German is Now a Factor in the Struggle for Heavyweight Title.

WON A CLEAN-CUT VICTORY.

In Ninetcenth Round, With Rain of Hammer-like Blows He Knocked Out the Wrestler-Fighter.

Tonopah, Nev., April 15 .- Mike Schreck tonight knocked out John Wille in the nineteenth round of what was scheduled for a twenty-round go. The fight was hard and fast from the first round, but at no time did Schreck seem to be in danger. He was cool and aggressive from the start.

the start. Wile displayed remarkable gameness and came back strong, but was unable to land forcibly on Scareck. Wille made frequent rushes, but was always stopped by Schreck, who fought aggressively, yet took few chances. In the nineteenth Wille went down and out under a rain of hammer-like blows. Schreck finished strong.

Berger a rain of hammer-like blows. Schreck finished strong.
Last night's fight between Mike Schreck and John Wille was not a scheduled twenty-round affair, but was hiled as a fight to the finish. The clean cut victory gained by Schreck places the dever German in the linelight and makes him a strong factor in the strugge for the heavyweight championship title. It is now almost a certainty that Schreck will be matched to meet the winner of the o'Brien-Burns heavyweight contest. Tormy Burns seems to have a better ow before the public, Jeffries, of course, eliminated. If Burns wins over O'Brien in their coming battle he will then be forced to meet Schreck, a man who he has avoided for a long time.
Schreck's victory over Wille is a strong argument in support of the claim by the Wile at the Salt Palace. It was schreck was afrid of him. Pernaps he was but he displayed no sign of tear in billing to the finish. There is no prom for his big antagonist. There is no prom for baber at the wile his he better is night's battle. His cleverness and billant two-handed cloutang proved too prom for bab g antagonist. There is no prom for bab g antagonist. Terry is no longer in the sani-tion. Terry is no longer in the sani-tion. Terry is no longer in the sani-tion of fighting days, writes Bob Edgreen. Terry's wife went up to see him a few days ago, and Terry was so rational at the time that she made up her mind to get him out. She called up Sam Marris and explained her wisnes. Sam objected to acting hastily, and in turn called up Dr. Cramer and Dr. Quinn and Dr. Givens examined Terry and wree of the opinion that it was still necessary to keep him it was still necessary to keep him as methy more rational than he was few months ago. He acts naturally and as Terry and his family will take a coit-tige at Stamford. Conn. and possibly to continue to improve. But if he will continue to improve. But if he mes back to Broadway and the excite-mes back to Broadway and the scite-tracks, a relapse is certain.

A. D. SLACK,

Spoil Gans-Lewis Fight. Battiling Nelson has a scheme for spoll-ing the Joe Gans-Harry Lewis fight for the lightweight champlonship if it is de-cided to hold it in the state of Nevada. His plan is to match himself with some other tighter of the lightweight class and decide the mill as close to the other as he can, thus detracting some from the interest and paronage of the main event. Nelson confided this scheme to several of his friends, and despite some discour-agement says he is going ahead with it. When it was suggested that this dog-in-the-manger policy might got him in bad with the sporting public, he said he did not think so, believing as he does that there is enough prejudice against Gans and his dublous past to see the thing through successfully. Manay fight followers think Gans and Lewis will have a mighty difficult time finding a purse of \$20,000 for their contest in Nevada, that amount being the imit shy the articles of agreement. Manager Dickerson made the match with Mike Riley's offer of \$20,000 be-fore him.
