ANNIVERSARY OF CHILD FAMILY

Three Hundred Descendants Meet
At Riverdale in Honor of
Pioneer Founders.

PIONEER JOHN BYBEE CALLED

Remains of Nathan Biddulph and Mrs.
Geo. W. White—Murdered Twins
Run Away.

Ogden, Feb. 23.—One of the largest
attended family reunions in Weber
county in a number of years was that
held by the Child family at the River-
dale meetinghouse, yesterday after-
noon and at which were present about
300 descendants of the original pioneer
family of the county. The reunion was
the means of bringing together from
the adjoining counties and states,
the children, grandchildren and great-
grandchildren of the sturdy pioneers.
No subject a day that will long be
remembered.

The program in the afternoon
consisted of short addresses made by some
of the older members of the family.
Included Mrs. Phoebe W. Richardson,
aged 74 years and the last of the
original Child family in Weber county,
who told of the early days of the
family in Weber county; W. G. Child,
P. Child, E. C. Richardson and John
Child. All the speakers spoke of
the family and related numerous re-
miniscences of the same. The
celebrity of the Child family was given
by C. T. Child. The speaking was
interspersed with musical num-
bers and recitations given by younger
members of the family.

When these present were seated at
the dinner, after a rendition of the
program, a photograph was taken by Sooy
and each family will receive a photo-
graph as a remembrance of the oc-
casion. The day's celebration closed
with a grand ball in the Riverdale
hall in the evening.

HUNTSVILLE DRAMATIC CLUB.

sented "Escaped from the Law," at the
Grand Opera house last evening to a

work of the members of the organiza-
tion is commendable and on a par with
many of the dramatic companies that
have appeared here this winter. The
proceeds of the entertainment will be
used to purchase a pipe organ for the
Huntsville ward meetinghouse.

NARROW ESCAPE FROM RIVER.

While returning from Huntsville,
Sunday evening, where they had been
attending to some matters pertaining
to M. I. A. work, a party of young people
had a narrow escape from serious
injury and perhaps death, by one of the
horses slipping into the river. The pres-
ence of mind of the young men saved
the carriage from turning turtle and the
young ladies from serious injury.
The horse was taken from the river
after some difficulty with slight in-
juries. The buggy was broken, which
necessitated the young men walking to
the city.

WASHINGTON'S BIRTHDAY.

Washington's birthday was quietly ob-
served in Ogden yesterday. All the city,
county and most of the railroad offices
were closed. The more patriotic busi-
ness men closed their establishments for
the entire day. There were a few
establishments open until late in the
afternoon. Services commemorating
the birthday of the first president were
held throughout the city Sunday after-
noon and evening.

PIONEER JOHN BYBEE CALLED.

Prominent in the affairs of the faith
which he embraced until death called him
to join those of his associates
who have preceded him to the
great beyond, John Bybee, pioneer
member of the Church of Jesus Christ
of Latter-day Saints, died at his home
in Utah, this county, Saturday after-
noon, a few minutes before 10 o'clock.
He was 80 years of age. He was born in
England and came to this country in
the fall of 1847, coming to Utah with
the following year and settling in Utah
which place he has ever since made
his home. He was a member of the
Mormon battalion, and at the time of
his death he was one of the presi-
dents of the seventh ward. His
wife, six children, 28 grandchildren
and 10 great-grandchildren survive.
Funeral services were held from the
Utah meetinghouse this afternoon.

STANFORD ESTATE.

The will of the late Joseph Stan-
ford, who died in Ogden a short time
ago, and who was followed a few days
later by his aged wife, was filed in
the probate division of the district
court Saturday afternoon. The ex-
ecutors named in the will are Eliza-
beth M. Goodard, Amelia S. Goodard,
Marian S. Wilson and George Y. Stan-
ford, all children of the aged couple.
The estate has an approximate value
of \$2,500, and consists of the home
place in this city and personal prop-
erty.

DEATH OF NATHAN BIDDULPH.

The funeral of the late Nathan Bid-
dulph was held at the Hooper meet-
inghouse this afternoon. Mr. Biddulph

died at his home in Hooper Saturday
afternoon, after several years' illness
from diabetes. He was born in Eng-
land, Oct. 23, 1830, and came to the
United States in 1855. Since his resi-
dence in Hooper, which has covered a
period of 25 years, Mr. Biddulph has
been prominently connected with the
work of the Latter-day Saints Church.
Surviving him are a wife, four sons,
one daughter and nine grandchildren.

FUNERAL OF MRS. LYNCH.

