

## TRUSTEES OF MUTUAL LIFE

Committee on Nomination of New  
Ones Leaves Out Rogers  
And Rockefeller.

ALL HAVE NOT YET ACCEPTED

President Peabody Will Make no Ef-  
fort for Re-election But  
Would Accept.

New York, July 17.—The committee  
of trustees of the Mutual Life Insur-  
ance company appointed to nominate  
a new board of trustees to be voted  
for at the annual meeting of the com-  
pany in December, made its final re-  
port today, and in doing so disclosed  
the fact that Henry H. Rogers and  
William Rockefeller had withdrawn  
from further connection with that  
body. In seeking from President Pea-  
body the cause of this action on the  
part of the Standard Oil interests, Mr.  
Peabody gave out a personal letter  
from Mr. Rogers, upon which he said  
he would make no comment. In this  
letter Mr. Rogers said:

"When the troubles came upon the  
company I felt it my duty as a trustee  
to stand by and do anything I could  
of service to my fellow members and  
the policyholders. I believe I have  
rendered some assistance.

"The statement has been frequently  
made that I caused your election to the  
presidency of the Mutual Life company.  
No one knows better than you how  
false this is. You know that I had  
but the slightest acquaintance with you  
before your election; that I never ex-  
changed a word with you respecting  
your candidacy; nor was I in any sense  
the inspiring cause of your selection.

"Apparently the people who are most  
active in their hostility to the present  
administration are using the fact of  
my connection with the Standard Oil  
company as a ground for criticism.  
While this is a sufficient reason for  
my refusal to be a candidate or trustee  
since no one has a right to put  
such interests in jeopardy, for the sake  
of achieving a personal vindication, it  
is yet true that, aside from the rela-  
tions of Mr. Rockefeller or myself as  
policyholders and trustees, neither the  
Standard Oil company or any one oc-  
cupying an official position in that  
corporation has ever in the slightest de-  
gree had any business or any other  
relations with the Mutual Life Insur-  
ance company; and in the case of Mr.  
Rockefeller, who is now absent, his  
policy matured some months ago and  
was paid and he therefore is no longer  
a policyholder. He wishes to be re-  
lieved from any further service as a  
trustee.

"If any one imagines that the  
Standard Oil company or any of its  
officers have profited out of any rela-  
tion to the Mutual Life Insurance com-  
pany, he must be strangely ignorant of  
the facts. Neither Mr. Rockefeller nor  
myself have been identified with any  
underwriting scheme, nor have we  
been engaged in any business affairs  
with the Mutual company by which  
we have been the gainers. On the  
contrary, we have given business to  
the Mutual and its allied companies  
from which they have largely bene-  
fited."

In giving out the list of trustees  
nominated by the committee, it was  
announced that acceptance had not  
been received from all the candidates,  
but it was said that the refusals  
were expected. From a source of in-  
formation that should be authoritative,  
it was learned that President Peabody  
would not be a candidate for re-elec-  
tion in the sense that he would make  
any effort to succeed himself. The full  
list is as follows:

John A. Auchincloss, George F.  
Baker, Hugo Barling, Charles S.  
Brown, Dumont Clarke, Frederick  
Cromwell, Cyrus Curtis, William T.  
Davies, Charles D. Dickey, Julian P.  
Nixon, H. Riemann Duval, George E.  
Peabody, R. Henderson Harlow, N. Hig-  
ginbotham, James N. Jarvis, Augustus  
D. Juillard, William H. Lambert,  
Charles Lanier, Sir Hiram Stevens  
Maxim, Emory McClintock, William C.  
McMillan, George P. Miller, Theodore  
Morford, Thomas M. Mulry, Charles A.  
Peabody, Emil Oscar Philipp, Henry  
Philips, Alfred M. Shook, Leroy Springs,  
George C. Rand, Louis Stern, Henry  
W. Taft, Benjamin F. Tracy, William  
K. Truesdale, K. McK. Twombly and  
Cornelius Vanderbilt.

