DISTRICT COURT.Thomas Edwards and Other Criminals Enter Pleas of Guilty—  
Sentenced Today.

## ATTEMPT TO DEFRAUD STATE.

Close Call for Theodore Kuchler—  
Wedding Permits—Unknown Cut-  
Off Victim Identified.

In the district court yesterday Thomas Edwards, who was charged with assault with a deadly weapon, pleaded guilty and will receive sentence this morning. Edwards is the young man who claims that Mrs. Bello tried to separate him and his wife and that he believed his wife was unfaithful to him and was going to run away from home with another man; that these thoughts drove him insanely jealous and he endeavored to cut his wife's throat, which he killed her he says he then intended killing himself.

John Derigan and James McAlister entered pleas of guilty to the charge of forgery. These men stole a check out of Mark Murphy's check book last month and forged his name to it, filling it out for \$15. They will receive their sentences this morning.

William Bates, the Ringling Bros' circus employee who, on Aug. 8, assaulted a fellow employee, striking him over the head with an ax, will, it is understood, plead guilty this morning to simple assault and receive a county jail sentence, as the district court has sufficient evidence to convict him of a more serious offense.

**ATTEMPTED FRAUD.**  
An attempt to defraud the state out of \$10.00 was made yesterday afternoon by a man named Charles Andrews from Hogen on the line of the Ogden-Lucien cut-off. Andrews came to Ogden yesterday afternoon, bringing with him the pelts of three mountain lions, four wolves and 20 coyotes, which he took to the office of the county clerk to receive the state bounty offered on these animals. Deputy Clerk W. R. Swan, who has charge of marking all the pelts presented to make holes in their ears with the iron punch, and to his surprise he found that the majority of the coyote holes had no ears and the mountain lions' ears were all gone. Mr. Swan realized that something was wrong, and had Andrews placed under arrest by the sheriff. It developed that on these earlier pelts the bounty had already been collected. County Attorney Hulanicki was consulted on the case, and in finding that the money on the pelts had not yet been paid, Andrews, advised his discharge, but severely reprimanded him. On the pelts that the bounty had not yet been collected on, the four wolves and remaining coyotes, he was given a warrant, amounting to \$33.

**WEDDING PERMITS.**  
Marriage licenses were granted to the following couples:  
Edward L. Bell, 24, and Miss Ora L. Brown, 21, both of Ogden. They were married last evening at the home of the bride's parents, Mr. and Mrs. James Brown, Rev. J. E. Carver officiating. After the ceremony they were given a reception.  
Charles Golden, 40, and Miss Annie Farley, 37, both of Salt Lake City.

**CLOSE CALL.**  
Theodore Kuchler was very painfully injured about 10 o'clock last night as the result of being knocked off a swiftly moving street car in front of his home, 323 Twenty-second street. Mr. Kuchler was going home and, noticing that the car was passing his house, he ran the bell and started out on the back steps. He put his head out just in time to strike one of the center poles hitting a bad gash in his right temple which rendered him unconscious. He was carried into his home apparently dead. Dr. C. A. Wherry was summoned and restored him to consciousness. After making a careful examination the physician gave it as his opinion that there was no fracture of the skull and that the young man would recover. He had, however, an extremely close call.

**DEAD BOY IDENTIFIED.**  
The 16-year-old boy who was killed on the Ogden-Lucien cut-off several months ago and was buried here as an

Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided, however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the use of this wonderful remedy. Sold by all druggists at \$1.00 per bottle. Our little book, telling all about this liniment, will be sent free.

every day and some times there were two or three floods a day. The center of the Price dam has been taken out to the bottom of the river bed, or what has not been taken out has settled, so that the bed of the river is on a level above and below the dam. Yet each side of the dam is still intact, so it will not be such an extensive repair as it was before. There is no water now in the Bloomington canal, as the water has ceased coming down the Santa Clara creek. The third cutting of lumber has just been completed.

The heated term is almost gone, but it still quite warm in the middle of the day. When it is not cloudy, but very pleasant at night.
