Department of Inquiry

We propose to denote not to incredibly pages of each mass to the assuming of all proper symptoms, the assumer to which will be all property increds. Fouriers conversing spectration work, distributions manufactures and the the subjects of the Contraintenant is assumer. Which the like of

Association Suggestions,

is will be the own to present in no biddentifier and entertaining assumer, from of generat material and benefit concruing Maint Improvement weak. In other to make the department of general values we contain inter these article singular in assurtation work to give as the break of data suggestions.

Our Missions

throughout the would will receive attaining, and everything of interest or profit connected to everything of interest or profit connected to our readers.

As Writers

for the country orthing we will have more of the weat able among the proper. Every other will be used to induc the Courterment what is build be-a southy organ of the Young Marie Moniel Improvement Amountains of sizes.

Which We Cannot New Manting Will be Introduced in Volume 25,VI at The Covernances.

One "EIG RANGADA" for next inductor will be a FIBLE PALL, that every homostroper wants and should have and the price will be 35 CENTS. 35 CENTS. WE REALLY ORGHT TO MAKE IT DR. BUT DIS WILL HE THE FRICE. MULT WITE, or have a "fig. Party of that is a longers. We have taken an edging that the first of the formation of the second seco
