Jewelry Stolen.

Yesterday Mrs. Estess, who resides near the Sixth Ward store, placed her baby in its carriage and rolled it up to the bureau, while she went to the store. She was absent for five minutes, but on her return found that the baby carriage had been wheeled to the other side of the room and a bureau drawer unlocked. Investigation showed that about \$100 worth of jewelry had been taken.

President Young's Birthday.

June 1st will be the anniversary of the birth of the late President Brigham Young. It has been made the occasion, for several years past, of a celebration by the Primary Association, by the streets of the city in a parade. As it falls on Sunday this year, its observance will be postponed till Monday, June 24th when the Primary Association of the Salt Lake Stake, as well as those of other stakes throughout the Territory, will engage in the usual festivities.

Benefit Societies.

No organizations in the United States multiply so rapidly as the benefit societies. In the past few years, the number of these societies has increased to such an extent that it is difficult to keep track of them. They are generally confined to those who are in the humble walks of life, the good they have done is incalculable, carrying substantial aid to thousands of stricken families and inspiring those who are afflicted with a courage which might not exist in their hearts without them.

Banquet Stake Conference.

BRIGHAM, Blaine County, Idaho, May 22, 1930. (Correspondence of the Deseret News.)—The quarterly conference of the Stake of Zion was held in the new hall at the corner of Third and Main streets, Sunday and Monday, May 19th and 20th, commencing at 10 a. m. each day.

Festival Pieces.

The first night of the festival, after the structure (which will be a specially composed for festival occasions) and the great stirring music representing the return of the ark in the opera of "Faust," one of the pieces of special note will be a number, very without accompaniment, by the three hundred voices, "Farwell to the Forest." The great German composer wrote this to be sung at the funeral of his wife, and it is a beautiful piece of music.
