DESERET EVENING NEWS: SATURDAY, FEBRUARY 21, 1903.

UNIVERSITY OF UTAH.

Salt Lake City-Both houses of the Ftate Legislature visited the University They came up at 10:30, Tuesday. ived by President J. and wore re assembly room of the ngsbury in th ng, He explained to them and financial needs iseum bu tion, and gave an outline that is being done in the he institu is of the university. The the work that class rooms of the ig, the shops, and the then returned to the where they were met and faculty. Speeches Ly the stude by Senator Bennion, Representatives White and Done, and Speak Prof. Stewart spoke in be-Hull. half of the school.

The University stereopticon lastern ind generator were burned in the fire hat destroyed the Pleasant Grove meetinghouse carly last Sunday morn-ing. Prof. Marshall delivered his lectare on Westminster Abbey in that building the night before and the cases containing the inger before and the cases ecotating the apparatus were left in the hall over night. It is thought that the fire started from a stove in the east end of the house,

Last night at Zeta Gama, the boys conducted a mock trial. Fred D. Worl-ton was charged with assaulting G M. Carlson with a deadly weapon. Ern-et Burgess was judge of the court, of the D. Bone as prosecuting at M. Reese as prosecuting at with T. M. Reese as provide attornew for the defence.

Next Friday evening, Feb, 27, the '04 pormals will give a dance in the museum building.

Harold Goff, editor of the Chronicle, was out of school Monday. Tuesday and Wednesday on account of the denth f his grandfather. The U. of U. Glee club now has 50

mmbers. The club has weekly prac-ices with Instructor Best at the Descret National bank building. The program for Delta Phi this week

was as follows: Oral story, O, V/. Carison; discussion of Cuban Recl-procity Treaty, Messrs, Carlson and ese, "The Venezuelan question," Sam Piston.

Last night the T. A. N. girls gave a accessful dancing party in the Museum building.

The debating teams of the University if Uiah and University of Nevada have ailed to agree on the question, bearing on national, state and municipal government control of public utilities. In view of this the University has subted the following question: Resolv-"That municipalities in the United States should own and operate tele-hene, lighting plants and street rail rays." The Varsity committee in degree of the debate are Fred J. Pack, W. Carlson, T. M. Reese, Dan Alex-nder and Prof. Roylance. The debate this year will take place at Reno, Nev. ome time in May when the interstate rack meet occurs.

Miss Ethel Smithen, '02 normal, a acher in the city schools, visited the iniversity on Monday.

State Superintendent A, C. Nelson ddressed the students at chapel on Wednesday. He spoke on "The neces-sity of Practical Education." Instructor sang "A Sallor's Grave," by Sir Arthur Sullivar

term. It was difficult for many to be-lieve when told a few days ago, that children in the Salt Lake City schools are now in school 180 days of the year and out 185, by vacations, holidays, and Saturdays and Sundays.

Under the systematic direction of Miss Anna Corbett the children are very fine button holes were made in the Oquirrh last week. Miss Corbett has organized another class in all of the 7 B classes since the new term.

Miss Marron of Mill Creek visited the Oquirrh this week.

One of the features of Miss Woodmansee's work in reading this week was a dramatization of Dickens' "Tiny Tim," by the pupils. Some fine language work was produced along the same lines.

One of the cosiest teachers' rooms in the city has been fitted up at the Oquirrh school by the teachers. The room is tinted and carpeted and furrished in harmonies of green. A new couch has been added and here the teachers meet daily to enjoy their luncheon and rest at the noon hour.

Miss Mary Yardley of the West Side High school has the warmest sympathy of her feilow teachers in her sad be-reavement occasioned by the loss of her father.

Many of the teachers were very fond-ly remembered by their pupils with flowers on Valentine's day.

Mrs. Elliot, supervisor of drawing, met the teachers of the second and third grades Thursday. The work outlined in construction is a trolley car a working drawing of which must be made first. Original designing in wash fabrics and some color work is out-lined to illustrate Longfellow's poem a February Day, to be done in water colors.

