VARSITY BOYS MOURN. Thieves Make a Raid on Dressing

Room and Steal Suits. The boys at the University, who manage to extract a good deal of amuse-ment and recreation out of the game of footbail, are in mourning. The rea-son is simple. Some sneak thieves have stolen nearly all their football para-phernalla and the boys are unable to

practice. It is said that Manager Riser Coach Holmes and several of the players have secured the assistance of sev-eral bloodhounds and armed to the teeth they are hot on the trail of the robbers, and it is only a question of time when they will apprehend the bad men. There may be a desperate fight but the 'Varsity boys are confident

The offense was committed Saturday or Sunday night. The dressing room was broken into and several suits, shin and nose guards, some sweaters, a head piece and four or five footballs were stolen.

Colored Players Run.

"Myrick, the speedy colored halfback of the South Side eleven, furnished the sensation of yesterday's game with the North Side team, and incidentally made the only score for his team by an end run of 110 yards. run of 110 yards.

"Here the South Siders braced and held for Gowns. Myrick was signalled for a dash around left end. Skirting the line behind good interference, he dodged three tacklers and had a clear field. He easily ran away from the North Side team and planted the ball behind the goal posts. This is probably the longest run on record."
