and was informed by the commander that he lers were imperative from Santa Atma, tealing yeard to pass, and that if we attempted; would fire into us. Having sufficient conreach San Juan, the ship was put on her com-26th. The engineer reported sufficiented

the harbor, or he would sink us if he could

"ac's Paosma, and the ship was accordingly on her course for that port. 27th-8 p.m., spoke a schooner, five days a roin Punama.

During the detention of the Stephene, at Ac nico, shots were frequently exchanged believed the two vessels and the fort, and without effect of Santa Anna, with an army variously estimate rom three to five thousand men, was excur-

n the neighborhood, and it was expected that he would make an attack on that town duly to 28th, at 9 p.m., arrived at Pannma withher

sufficient fuel to reach the anchorage. SEVASTOPOL.

HARPERS MAGAZINE.

In a couple of hours after setting duit, we came within view of Sevastopol, it's lofty white houses, green-do-ned church, menacing hatteries. Stretching far is 6 land, beyond the lines of the streets, would see long lines of masts rising above their ning bills. As we passed the gates I blank their eyes towards the Bosphorus, biding their time.
