He may drive the horse in some exhibi-tions, but said that the only place in this country he had not been was the Northwest and that was too horse too Northwest, and that was too long a trip to take for the money. Hereafter Cresceus will be in the stud at the Ketcham farm and his season is sure to be a busy one. The bookings right now include 40 of the best harness mares in the country, and it would be a strange thing if the line did not de-

lop some wonders. Four highly bred trotting mares arrived in Toledo with Cresceus. They are the property of A. McLaren of Ottawa, and were sent to the states to be bred to Cresceus. While at Ottawa Mr. Ketcham was presented with a hand-some silver cup by the cluizens. The inscription, among other things, dubs Cresceus as the champion of Canada. Here is one from Thomas Smith, paper hanger, of 128 South Main St., says: "A slight pain in my back, coupled with a disturbed action of the kidney secre-tions, led me to reason that if my kidneys were at fault a stitch in time-would save nine, and the present was the time to act for kidney complaint is so gradual and so insidious in its dealings with ordinary mortals that complications are apt to arise which lead to serious trouble. I tried a remody very flatteringly advertised to cure kidney complaint, and gave it a fair trial, but it fulled to stop my backache. Then I went for Doan's Kidney Pills to the F. J. Hill Drug Co.'s store and com-menced the treatment. It only required a dose or two to tell me that they were acting just as promised. After their use for some time the backache and irregularity of the kidney secretions absolutely stopped."