COL. SHOOK DECLINES.

Nashville, Tenn., July 17.—Col. A. M.  
Shook of Nashville, named on the  
ticket for trustee of the Mutual Life  
Insurance company, reported by the  
special nominating committee, stated  
he tonight that he would decline to  
accept the use of his name in that con-  
nection at the annual meeting of the  
company in December. Col. Shook  
is a member of the executive board of  
the International policyholders' asso-  
ciation. He is also president of the  
Tennessee Policyholders' association.

MAY NOT SERVE.

New York, July 18.—There was said  
today to be some doubt as to whether  
the four members of the International  
policyholders' committee nominated  
yesterday on the administration ticket  
of trustees for the Mutual Life Insur-  
ance company would consent to serve.  
The policyholders' committee was  
formed to oust the present manage-  
ment of the Mutual. The ticket must  
be filed with the superintendent of in-  
surance today to be within the legal  
time.

The four men named from the oppo-  
sition are Judge George Gray of Dela-  
ware, Marlow W. Higginbotham of Chi-  
cago, Gen. B. F. Tracy of this city and  
Col. Alfred N. Shook of Tracy City,  
Tenn. All of these men signed an ad-  
dress in this city on July 8 denouncing  
the present management of the Mutual  
and New York Life. It was asserted  
that none of them had been consulted  
as to the nomination and of course  
none had accepted. It was also de-  
clared that Judge Gray was not a pol-

## A TRULY IDEAL WIFE

HER HUSBAND'S BEST HELPER

Vigorous Health Is the Great Source of  
Power to Inspire and Encourage—  
All Women Should Seek It.

One of the most noted, successful and  
richest men of this century, in a recent  
article, has said, "Whatever I am and  
whatever success I have attained in  
this world I owe all to my wife. From  
the day I first knew her she has been  
an inspiration, and the greatest help-  
mate of my life."

Mrs. Bessie Ainsley

To be such a successful wife, to re-  
late the love and admiration of her  
husband, to inspire him to make the  
most of himself, should be a woman's  
constant study.

If a woman finds that her energies  
are flagging, that she gets easily tired,  
dark shadows appear under her eyes,  
she has backache, headaches, bearing-  
down pains, nervousness, irregularities  
or the blues, she should start at once  
to build up her system by a tonic with  
specific powers, such as Lydia E. Pink-  
ham's Vegetable Compound.

Following we publish by request a  
letter from a young wife:

Dear Mrs. Pinkham:

"Ever since my child was born I have suf-  
fered, as I hope few women ever have, with in-  
flammation, female weakness, bearing-down  
pains, backache and wretched headaches. It  
affected my stomach so I could not enjoy my  
meals, and half my time was spent in bed."

"Lydia E. Pinkham's Vegetable Compound  
made me a well woman, and I feel so grateful  
that I am glad to write and tell you of my  
marvelous recovery. It brought me health,  
new life and vigor."—Mrs. Bessie Ainsley,  
611 South 10th Street, Tacoma, Wash.

What Lydia E. Pinkham's Vegetable  
Compound did for Mrs. Ainsley it will  
do for every sick and ailing woman.

If you have symptoms you don't un-  
derstand write to Mrs. Pinkham,  
daughter-in-law of Lydia E. Pinkham,  
at Lynn, Mass. Her advice is free and  
always helpful.

Policyholder in the Mutual and that the  
same was probably true of Gen. Tracy.

LISTS OF POLICYHOLDERS.

Albany, N. Y., July 18.—Interest in  
the nomination of new trustees to the  
front here last night for the first time since  
the adjournment of the legislature in  
preparation for the copying of the lists of the  
policyholders of the New York State Mutual  
Life Insurance companies which, under  
the law passed last winter, must be  
available today in preparation for the  
annual elections of these companies.

