U. P. OFFICIALS RETURN HOME.

Messrs, Choate & Clay Both Back From the East.

CONSOLIDATION CONFIRMED

Talk Interestingly of the Cut-Off Work Now Going On in Wyoming-Splendid Progress.

Mr. Choate and Mr. Clay of the Union Pacific local office returned from Omaha. foday. The report of a change in the official position of the gentleman was confirmed by them. The change, however, will not take place until the first of September, until which time the business of the office will go on as before, At present there is no intention on the part of the new general agent to change the staff of the office in any way.

The report they give of the york that is being dene on the cutoff in Wyoming is very encouraging, and ther say that all will be completed much earlier than was at first anticipated. The stack has been laid on the cutoff over the goatinental divide, and the rails of the spiked in a short time. The double track from Chevenne was trill be ready. track from Cheyenne west will be ready for use in a few days. The greatest offort, however, is being expended on Lion Hill, here the work is being pushed with wonderful rapidity, and will be done in November and not January 1st as was at first set as the time for com-

Choate brings word that the Union Pacific company has ordered eighty new compound engines (twenty passenger and sixty freight) designed to haul heavy loads at a high rate of speed. Two of these engines are to be delivered each week until the order is filled. Four have already been delivered.

AMMUNITION FOR CHINA. Several Car Loads to be Shipped to Ogden.

What is regarded as one of the most important orders received at the Nor-forlk Navy Yard since the close of the close of the Spanish war was one direct-ing the sending at once to Ogden. Urah of seven carloads of shells, powder, and projectiles. It is reported the designation of the ammunition is San Francisco, and from there it is to be forwarded to the American Warships in College waters. The run across the constituent vaters. The run across the emontinent must be made in seven days, which is considered record-breaking time for a freight train.

COLLISION ON D. & R. G. Air Brakes Failed - Two Dead and Several Injured.

Colorado Springs, Colo., Aug. 14 -A head-end collision on the Denver & Rio Grande railway today at Monument, about twenty miles north of this city, resulted in the death of two persons and the injury of several others. DEAD.

R. F. Webber, Manitou, Colo. 13, F. Gilbert, Fowler, Colo INJURED.

Frank Frado, Italian, of Salida, his wife and two children, one aged 9, and the other 2 years.

H. C. Barnes, Denver Missouri Pacific train No. 12, northbound, running on the Rio Grands tracks between Pueblo and Denver, left this city at 10:10 a. m., forty minutes late. Rio Grande train No. 1, the Pacific coast limited, had orders to pass the northbound at Monument switch. The northbound train had the main line and the train coming from Denve failed to stop in time and crashed into the northbound train.

In the forward car of the southbound train coming to Colorado Springs were seated all of those who were killed and injured. Gilbert and Webber were pinned under the debris and could not be reached for half an hour.

AIR BRAKES FAILED.

Engineer Desmond of No. 1 states as a reason for the collision, that when he attempted to stop at Monument his air brake would not work. Chief Surgeon Corwin of the Colorado
