FIFTY-FIRST YEAR

TRUTH AND LIBERTY

THURSDA., JUNE 6, 1901. SALT LAKE CITY, UTAH.

ROERS SURPRISED AND BADLY ROUTED

left 37 Killed-British Got 100 Prisoners, All Their Wagons and Supplies, Including 8,000 Head of Cattle.

Wednesday, June 5 .- Col. plies, including \$,000 cattle in the hands with 240 of Kitchener's scouts of the British. The loss of the latter ad and routed 400 Boers be- | was 3 men killed and 15 wounded. Beyer's command, thirty- Beyer's main command arrived on west of Warm Baths. The the scene soon after the engagement, resisted stubbornly but finally but failed in an attempt to re-capture as and B-d, leaving 37 killed, 100 the supplies. Beyer was left practically and all their wagons and sup- | without transportation or supplies.

MET ON PHILIPPINES.]

Strongly Criticises Present Attitude of the Government.

polaris it Bas Repudlated Its History and Theory of Popular Rights.

pepter, Colo., June 6 .- Before the leating class of the law school of University of Colorado, Hon Moses ed, dean of the law faculty, and milladge at Denver, delivered an

es in which he criticised the presatitule of the government with to the Philippines, closing with And so it appears that the powers of

wh and air are again arrayed as they ate always been arrayed, against the and of civil liberty. The spectacle unted is that of a nation in rebel. absolute power and independence of such r by force of arms; afterward a erment established in protest instalsolute power and professing is only by the consent of the peo-and according to their will, an ous government which claimed the right of self-rule for the people discissed authority in other lands ever aber people. Such was the A Sate of America at the end of One hundred ighteenth century.

Mary D. Hume has been declared by the Iron Trades Council, "unfair," and the union men employed thereon have been ordered out Dr. Thomas Bond Suicides. London, June 6 .- Dr. Thomas Bond, a

well known surgeon and analyst, committed suicide today by throwing himself from a third story window of his residence. He had been suffering from melancholia for some time. Dr. Bond, besides being the late Mr. Gladstone's surgeon, was noted in connec-tion with investigations and discoveries

in the cases of several sensational crimes, notably the Lefroy, Lamson and Camp murders. Major George Arthur, Dead.

Cleveland, Ohio, June 6 .-- Maj. George Arthur, assistant paymaster of the U.S. army, died suddenly this morning while sitting in the chair in the Weddell Mr. Arthur was the son of P. M. Ar-thur, chief of the Brotherhood of Loco-

notive Engineers.

The Assyrian Goes Ashore.

St. Johns, B. F., June 6 .- The Leyland steamer Assyrian, from Antwerp for Montreal, with 2,000 tons of cargo, went ashore off Cape Race at midnight. She has eleven feet of water in her forehold and is likely to prove a total wreck. Her crew had great difficulty in escaping and reaching the shore. No further details are obtainable at present. The steamer Algerne is being dispatched to the scene of the wreck by Lloyd's agents.

Cannibals Devour Germans.

Berlin, June 6 .- The Tabeblatt prints special correspondence from New Guinea containing a full account of the massacre of the members of the first late, the same nation and govof the army, at Washington. He will leave here Monday. Col. Forwood will assume the duties German South Sea expedition on the cannibal islands of St. Matthias. They were all killed and eaten, save a Dr. of the chief medical officer of the army while the latter is making a tour of inspection of the Philippines. Heinroth.

southern states to adopt such constitutional amendments. The number of ON INSULAR CASES negroes in our state is not so large as it was formerly. Very many of them are moving away where agricultural conditions are better than they are in leorgia." New Process for Making Steel. Redding, Cal., June 6 .- George C Carson, an experienced mining man o northern California and recently super Most Fortunate. intendent of a mine in this district, has applied for a patent on a new process for the manufacture of steel, which h claims to have perfected. Carson state that he has been approached by a rep resentative of a large castern steel or-ganization with an offer of \$500,000 for the secret, provided the patent is issue-and tests are satisfactory. In order to fully test the claims made for the pro-cess, the agent making the offer to Cargon agreed to actuate the offer to CONFER POWER ON CONGRESS Carson agreed to establish a plant for the purpose near Chicago, where experiments may be carried out and th Will be Great Eulwark for Those Now in Power for Government value of Carson & invention determine of Territory. arson has accepted the conditional of er of \$600,000, and will leave in a few ays for Chicago to complete his part f the agreement. By the use of the Carson process the inventor claims that steel of a quality much superior to bessemer steel can be produced. said. INTERNATIONAL COMPANY.