Two copies, as required by  
the new law, of the lists of policy-  
holders, were received yesterday by the  
state insurance department from the  
Mutual and the New York Life Insur-  
ance companies. One hundred and  
fifty copies, representing accredited  
policyholders, will begin today the  
copying of the lists and it is figured  
that this work will take at least nine  
days.

Supt. Otto Kelsey of the state insur-  
ance department, said last night that  
he did not understand why the repre-  
sentatives of the international policy-  
holders' committee seemed to fear some  
kind of obstruction to their copying of  
the lists. No one, he said, had thus  
far made any request for facilities for  
copying the lists except the company  
which is to copy them for the interna-  
tional committee. Even if other appli-  
cations should be made now, he said,  
the representatives of the international  
policyholders' committee have the first  
access to the lists.

OLIVER DISCHARGED.

Was Arrested for Threatening to Kill  
A Bank Official.

Wichita, Kan., July 17.—James Oliver,  
arrested a month ago on a charge  
of threatening to kill L. F. Nafziger,  
president of the Fourth National bank,  
was released from jail today, and the  
charges against him were dismissed. A  
year ago Oliver, who formerly was a  
prosperous Iowa farmer, shot and killed  
D. C. Casey, head of the Casey-Garret  
wholesale candy company. Oliver had  
placed \$20,000 in the bank, and the  
firm, which almost immediately failed,  
and he killed Casey when the latter  
refused to return any of the money.  
Oliver was acquitted. He asserted that  
Banker Nafziger had urged him to  
make an investment in the candy  
company, which was indebted to the  
Fourth National bank. Five weeks ago  
Oliver, reduced to poverty, pleaded  
with President Nafziger to give him  
money to provide necessities for his  
family. What the president said to the  
two men is not known, but Oliver was  
arrested, charged with threatening to  
kill. The arrest was kept a secret un-  
til recently, and yesterday a mass  
meeting of citizens was held and de-  
manded Oliver's release.

CUSTIN LEE MISSING.

Believed to Have Been Drowned in  
The Yellowstone.

Bidings, Mont., July 17.—Custin Lee,  
an aged man who recently arrived in  
this city from Kansas City, en route to  
Seattle, is missing and is believed to  
have lost his life in the Yellowstone  
river. He was traveling companion, Glen  
Smith, a youth, stated to the police to-  
day that Lee had gone to the river to  
bathe Sunday and no trace of him could  
be found since. His baggage remains  
in his apartments. Lee's son is said to  
be a prominent attorney for Kansas  
City.

PRINT PAPER COMBINE.

Springfield, Ill., July 17.—A committee  
of the Inland Press association has  
been appointed to wait on Atty. Gen.  
Stead to ask him to enforce the anti-

trust laws against the print paper com-  
bine. The association claims to have  
evidence that the print paper whole-  
salers are in a combination to divide  
territory, and maintain prices.

CAPT. YATES THROWN.

Skull Fractured While He Was Drill-  
ing Recruits.

Boise, Ida., July 17.—Capt. William  
Yates, troop A, Fourteenth cavalry,  
ranked captain at Boise barracks, was  
probably fatally hurt this morning at  
9:15 by being thrown from his horse  
on the drilling ground while engaged  
in drilling a bunch of raw recruits.  
During the drill he saw the horse of  
one of the recruits had bolted, and  
started his own steed into its path.  
When the two animals came together  
the captain was thrown to the ground  
and was carried unconscious to the  
barracks hospital. There the post sur-  
geon pronounced his injury to be a  
fracture of the skull, with practically  
no hope for his recovery. Capt. Yates  
graduated from West Point with the  
class of 1892, having been appointed  
from Georgia. He has been a captain  
since 1901. He won honors as a sharp-  
shooter. He is 36 years of age.

ATTY. B. W. GIBSON ARRESTED  
IN KINAN MURDER CASE.