Impressive funeral services were held
at the Methodist church yesterday af-
ternoon at 2 o'clock for Mrs. Eliza-
beth Lynch. The members of the
Women's Relief corps, in which Mrs.
Lynch was an active worker, attended
the services in a body. Rev. G. W.
McCreary, pastor of the church, con-
ducted the services. Appropriate
music was provided by the church
choir. Interment at the city cem-
tery.

TABERNACLE SERVICES.

Brigham H. Roberts of Salt Lake
was the speaker at the regular ser-
vices held in the Ogden tabernacle
Sunday. His subject was, "An
exposition of the Nineteenth Psalm of
David." The choir rendered a special-
ly arranged program, and was assisted
by a quartet composed of Mr. and Mrs.
Jed Ballantyne, Caleb Marriott and
Miss Ruby Goddies, which rendered a
selection from Julian Edwards' can-
tata "Lazarus."

DEATH OF MRS. GEO. W. WHITE.

Mrs. Esther White, wife of George
W. White, passed quietly away at the
family residence, 908 Twenty-eighth
street, Sunday afternoon shortly after
2 o'clock, after a prolonged illness
from dropsy. Mrs. White was born
in England Nov. 1, 1844, making her
64 years of age at the time death ended
her long and useful career. She
came to Ogden ten years ago and has
been identified with the work of the
Latter-day Saints Church since mak-
ing this her home.

RUNAWAY ESCAPE.

The escape of Leonard Mur-
dock, the young girl who has fre-
quently figured in the juvenile court
because of her inclinations to run
away from her home, is again giving
local officers some concern. Leonard
disappeared from the home of her
step-mother, Mrs. C. B. Bybee, who
she has been living by the consent of
the juvenile officers, Monday afternoon.
About the same time officers were
requested to keep a watch for the
girl's twin brother, Leel Murdock,
who left the ranch of his father, James
Martin of Fort West with a horse and
buggy belonging to his employer. The
girl joined her brother in Ogden
after he had driven to the city and
then stayed for Salt Lake City. They
were intercepted at Layton by
Sheriff Wade and were returned in this
city.

PASSENGER ROBBED.

The police department is following
clues which they hope will lead to
the arrest of a young negro woman
who relieved a through passenger of
the Union depot Saturday night of
his roll, amounting to \$25. The vic-
tim arrived in the city with his wife
and children late in the afternoon.
While awaiting his train he walked
about the city and he said to have im-
billed too freely of the "cup that
cheers." As he passed the corner of
Twenty-seventh street and Main
avenue the woman accosted him, and
in the few minutes' conversation, sepa-
rated him from his roll. He dis-
covered his loss shortly afterwards,
and reported the matter to the police.
One of the bills was a \$10 gold cer-
tificate, one a \$5 gold certificate, and
the others bank notes. The name of
the stranger was not made public.

ROBBER IN ROOMINGHOUSE.

Golomb Youngberg, guest at the El-
dorado roominghouse, reported to the
police Saturday night that he had
been robbed of his suit case during

proper efforts, and right living generally.

his temporary absence from the room.
To add to his troubles, when he re-
turned, his landlady informed him
that the room had been rented to an-
other guest. Youngberg says that his
landlady told him she saw someone
about his size enter the room briefly
and leave with the suit case. Think-
ing that this person was Youngberg
preparing to vacate the room, she
called it to another guest who came
in a short time afterwards. The police
believe they have a good clue,
which will probably lead to the arrest
of the thief and the recovery of
Youngberg's property.

Extension and Improvements Planned
—U. S. C. Cadets' Annual Ball.

Special Correspondence.

Logan, Cache Co., Feb. 22.—Engineer
L. H. Humphreys of the U. S. Recla-
mation service now on furlough, and
the directors of the West Cache canal
have just returned from a tour of in-
spection of the company ditch and
although this has been an unusually
hard winter the big ditch is in fair
condition. Work has been planned to
make it possible to turn the water in
by April 1. The greater part of the
ditch dry farm country under the canal
will be planted to beets this year and
from present indications there will be
plenty of water which is encouraging
to the farmers. A number of per-
manent improvements have been plan-
ned. A steel flume will be constructed
across Battle Creek and a flume is
now under construction across New-
ton creek. An extension of the canal
which will be made this spring will
make it possible to water several hun-
dreds acres additional this season.
The annual military ball of the U.
S. C. cadets will be given in the Audi-

tention to the patent dust pan, besides the many advantages that this machine has over others. There is
a complete set of nickel plated attachments and accessories given with each machine, consisting of a black
