# ONE ON THE BOYS.

Sometimes the mother plays a turn on the young people and greatly to their benefit. A young lady in Memphis, Tenn., Miss B. Dye, of 222 Carro Ave., comments in an interesting way about the harmless little deception her mother played upon one of the family during the summer.

She says, "every member of our fami-y could write a testimonial about Postum Food Coffee and what it has done for us. Father has really been made over since quitting coffee and using Postum, but I must tell you about

When he came home from college last summer he was thin and looked dread fuily. We questioned him about his food and drink. He said he drank coffee, 'Of course I can't get along with-out a good cup of coffee three times a day.' Mother did not say anything to him, but made Postum for him just the same, and at the next meal he com plimented her on the coffee. Severa times he said, 'Now if I just had such coffee as this at school I could make better averages in my studies.

"So during the whole summer he drank Postum, thinking it was strong coffee, and we could all see, from day to day how much he was improving in health. His complexion gradually cleared up, and he gained in every way. When he went back in the fall Mother told him the secret she had kept for over three months, and put several packages of Postum In his

"You may denend upon it, the lesson was one he will never forget. My younger brother ouit coffee about a year ago and has been using Postum Food Coffee, and he has been built up from a regular invalid until he is now i fat, rosy-cheeked boy, full of life and fun. Just the other day he remarked he was getting along so much better in his studies that ever before and he wondered what caused the change. Mother remarked, 'It is Postum.'"