New York, July 17.—Burton W. Gib-  
son, formerly counsel for Mrs. Alice  
Kinan, who was mysteriously mur-  
dered on the night of June 3 in the old  
homestead in the Bronx occupied by  
her mother, Mrs. L. M. Stenton, and  
herself, was tonight committed to the  
Tomb in default of \$25,000 bail. This  
action followed the close of the corner's  
inquest when the jury brought in a  
verdict that Mrs. Kinan was murdered  
by a person or persons unknown, and  
recommended that Gibson be held for  
examination by the grand jury.

Gibson occupied the stand during  
the greater part of today's session. He  
said that Mrs. Stenton engaged him to  
defend against proceedings which  
had been instituted against her prop-  
erty and establish her right to title.  
After prolonged litigation the property  
was sold in September, 1905, for \$35-  
000, ostensibly to Archibald M. McFar-  
land, but in reality to Gibson, and  
nine months later was sold for \$20-  
000. Of the profit Gibson admitted  
\$20,000 was to go to himself and the  
rest to his father, McFarland and John  
Jelly, who were associated in the deal.

It appeared that the only money  
received by Mrs. Stenton was \$3,000  
given to her by a lawyer, Ashton,  
who acted with Gibson in the legal  
proceedings.

Gibson admitted that, after the mur-  
der, he had visited the Stenton house  
and had removed certain papers and  
articles of value. This he claimed  
he had a right to do, and declared  
that he notified the police at that time.

39TH INFANTRY.

Breaks Camp and Starts on March to  
Fort D. A. Russell.

Pueblo, Colo., July 17.—The Twenty-  
ninth United States Infantry broke  
camp here today and started on a  
march of 255 miles to Fort D. A. Rus-  
sell, Wyo. The trip is scheduled to  
occupy 19 days, but longer marches  
may be ordered in order to consume  
but 18 days. It was the intention to  
have the regiment begin its march  
northward yesterday, but a day was  
allowed the officers to visit each other,  
as this is the universal rule in the reg-  
iment. The regiment will take part  
in the target practice and army man-  
euvers at Fort Russell early in August.

PANAMA BONDS.

Banks Wanting Deposits of Public  
Funds Must Buy Them.

Washington, July 17.—The secretary  
of the treasury authorizes the follow-  
ing statement:

A large number of banks have asked  
to be designated depositories of  
public moneys. To these the secretary  
has made the universal offer to loan  
with the bank one-third of the pro-  
ceeds of any Panama bonds it may  
buy under bid direct from the gov-  
ernment, taking purchased bonds at  
par as security therefor. These con-  
ditions have been, in the main, to small  
banks. He now makes the offer gen-  
eral, but limits the amount of such  
deposits to any one bank to \$5,000-  
000.

The secretary calls attention to the  
circular heretofore issued, wherein  
the government reserves the right to  
permit bidders offering the highest  
prices to increase the amount of their  
purchases. This reservation, the sec-  
retary says, was made to avoid the  
possibility of a combination between  
bidders, and will not be exercised to  
the prejudice of any one who has bid  
above 103 1/2.

PRESIDENT GOES  
CAMPING WITH HIS SONS.

Oyster Bay, N. Y., July 17.—Presi-  
dent Roosevelt camped on the shores  
of Cold Spring Harbor last night. With  
him were his sons, Quentin and Archie;  
their cousins, Philip and George Roose-  
velt; Dr. Alexander Lambert of New  
York, the president's personal physi-  
cian, and Lieut. Bulmer, commander  
of the yacht Sylph. The camp was  
pitched on Eaton's Neck, which in the  
fall season, during past years, has  
always been the scene of a merry ju-  
venile bazaar, with the president as  
the central figure telling campfire sto-  
ries. The camp on the shore was varied  
somewhat last night. No campfires were  
noticed, as it was the warmest night  
the summer season has produced in the  
vicinity of Oyster Bay. Before morn-  
ing it rained in torrents.

