Have You Saved Anything?

Some people have been waiting for years for land to reach bottom prices. In the meantime they have paid rent, and if they have made any improvements or done any work on their residence, the improvements have been made, or the work done, for their landlord. Many other people have built homes, and while those first mentioned have been "waiting for something to turn up" have paid for their property and now own the house that shelters them.

Don't Get In Debt!

unless you feel assured you can get out again. But if you have money saved, buy a home. If you have no money, buy a home. It pays to have an acre in view, and there is no more worthy object than procuring a home for those dependent upon you.

My clerks, at room 323 Constitution Building, will give you prices and show you the property.

GEO. H. CANNON, OWNER.

Finally Destroyed.

The residence of Dr. Henshaw, located by Mrs. Edith King. The residence of Dr. Henshaw, with the greater part of its contents, was burned to the ground at 113 1/2 North 20th Street (Wednesday) morning. As mentioned in the News of Monday evening, it was visited by fire on the afternoon of that day, caused by a defective fuse, but was saved from destruction by a gang of workmen employed in the neighborhood. It appears that their work was not complete and that smoldering embers had been left in the chimney, which during the evening a breeze blew and a second fire. Again it threatened the fire broke out spreading menacingly for a brief time. In this instance the situation was disastrous and left the family homeless. The loss will reach \$2,000, with insurance.

Casualties of the "Fourth."

Little Henry Smithson Badly Injured By an Explosion of Gunpowder.

A most deplorable accident happened in the First ward yesterday, resulting in a terrible injury to a boy of 14, named Henry Smithson, son of a baker residing on North East street, near Seventh South. On the previous day the lad obtained some money from his father for the purchase of fireworks, but unknown to his parents he carried a portion of the same in a copybook. Henry had a younger brother, aged about 8, some quite early on the morning of the "Fourth" to begin their "display." The father, however, suspecting mischief, went outside and found them in possession of a small tin of gunpowder. The boy made them put aside but, however, he struck the lad and got him to deposit the powder in a tin. The boy then struck the tin and it exploded, blowing the tin into the air and striking the boy in the head. The boy was badly injured and his clothing set on fire. A fragment of the tin also struck him on the forehead, causing an ugly gash. Assistance was promptly rendered, and Dr. Miller, whose office is only a few blocks away, was sent for. Everything possible was done to alleviate the poor's suffering, and this morning he is said to be resting easily, but it is feared that he may lose the sight of one eye.

Another Victim.

In the Twenty-first ward a son of Jacob Hall, who resides on North East, an employe in the Z. C. M. I. store today was another victim yesterday. The boy and a number of companions were discharging fireworks, one of which went off prematurely and struck young Hall in the foot. The wound is in the eye, and how serious the injury may prove cannot be predicted for a few days. The boy's eye has been seen by a doctor, and when Dr. Jones was called in he was suffering great pain.

Third District Court.

The Foreclosure Judgment Entered by Judge Merritt, the Day's Work.

It had been expected that Chief Justice Merritt would this morning make his ruling in the case of the Merchants Protective Association vs. Justice of the Peace Lentz, argued last Tuesday; but he did not do so, privately stating, however, when questioned, that he would probably give his decision some time between now and Saturday. His honor intimated, at the same time, that he had already made up his mind on one point, but was still undecided on the other, but Judge Merritt came into court from chambers a few minutes after he opened simply to announce that he would not hold court today. As, however, there was one criminal matter which Judge Merritt was anxious to bring before the court's attention he himself managed to go upon the bench to accommodate him. It was default judgment suit—P. B. Hackett vs. C. T. Carlson et al, and it took but three minutes to dispose of. Judgment was entered for the amount specified, \$400.00, the attorney's fee and costs.
