SUNDAY SCHOOL CONVENTION

Teachers and Officers from Boxelder, Malad, Morgan, Summit and Weber Stakes.

WEBER STAKE ACADEMY.

Program for Commencement Week And Names of Graduates—Irregularities in Marriage Record.

Ogden, May 25.—One of the most enthusiastic gatherings of Sunday school workers in the Church of Jesus Christ of Latter-day Saints was that which was held in the Weber academy hall yesterday and at which were represented teachers and officers from the stakes of Boxelder, Malad, Morgan, Summit and Weber. The convention was attended by 1,500 people.

There were four sessions of the convention, three being held at the Weber academy auditorium and the last one in the evening at the stake tabernacle. At all the sessions Charles J. Ross was chairman, Miss Annie B. Brown was secretary, Joseph Ballantyne, musical director, and Ernest Obern, organist. All the papers read were of a high class and showed that great thought, study and care was used in preparation. The discussions were very animated and considerable enthusiasm followed on each topic, all of which proved very beneficial.

At the last session held in the tabernacle in the evening, and which had a record-breaking attendance, the speakers were President Moses W. Taylor of the Summit stake, President L. W. Shurtliff of the Weber stake, George M. Cannon of Salt Lake, and Elder David O. McKay of Ogden. The topics handled were Sunday amusements and home entertainments and were the means of giving some very valuable information and thought on the proper way of spending the Sabbath.

FAULTY MARRIAGE RECORDS.

Bad Predicament of Many Married Couples in Weber County.

Ogden, May 25.—Married and yet not married is the predicament that many couples who secured licenses in this county have found themselves in. One case in particular is that of a young Weber county couple who secured their license regularly and were married by the presiding minister or elder of a church, who neglected to make the proper return of a certificate to the county clerk.

In looking over the records, County Clerk Mattson has found a number of such cases and has sent out letters to the bridegrooms in the various cases, calling their attention to section 1192, Compiled Laws of Utah, 1907, which reads as follows:

"The person solemnizing the marriage shall, within 30 days thereafter, return the license to the clerk of the county whence it is issued, with a certificate of the marriage, over his signature, giving the date and place of celebration, and the names of two or more witnesses present at the marriage. For failing to make such return, he is guilty of a misdemeanor."

A mass meeting of the tax payers of Ogden has been called by the Ogden Civic Improvement league at the Weber club on Tuesday evening to discuss the question of bonding the city for a new high school building. All citizens, whether opposed to the proposition or not and who are interested, are invited to be present.

H. C. Baker of Ogden has organized a company to erect a cement plant near Brigham City. The company will be known as the Wasatch Portland Cement company and will be capitalized for $1,000,000.

Almond Gregor, arrested in this city several days ago, charged with a statutory crime committed in Jackson City, Mo., was taken in custody Sunday afternoon by Sheriff Bernard Gotchel, who reached Ogden on an early train.

Sheriff Gotchel, accompanied by his prisoner, went to Salt Lake, where he will await requisition papers, which have been mailed him from Missouri. Gregor will not resist the requisition.

SILVERWARE RECOVERED.

Stolen Valuables Returned to Father Cushnahan by Stranger.

Ogden, May 25.—The return of the silverware which was taken more than a month ago, from the residence of the Rev. Father P. M. Cushnahan, on last Saturday afternoon, is as mysterious as was the burglary. A man whose name is withheld by the police for the present until after an investigation can be conducted, returned the silver service, valued at $700, to the father, claiming that he had found it cashed in an old barn.

The daring burglarizing of the residence of the Catholic priest showed that it was committed by experienced crooks, who did such a complete job that the officers were without much clue, although what they did have was followed diligently, but without any success, and the crime remained a mystery until last Saturday afternoon, when it was cleared up.

The man who returned the valuables, said that he overheard the burglars telling of cashing the service in an old barn and he went to look for it and found it. When he returned the service, he demanded $100 reward, which had been offered for the return of the silverware, but pending an investigation of the fellow's story, this reward will be withheld.