sues of the civil war. "I do not think it is best for the

New York, June 6 .- A special to the Tribune from New Haven, Conn., says A company with omnibus rights, to do a general banking, shipping, mercantile, commercial, raliroad and manufacturing business in the South Ameri can republics, Porto Rico, Cuba and the Philippines, has secured a favorable report on its incorporation in the state senate. The new company is to be known as the International company, with a capital stock of \$500,000, which can be increased to \$5,000,000 later. The incorporators are Bridgeport and Der-

northern coast of South America. The new company proposes to es-tablish banking houses in all the principal financial centers of South Ameri-ca and the new possessions of the Unit-ed States. The principal alm of the new company will be to establish banks

in order to facilitate trade relations between this country and the countries named. The new company also intends to do a general transportation business, and possibly mining and manufacturing, besides working nat-ural beds of mineral. The company will be the first to pay the new franchise tax that this state will hereafter charge new corporations, of 50 cents on each \$1,000 capital stock,

Col. Forwood Ordered to Washington

San Francisco, June 6 .- Col, William H. Forwood, assistant surgeon general of the United States army, and chief surgeon of the department of Call-fornia, has been ordered to report to MaJ.-Gen. Sternberg, surgeon general

to Peru that it is distinctly to her inter

est to take part, that to stay away would be to deprive her of the sympa-

thy which some of her sister states

see an early settlement of the Tacna-

Araca controversy, it cannot take sides,

and it cannot afford to permit the ques-tion to be dragged into the congress

POPULATION OF CANADA.

Returns Completed Indicate Less

than Five and a Half Millions.

New York, June 6 .-- A special to the

The official organs of the government

are preparing the country for the dis-appointment in store when the official

census returns are made known. In-stead of the confident predictions of

6,000,000 and over, the returns so far

completed indicate less than 5,500,000.

According to the estimates based on the

statistics of the British isles, Canada's total should be 5,425,000. Estimates

and perhaps wreck the meeting.

have extended to her.

With Fine Program, Sweet Music and Lofty Speeches, Students Are

New York, June 6 .- Ex-Secretary of State John W. Foster, in discussing the recent insular decision with the Washington correspondent of the Times 'I deem it fortunate that the court

took the position it did. Consider the Philippine situation for instance, The United States now has possession of the gold and blue. Visitors of promthe archipelago. Having the Islands in | inence in this State were numerous, our grasp it necessarily follows that and appeared to be deeply interested in ve must govern them. The decision of the court in the

Porto Rican cases clearly and unequi-vocally delegated such authority to Congress. It therefore settles the much mooted point as to whether Congress had the power to regulate affairs in our new possessions. For this reason, I say, the decision was practical and sensible. It will be a great bul-wark for those now in power in the future government of our territory in the east. The exigencies of the situation by men. New York interests, however, east. The exigencies of the situation are behind the company, which are now engaged in large undertakings on the rendered,"

LULU PRINCE - RENNEDY CASE

Defendant Listens to Her Attorney Outline Her Defense.

Kansas City, Mo., June 6 .- When Lulu Prince-Kennedy entered court this morning, it was to hear the outline of her case in the trial for murdering her hushand, made by Atty. Nearing for the defense. The prisoner had enjoyed a good sleep last night and appeared bright and cheerful. She was perhaps more at ease than any of the large num. ber of spectators. Atty. Nearing, after tracing the attentions paid by Kennedy, the murdered man, to the defendant, declared that they had become engaged to be married and the date of the wed. ding set. Kennedy, he asserted, postand set. Realized, he asserted, post-poned the wedding and finally, under guise of the engagement seduced her. Then when her condition became deli-cate he paid her expenses to leave the city. On this visit, Mr. Nearing said, she met Case Patten, the baseball play-et where name that became monitoned

Kennedy's refusal to live with her, her broodings over her condition, his filtreatment, brought her to a condition hysteria bordering on insanity. Insantiy was prevalent in the woman's family and the prisoner partook of this The administration has virtually dedisease, which finally affected her mind causing her to threaten suicide. The final act of Kennedy-of bringing suit to have their marriage set aside-was the motive and the only motive that prompted the act of murder. They would show positively that the woman's father and brothers had absolutely no part in the murder, knowing of the woman's act only after it had been committed. The taking of testimony was begun at noon.

"Bloomington Red" Convicted.

Quincy, Ills., June 6 .- William Davis, allas "Bloomington Red," was convicted of simple burglary today and will go to prison under the indeterminate act. Hard effort was made to convict him under the habitual criminal act. and sentence him for a twenty-year limit, without hope of parole, but the defendant made a desperate legal fight and succeeded in securing a simple burglary conviction. Two of the jurors were in favor of acquittal. "Red" was convicted of robbing the Kespohl-Mohenstecher store here on Christmas eve of \$4,000 worth of silks. His partner was George Heiss, who pleaded guilty after arrest and came from Chester prison to testify against Davis. Davis was the leader of a band of silk thieves who plundered stores at Quincy, Hannibal, Beloit, Savannah, South Bend, Elgin, Goshen, Kenosha and other citles of hundreds of thousands of property. He was convicted in Decatur in 1892 under the name of Frank Smith. He broke fail, but was recaptured and served six months at Joilet.

