

object in doing this, however, is to make a more direct and quicker route to Ogden and Salt Lake City.

Logan,

INTO CACHE VALLEY. "From Sere the road's plans are to ke a little west of south course, uching Blackfoot and many of the rge hamlets east of the Short Line ack. From Pocatello the course lies little enst of the Short Line route. "From Gere the road's plans are to take a little west of south course, touching Blackfoot and many of the large hamlets east of the Short Line track. From Pocatello the course lies a little east of the Short Line route, thus throwing it into Cache valley without any perceptible increase of distance, as was the case with the Short Line in former years. From Presion the road intends paralleling the Short Line branch to Logan. Logan and Cache valley will be given special attention. From Logan there are a number of routes planned and under advisement, but the one looked upon as the most feasible at present is from as the most feasible at present is from Logan to Wellsville and through Wellsville and Brigham canyons and from Brigham City a little to the east of of of Brigham City a little to the east of the Short Line, touching the towns of Willard, Hot Springs View, North Ogden and then into Og-den, where connection will be Ogden and then into Og-den, where connection will be made with the Rio Grande and other

roads. THROUGH OGDEN CANYON.

Another route under consideration "E. H. Harriman, New York City.-There is a coal famine in this city. Hundreds of families are in want of fuel. The weather is cold. Great suf-fering is imminent, unless the situa-tion is quickly relisved. Practically no coal arriving over your lines. Re-spectfully invoke your immediate aid. "SALT LAKE CITY REAL ESTATE ASSOCIATION." s from Logan through Newton, Prov-dence, Paradise and thence into Ogden

idence, Paradise and thence into Ogden valley and then through scenic Ogden canyon to Ogden. The road will then eventually reach Salt Lake City. "The road is to branch at St. An-thony and a branch will extend through the rich Egin bench country, thus tap-ping one of the most fertile spots of Idaho. This branch will in time reach have extend on to the coast oise and may extend on to the coast. "This is the first news of this great developing of this intermountain part of the country. It will do more for the advancement and progress of this great coming country than anything else that has happened. People here are feeling highly elated. It means rail-, road chore and a courted with the second road shops and a central railroad spot for St. Anthony and prosperity for all contiguous territory."

BIG RABBIT HUNT.

Ten Teams and Force of Pickers to

Meet the Hunters.

Frank Groesbeck, traveling ger agent for the Denver & Rio Grande has returned from Indianola, where he went to make arrangements for the big rabbit hunt on the 17th. He reports that he has secured ten teams to haul the deceased bunnies and the city folk who get too tired to tramp over the sagebrush. A number of mounted pickers also have been engaged to folpickers also have been engaged to fol-low the guns. About three inches of snow is on the ground at present, and the rabbits are reported to be both plentiful and frisky. A special rate of \$1.50 for the round trip has been made for the occasion, and the hunters will leave Salt Lake on a special train at \$130, returning to Salt Lake about 9 p. m.

RAILROAD BILL.

Gov. of Montana to Be Requested to Call Extra Session.

Call Extra Session. Helena, Mont., Dec. 15.—As a result of the organization of the Montana liate association in this city yesterday. Gov. Toole will be requested to call the logislature in extra session to pass a railroad commission bill. At the last session of the legislature a bill was passed on the last day of the session. and it was vetoed by the governor on the ground that it was unconstitution-al. The resolution adopted by the rate convention directs the executive com-mittee to ascertain if the governor will issue a call for a special session of the asue a call for a special session of the legislature if he is assured a majority of the members will support a measure that will conform to his ideas as ex-The executive committee of the as-sociation was directed to collect data

ply is as follows:

Leaving there in the early eighties he engaged in mining until 1890, when he made his home in Salt Lake and open-ed his assay offices on West Temple street Salt Lake now has it on the word of RELATIVES NOTIFIED. President E. H. Harriman, of the Har-

riman railroads, that the coal situa-In 1855 he was married to Miss Mar-In 1835 he was married to Miss Mar-ion Simmons, daughter of Danfel P. Simmons, a well known traveling man, and he is survived by his wife and three young children, whose names are Rollin, Neill and "Baby," the young-est being about two years of age, and as yet unnamed. Easides the relatives living in Salt Lake A. V. Officer, a brother, and Miss Helen Officer, a sis-ter of Mr. Officer, reside at Loveland, Colo. They were notified of the death by wire this morning. tion will be relieved. The famine has been so acute during the past week that complaints have amounted to a considerable volume. Today, however, the assurance given by President Har-riman is that Vice President Bancoft has been instructed to give the matter his immediate attention. The tele-gram making this announcement was sent in response to the following from the Real Estate association of this by wire this morning

WARD ENTERTAINMENTS

Seventeenth Ward .- "Something do-ing every minute," is the motto chosen by the committee who arranged the by the committee who arranged the Seventeenth ward bazar and iair which comes to a conclusion in the ward meetinghouse this evening. The fair's purpose is to raise funds for the erac-tion of a new ward chapel, and from the amount of patronage received, a handsome sum should be realized for the building fund.

Estate Association, Salt Lake-Your message 14th received. Have instructed Vice President Bancroft to give mat-Initiation is sum should be realized for the building fund.
Tonight the program includes some of the best features of the series, among them being "horn pipe dance" by Martha Aldous and David Cannon, a plano duct by Louise Barnes and Hazel Bailey, a contraito solo by Mary Colbert, and a song by Esther Davis.
At 9 o'clock an auction will be held at which a great many articles will go to the highest bidders. Some of them, it is said, will be found to be decidedly of the "prize package" order. In addition to the special program rendered each evening, the fair has developed a number of unique and surprising features. One of them is the collection of "young lady boot blacks," who deliver real shoe shites for one cent per size the shoe. The incomes from their efforts running from 10 to 20 cents a patron, according to the size of the foot.

the foot. The booths have been along the pret-tiest ever seen in local fairs. They are as follows: American booth, in charge of Mary Holliday; evergreen booth, in charge of Jean Hyde; violet booth, in charge of Lily Price; La France Beauty rose booth, in charge of Cathie Dougall; red poppy booth, in charge of Josie Chambers; pink chrysanthenum booth, in charge of Julia Howe; yellow chrysanthemum, in charge of Bessie Felt; white snowball booth, in charge of Sadie Smith; pink carnetion booth,

Its the Red Blood Corpuscles that Proper Food Makes.

A Tiffin, O., woman says Grape-Nuts food gave her good red blood and re-stored the roses of youth to a com-plexion that had been muddy and

plexion that had been muddy and blotchy. She says: "For 10 years I had stomach trouble which produced a breaking out on my face. The doctors gave it a long Latin name, but their medicines failed to cure it. Along with this I had fre-quent headaches, nervousness and al-ways pain in my stomach after meals. "I got disgusted with the drugs, stopped them and coffee off short, and quit eating everything but fruit and Grape-Nuts, with Postum Food Coffee for my table beverage. The headaches, stompeared almost like magic, which showed that when the cause was re-moved and good food and drink used nature was ready to help. My blood

nature was ready to help. My blood was purified and my complexion became like a young girl's, while my weight was increased from 90 to 120 pounds in a few months—good, solid, firm flesh, where it used to be soft and
