FRAGMENTS.

To the Stockholders of the People's Equitable Co-op Association:

We desire to call your attention to the condition of your stock and ask your assistance to make it a success.

In February, 1893, we had \$27,777.50. At a duly called meeting of the stockholders it was decided to sell out our goods, and this has been done to the extent that we now have less than \$7,500. Over \$20,000 in cash has been realized from the sale above the necessary expenses of conducting same. We have left a large stock of goods, many of which are just becoming marketable. We have added a choice line of groceries and can sell you anything you need. Do you wish to help yourself or some one else? If you buy and induce your friends to buy from our store you benefit yourself directly. We have very little indeed. We have a large stock of goods left, and our store, and a loss the best we know of in cash. Help us to whip up the balance of our goods, and then say what you wish done with the business.

Board of Directors
People's Equitable Co-op Ass'n.

To the Public:

We are actually selling the remainder of our Dry Goods, Nations, Clothing, Furnishings and Shoes at half their regular price.

We are being governed in our prices by the present financial crisis, and realize that the people need all that they can get for the least amount of cash. Therefore to miss this great offer would be almost a sin.