Mrs. Parsons was absent from the Lowell on Monday.

Supt. Christenses left on Friday for Cincinnati, to attend the departments of superintendents of the N. E. A. He will be gone two weeks. Miss Pollock, supervisor of primary departments, left to attend the same meeting on Wednesday.

Preparations are under way at the Wasatch school for a very fine program to be rendered by pupils assisted by patrons on Friday next. This is to be given to help defray the expenses of placing some works of art in the cor-ridors of the school.

Principals met Wednesday to discuss the mutual benefit fund. A meeting of all the city teachers will be called in the near future to consider the same subject.

Mr. Bull, who substituted in the Cauirrh last year was a welcome visitor there on Tuesday. He is now principal of the Thirty-first district school. Mrs. Elliot visited the Wasatch, on, Longfellow and Webster schools this week.

Mrs. Kelson and Miss Garn visited the Webster on Thursday.

The Twelfth school held a parents' meeting on Tuesday afternoon at which the patrons expressed themselves as anxious to keep up the high standard of our schools and desirous to do all they could toward having the Done bill passed.

Teacher of Beginners' Class, Lincoln S chool.

does now.

One of the pupils of the eighth grade. Emerson, gave a very interesting talk on mines, the ledges, ore bodies and oip and angles of same in connection with geography of Utah work under the direction of Miss Lake.

"The Hammer Song" from "Il Trova cre," by Verdi, is being trained in the Emerson with some excellent results.

The juniors begin "Hamlet" under he direction of Miss Dukes, of the west side high school, Teahers of the Emerson were charm-

ingly entertained by the little misses of room 7 at a very dainty and appetizing luncheon on Friday. The city schools close on Monday on

account of Washington's birthday, Robinson Crusse has been the sub-

ject of considerable research and con-structive work in Miss Estelle Engleman's room in the Lowell.

Some cil subjects in still-life are be-ing done in the west side High school. The competitive work for the gold

medal to be given by Mr. Harwood for the best charcoal sketch of Venus de Milo, will begin this coming week.

The High school seniors are studying the Constitution of the United States. English work in exposition is being done in the High school in book reviews and short editorials.

The French class has completed "L'Abbe Constantin" and will now study "Le Voyage of M. Perrichon."

Some 50 teachers of the third and fourth grades met at the Grant school on Tuesday to bear a class recitation in arithmetic by the pupils of Miss Eva Lloyd, the pupils did some wonderfully fine work and reflected much credit up-

on their teacher. Mr. Martin, principal of the Grant, spoke on the necessity of plenty of

schools. The Grant teaching corps served tea to the teachers who left the

Representative Fishburn of Boxelder "One must admit that this is one of the greatest schools of Utah and the Intermountain country. We want the Agricultural college of Utah to be the leading agricultural college of the west. Do not worry that the Fifth Legislalive assembly is going to do you any njustice. The Agricultural college of Utah brings the homes and citizens closer together than any other school. I say to President Kerr, 'Go on,' "

Representative Done of Salt Lake: "We need all the work that is done here. Every dollar for the Agricultural will be expended in the best interests of education.

Secretary Hammond: "The next step ing stone above the free school is the gricultural college, and we take great pride in this institution. Here our your education one of great service in the actual affairs of life. The beneficial results to the state from this institution cannot be computed."

Senator Bennion: "I rejoice in the growth of this institution, and for mytelf will do all in my power to secure justice for the Agricultural college."

Speaker Hull: "I wish to assure the citizens of Logan and Cache valley that the members of the lower house and upper house as well, will carefully courd the interests of this institution. Rest assured that there will be no handleap on account of pride in any lo-cal institution."

Mrs. Widtsoe loctured to the girls in the physical culture class last Thursday on the subject of dress.

The museum in the mechanic arts building is being filled with work of the students.

Prof. Peterson lectured to the englneering society last Thursday on "Rock Cements."

Prof. Dryden has been at Provo during the week reading proof of the Far-mer's Institute Annual.

