She leaves a husband and four young children who have the sympathy of the whole community. Mrs. Sjostedt's death will be generally mourned here. This act fright-ened their horse which plunged for-ward and ran away at a terrific rate. Both were thrown violently to the ground and each sustained a broken leg and other bodily injuries.

LARGE BEET HARVEST. Difficult to Get Enough Cars-New Republican Paper.

Special Corespondence. Brigham City, Boxelder County, Oct.

Brigham City, Boxelder County, Oct. 26.—The farmers are now busy mar-keting their sugar beet crop, which is of no small proportions this year. They experience a good deal of difficulty in getting enough cars to load. This af-ternoon about 100 wagons were gath-ered at the depot waiting to unload. An engine and train crew had been sent up from Ogden to haul down a train load of the beats, but when they ar-rived they found that there was not a car in the wards. It is hard to under-stand how the railway officials could have made such a blunder. Nephi J. Valentine is weighing the beets this year. Ward Associations Give a Fair for Benefit of Building Fund.