The president and his party went to  
Eaton's Neck on the Sylph before  
dark. Plenty of time was taken in lo-  
cating and pitching camp. The beach  
was found to be a fine bathing place,  
and after the usual July evening in-  
camp and sleeping time came the party  
slept in summer coverings and  
went to sleep. Then came the rain-  
storm. The Sylph's landing boats had  
been pulled up on the shore and com-  
pletely turned over. When the rain  
came the boys were the first to wake.  
They hurriedly beat a retreat to the  
overturned boats, where they remained  
during the storm.

The president, Dr. Lambert and  
Lieut. Bulmer had no shelter and  
simply rolled tighter in their blankets  
and took their wetting.

When the rain ceased sleep was  
again the order, and it was not until  
the morning sun was beginning its  
hottest record of the season that Sen-  
ator Hill was reached on the return.

President Roosevelt today did some  
good, hard farming. He moved and  
pitched a load of hay just in time to  
save it from a terrific thunderstorm  
which swept Long Island.

NEW BALLOON RECORD.

Paris, July 17.—Count de la Valux,  
in the course of his ascent in his  
new balloon today established a dirig-  
ible record by remaining eight hours  
in the air over the Bois de Boulogne.

SECY. ROOT REACHES BRAZIL.

Washington, July 17.—The navy de-  
partment has received a cablegram  
from Para, Brazil, announcing the safe  
arrival of Secy. Root and his party  
at that city today on the United  
States cruiser Charleston.

HOGE WAS NOT THERE.

Portland, Or., July 17.—When the  
case of Martin C. Hoge, city attorney  
of Medford, Or., accused of com-

pllicity in the land frauds in this state,  
was called today he failed to answer.  
It has been claimed that Hoge is  
too ill to attend court, but upon the  
showing of Atty. Gen. Henry that  
Hoge is not too ill to make his ap-  
pearance, Judge Hunt announced that  
unless Hoge appeared tomorrow he  
would declare forfeited his bond of  
\$4,000.

A NARROW ESCAPE.

Los Angeles, Cal., July 17.—While re-  
turning from a burial service in New  
Cemetery, Father Barron, pas-  
tor of St. Mark's Roman Catholic  
church, and two laymen, Ernest Matthews  
and Bruno Bonafino, had a remark-  
able escape from death. The driver of  
the carriage in which the three were  
riding was unable to check his team on  
a grade in La Cresta arroyo on the  
outskirts of the city, and the horses  
vehicle tumbled over a steep bank.  
The priest and his two companions  
extricated themselves, unharmed from  
the wreckage. The driver was injured.

CROP REPORTS.

In Future They Will Cover Much Lar-  
ger Number of Products.

Washington, July 17.—The bureau  
of statistics of the department of ag-  
riculture has so extended the scope  
of its work that its reports will here-  
after cover a far larger number of  
agricultural products than in the past.  
The added list including alfalfa, hemp,  
broom corn, kafir corn, sorghum, blue  
grass, millet, sugar beets, Canadian  
peas, cow peas, beans, cabbage, onions,  
potatoes, apples, lemons, blackberries,  
raspberries, strawberries, cantaloupes,  
watermelons and peanuts.

The last issue of the crop report  
includes a statement of the condition  
of the new alfalfa, showing that in  
some of them is there the full crop  
throughout the country. Montana is  
the only alfalfa growing state that  
comes up to the standard in that ar-  
ticle. California shows the highest  
yield in sugar beets with 98 per cent.

NORTH CAROLINA  
LYNCHING MOB INDICTED.

Charlotte, N. C., July 17.—Because  
of doubt as to the legality of the  
provisions of the anti-lynching statute  
under which the alleged members of  
the mob which took John V. John-  
ston from jail at Wadesboro and hanged  
him on May 28, are indicted, the trial  
at Monroe took a new turn today when  
Solicitor Robinson sent to the grand  
jury a bill embodying three counts,  
viz: Conspiring to break and enter a  
jail for the purpose of lynching a  
prisoner, breaking and entering, and  
killing and lynching. Under this  
amended form the grand jury late this  
afternoon returned true bills against  
11 of the 21 men under charge of  
participating in the lynching. The  
grand jury is still in work upon the  
cases of the remaining defendants.