THE BRITISH WAR OFFICE.

Keynotes of a Report on it Are Sim-

plification and Decentralization. London, June 6 .- Simplification and lecentralization are the keynotes of the report issued today by the committee under the chairmanship of Clinton E. Dawkins, appointed to inquire into the war office organization. The abolition ommended of the present system of ruling the army by minute and irritating regulations, both military and financial. The committee considers the war office ought to be relieved by the decentralization of a mass of routine work now absorbing the energies of the high officials and preventing proper atention to important military quesbe secured by an enlargement of the owers and responsibilities of the offiers commanding districts, and finally. permanent war office board ought to established, which, under the auhority of the secretary of state should ontrol the business of the war office as whele, without detracting from the ndividual responsibilities of the commander-in-chief and heads of departments.

Scotch Golf Championship.

Gullane, Scotland, June 6 .- The concluding day's play in the open golf championship started with ideal weather. Yesterday's weeding out process practically left Harry Vardon and James Braid to fight for first place, as they were seven strokes ahead of the next players. Taylor and Laige. The spectators, who included some well-known members of parliament and a few Americans, almost neglected the other matches to watch the favorites.

solo by Mr. Horace Ensign. PRESIDENT SNOW SPEAKS.

President Snow was the next speak-He said:

"I have been highly gratified at what I have seen this day. I congratulate President Paul and his teachers upon the grand accomplishment of their work thus far. "There are some things which I de-

sire to say to you young students. I wish to tell you something that will help you to live long and to succeed. We hope you will not fail, we desire you to live long, and to attain a greater age than I have attained. It has cost you much time and money to get what knowledge

you have. It was during the first twen. ty-one years of my life that I was prepared for my present work. I had to learn the use of the hoe, the plow, and other farm implements. During this time I learned obedience. of you may be regretting the time that you will spend in vacation. Do not regret the vacation. During these three months you will be learning what you cannot learn here. The girls may go to the sewing machine, to cooking, and to the wash tub; and the boys to the farms, the stores, etc. You must learn obedience. Learn to ions. Further decentralization should govern yourselves, to control your passions. You will have the opportunity, during these months, to learn how to control yourselves. You may be tempted to do things that are wrong, and you will not always be wise in what you do and say. When you have said a hasty word, and have offended any or have not done whatever you ought to do, make up your mind not to say or to do it again. In doing these things, you will learn many things that you cannnot learn at school. When you return next fall see to it that you are

better than you are now. In the past this college has been very successful, beyond our anticipa-tions; and it will be successful beyond our anticipations in the future unless the anticipations of President Paul are the interpations of President Paul are too high. One new building we are sure of. We have the means for that. Another, more important building, we are not sure of yet. But I believe the time will come, and that many of you will see the time, when all these buildings will be erected, as it is intended that they shall be. You will not have to live very long to see that time. May the blessing of the Lord attend Arthur's division, throughout

this school and may the students con- | paign of San Fernando. He wa

The funeral will be he'l from the Sec-ond ward meeting house Sunday, at 12 Boon, Graham, Quartzburg, Idaho, su- noon.

mander will use their upriost endeavors to prevent further friction, BURGLARS FOUND GUILTY.

Now They Will be Pat on Trial for Murder.

Montreal, June 6 Jones, Rice and lutledge, who were brought here from 'hicago, have been found guilty of bing the Aurora, Ont., postoffice These are the burglars who made such a desporate attempt to escape Tuesday night when Constable Boyd was killed and Jones very badly wounded. They will now be arraigned for murder. Crown Attorney Currin says Rice, who it is alleged, fired the shot which

killed Boyd, is supposed to have killed a man during a robbery in Chicago.

Prussia and Others Abandon the Double Idea.

Berlin, June 6 .- As one of the results f yesterday's tariff conferences the epresentative of the Associated Press learns reliably that Prussla and a number of the other large German states have abandoned the idea of the so-called double tariff, that is to say, maximal and minimal, which commercial circles considered the main obsta-cle in concluding new and mutually satisfactory commercial treaties.

Mrs. McKinley Improves Slowly.

Washington, June 6 .- Drs. Rixey, sternberg and Johnston were in consultation at the White. House about half an hour this morning. After their departure Secretary Cortelyou gave out

the following statement: "Mrs. McKinley's physicians report that she passed a comfortable night and Dr. Rixey called at the White House at 2:30 and remained about twenty minutes. He said that Mrs. McKinley's condition was about the same.

Lutheran Synod Adjourns.

Des Moines, Iowa, June 6 .- The Evanelical Lutheran general synod ad-The closing day was busy with many reports.

The guassilon of missionary work in Africa was discussed at length today on the committee's report, submitted by Dr. George W. Miller of Baltimore, to abandon the African field altogether and devote the work and money to neand devote the work and monospin a groces in this country.
