The Best and by far the Cheapest Magazine in the Country. As a Current History of the Church and the Inter-Mountain Region it has no rival, and as a Work of Reference it is invaluable. Just think of getting 856 pages (the size of the present volume) for \$1.50, or Two Volumes during the year of that size for \$2.50.

Why the lakes or humorous yarms. Why the safe of the yarm was not of her own life given me by uoy cock."-- New York Son.

Long Proyers.

An I rish prior at Animergau told the following story of his bishop: His lordship and a chaplain came to see the Pasido a room each, but the see the Pasido a room each, but the was not possible. They would fain have had a room each, but the was not possible. They frield down was not possible. They frield down was not possible. They frield down was not possible. They would find the risk of the presently if crossed the mind of the chaplain that it would not be well to make his orisons shorter than the bishoply, and he glauced over his shoulder to see if his loriship was short to make an end.

e if his lorumny n end. The bishop, presonably anxious bot to scatholize his chaptel hy the houtpress of his prayers, also glanced over his shoulder and walted. The process was repeated several fines, hoth supplicable were very lired, and in time both fell seleep. They were found in the marineg on their were found in the marineg on their were found in the marineg on their "Hold on! Cough in the test-phone." The girl, who had been listening. Jerked out the play connecting Theis-lerites, put that connecting the the brass horn in its place, and tinkled the hell, according to pre-vious arrangement. The young man dropped the re-ceiver from its hook and blew a terrible blast. The girl immedi-stely restored the connection, and the doctor, after recovering from his solutisement estad: "Did you cough?" "Yes; and it is pretty had?" "I should say so," exclaimed the doctor.

A Case of Tree Resarred

About 1875 a large tree of the elm scies, growing on the farm of Mr. myth, rector of Little Houghton, agland, was clown down, upturn-

doctor. "What shall I dot" "What shall I dot" "What you are turning to a jark-sas very rapidly, and you had belier belta your new way of living al once. You have symptoms of the consumption of oals and haled ha?" While the doctor wondered and the patient raved the telephone lady split her sides with isoghter, and the ignorant young mon booted his myth, rector a England, was t England, was on log an immense its fail.
