Rain-Fruit-Grain-Small-Pox. OGDEN CITY, Utah.

Oct. 12, 1872. Our heated weather appears to have Salt Lake County that the lists have a less combustible material, which ended for this season. Last night he did in the shape of Asbestos and this morning we had a refreshtion, and that he will be on hand at roofing. The precautions against has laid the dust and made pedestrian locomotion more comfortable. Business for a short time past has been improving and business men chants, bankers, and other legiti- an excellent fruit season and a marare more cheerful. We have had mate business institutions complain ket for all we could raise, in fact that a rainy day is detrimental to we could have found ready sale for their business, and arraign the if we had had it. Many are waiting for something like remunerathe slackness of trade on other oc- tive prices for grain; but at present casions, we seldom hear of a saloon it is low and as a consequence there

Yesterday there was great excite ment in this place, caused by the Preparing for Winter. - The report that a number of cases of smallpox had been discovered, mostly on the Bench. Little credence was at first given to the report, but at the same time all precaution for them. Send for illustrated price rally; there seems to be a general in the matter possible was taken, and hopes were entertained that the report was not true; but I am sorry to say that it is too true that winter; if they should be disap- the loathsome disease does exist here, and that it appears to have got a strong hold and is spreading rapidly in the eastern part of this city. The number of cases have the more fortunate or provided will been variously stated, but I believe at this present writing there are twenty cases, or nearly so. The quarantine physician and others 50 Chollar, 79 are busy attending to those who have been brought down with the contagion, and the civil authorities are adopting measures to keep i under control. I have not ye heard of any case which is likely to prove fatal, and sincerely hope there will not be any to report. How the disease first made its appearance among the people here this time is not as yet really known. Rumor has it many ways, anything on this point.

Our Country Contemporaries.

Ogden Junction, Oct. 12-

Arrangements are being made for the organization of a society, for the promotion of scientific knowledge, in this city. A meetng of prominent citizens will be held to-morrow, Friday evening, in the City Hall, at 8 p.m., to take the matter into practical consideration. The pleasant rain of last night and this morning has cooled the done more to squelch the smallpox than a deluge of drugs and potions or a hail storm of pellets and

A week ago last Thursday a wagon. Sheriff Brown was put in alias Sylvester Whitman, a deserter from the army, the Sheriff startof Bear Lake Valley, and brought him to Ogden, securing the horse, gloves and all. The prisoner was taken before Justice Middleton this morning. He plead guilty to the charge of larceny, and was committed to await the action of the grand jury. Sheriff Brown is entitled to great credit for his prompt Beaver Enterprise, Oct. 10-