The 18th annual report of the station is ready for the printer.

Prof. Engle is giving a course of lec-tures on the legal status of corporations and trusts, to the class of seniors

The committee on summer school is receiving numerous inquiries from dif-ferent parts of the state relative to the courses offered and the work to be done. The work offered in manual training domestic science and pedagogy seems to be arousing great interest in the state.

Trustees Col. Adams and Mrs. Bagley visited the college last Saturday.

Mrs. Goodwin, the librarian, has received a set of 20 volumes on the Eng-lish Church, and the History of the Church in America, from Eishop Tuttle of Missouri, former bishop of the diocese of Utah, Wyoming and Montana,

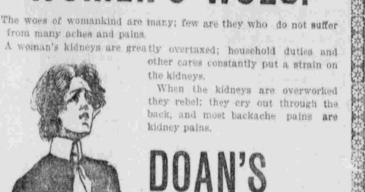

'Advance copies of bulletin' No. 78 have just been received at the station. This trents of lamb feeding and fat-tening, with particular attention to the use of beet pulp for this purpose.

It was feared that school would have to be closed last Tuesday for want of coal, but a car came just in time to save the vacation.

Professor H. Bullen is very sick at present, of typhoid fever. Both facul-ty and students sincerely wish his speedy recovery,

The Usona society will give a dancing party Friday night in the gymnasium. The class of 1905 met in regular sesslon on Wednesday afternoon, and a short but very instructive program was rendered.

BEAVER BRANCH B. Y. A.

Beaver.-The lecture given by Prof. E. S. Hinckley on "Character," was very much appreciated by all. Mr. and Mrs. Woodward entertained in honor of Prof. Hinckley, the mem-

bers of the faculty and wives being the invited guests. The students in devotional last Tues-

day morning strongly showed their dis-approval of rowdyism. Some of the boys were suspended for breaking the rules of the school, and in order to regain their standing asked the school to reinstate them. Spirited remarks were made by the students as to the conduct of individual members and while the spirit of forgiveness was manifest abind of forgiveness was mininest abindantly, it was evident that the stu-dent body were not willing to shoulder the responsibility of fellowshiping members who persist in breaking the

rules Principal A. B. Anderson went to Provo last Wednesday to visit the B. Y. A. He returned yesterday and reported having enjoyed himself immensely.

The classes of 1903 and 1904 met in social capacity Saturday évening, and had a very enjoyable time. Program, games and refreshments were the order of the evening.

One of our students from Parowan, Miss Sadie Dalton, was called home on a sad errand the other day, that of at-tending the funeral of her father. Her mother died one year ago, thus making the case doubly sad. The sympathy of all is extended.

A valentine ball was given last Friday night and was attended by most of the students.

Principal Anderson brought with him 29 volumes for our library, the gift of Professor W. F. Ward of Provo. A similar gift was made by the same don-or about a year ago, and the students at devotional this morning tendered Brother Ward a vote of thanks for the gift.

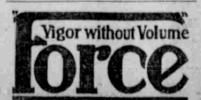

Prof. and Mrs. Maeser entertained Thursday evening in honor of Prest, and Mrs. Steele of Pangulich.

The class of 1905 will entertain the Polysophical society Friday evening. The program will consist of sketches and songs from Longfellow, also tableaux illustrating his works. It prom-ises to be something of unusual interest.

Prest. Cameron of the Panguitch stake was a visitor at school today. He occupied some time at devotional exercises.

AGRICULTURAL COLLEGE

Logan .- The members of the Legislature and their friends have come and gone. The following are some of the

gagging and frequent clearings of the The usual treatment by local douches, shuffs, salves, etc., often gives tempor-ary relief, but anything like a cure can

hardly be called a secret patent medicine as they are composed of such valu-able remedies as Blood root, Hydrastin, Red gum and similar cleansing antiseptics, which cure by eliminating from the blood and mucous surfaces the catarrhal polson. Stuart's Catarrh, Tablets are large,