The effect of today's proceedings is  
to drop the indictments returned yester-  
day and start anew.

ALASKA DEMOCRATS.

Declare for Territorial Form of Gov-  
ernment and Bryan.

Seattle, Wash., July 17.—A special to  
the Seattle Post-Intelligencer from Ju-  
neau, Alaska, states that the Demo-  
crats of the district in convention as-  
sembled, nominated Judge H. W. Mel-  
len, of Copper Mount, for the long term,  
and ex-Judge Swineford for the short  
term delegates respectively. Judge  
Mellen is father-in-law of Gov. W. B.  
Hogart, recently appointed territorial  
governor by President Roosevelt. The  
platform adopted by the convention de-  
clares for the principles enunciated by  
Jefferson, Jackson and Bryan, and ar-  
rains the Republican party for general  
oppression and declaration of duty. It  
also declares in favor of a territorial  
form of government and elective legis-  
lature, advocates the creation of a  
fourth judicial district, and the election  
of a delegate to Congress from each of  
said districts.

MURDER IN FIRST DEGREE.

Esther Mitchell and Maud Creffield  
Charged With It.

Seattle, Wash., July 17.—Esther Mit-  
chell and Maud Creffield were today  
formally charged with murder in the  
first degree for the killing of George  
Mitchell, by information filed by Pro-  
secuting Atty. Mackintosh today. The  
women were charged jointly, only one  
information being filed. This does not  
mean, however, that they must be tried  
together. If they desire, each may have  
an individual trial. It is probable, though,  
that the women will consent to have a  
single jury determine their fate, as the  
evidence in the hands of the prosecut-  
ing attorney is as overwhelming against  
one as the other.

Deputy Prosecuting Attorney John  
Miller yesterday received a letter from  
O. V. Hurt, the father of Mrs. Creffield,  
in which he says he feels duty bound  
to aid both women. He asks that his  
daughter be given every consideration  
possible during her confinement in the  
jail.

As yet no definite arrangement for  
counsel for the women has been made.  
It is probable that some Oregon attor-  
ney will join with an attorney from  
Seattle in the defense.

KOZLOV'S ASSASSIN.

Identified and is Member of Band of  
Sivorn Assassins.

St. Petersburg, July 17.—The assassin  
of Gen. Kozlov of the headquarters staff  
who was murdered in the English park  
at Peterhof on Saturday last, has been  
identified as a Lett, belonging to an  
organization the members of which have  
sworn to kill Gen. Trepot, Gen.  
Prince Putiatin, and 13 other persons  
intimately connected with the court.  
The assassin was chosen by lot.

FOOD MANUFACTURERS.

Attempt to Form a National Associa-  
tion Failed.

Chicago, July 17.—At a meeting of man-  
ufacturers of different articles of food,  
held here today, an attempt to form a  
national food manufacturers' association  
proved futile. The meeting, which was  
announced as an informal gathering,  
also failed to approve the appointment of  
a committee to draw up a form of guar-  
antee to be used by all food manufactur-  
ers as designated by the new pure food  
law. The debate over these propositions  
was prolonged, and at times rather warm,  
but both were finally defeated.

Late in the day it was decided to re-  
quest of the national pure food commis-  
sion, now in annual session at Hartford,  
Conn., the adoption of rules and regula-  
tions determining the scope of the new  
pure food law and securing thereby a  
uniform regulation in all the states of the  
Union.

ANOTHER BOMB VICTIM.

Chief of Police of Tiffin is Mortally  
Wounded.

Tiffin, July 17.—Chief of Police Mat-  
tiff, while driving in the street today,  
was mortally wounded by a bomb. His leg  
and arm were blown off. The bomb was  
thrown from the Georgian nobles school.  
M. Mattiff was much lacerated on account
