READ notice to tax-payers of 12th Ward School District of meeting to elect trustees, Feb. 29.

MR. WILLIE GILL will appear as "Joe Swaggins" in his new comedy of "Built on Sand," at the Theatre to-night.

WHAT is the reason of the great success that attends "Alder" in his business?

BECAUSE he sells the best Boots and Shoes, Hats and Caps, Gent's Gloves, Furnishing Goods, etc., at prices unequalled in this city. Wholesale and retail.

Ladies are generally very good-natured when they experience the marriage ceremony, but at Marquette, the other day, a girl was married and it made her Riley.

**JAMES OSTERMANN** respectfully informs his friends that he has opened a Grocery and Provision Store, five doors below the Washatch Drug Store, East Temple Street, where they can find a choice stock at lowest rates. d63

**\$1,000 Reward!**

ONE thousand dollars offered by Dr. C. W. Higgins for any cancer that returns after his treatment with one of his vegetable cancerous plasters. There is no danger in applying these plasters, they only destroy the cancer and the cancerous matter that is in the blood; they will restore health and happiness to those that are afflicted with that dread disease, cancer. Dr. H. makes a specialty of chronic diseases. Dr. H. has performed some wonderful cures since he commenced his practice in this city. He is receiving testimonials every day from patients that have been cured by his new mode of treating chronic diseases. Afflicted, call and see for yourselves. Office one door north of the Walker House. Consultation free.

MR. GRIFFIN is the oldest woman in Chicago. She asserts her longevity to marrying when past 25. That's consoling for ladies who have "turned the corner."

**OVERSHOES, Rubber Boots, etc.,** soled, heeled and repaired at the Workmen's Co-op., 90 Main St. d62

**NOTICE.**—T. G. M. Smith, custom Boot and Shoemaker, respectfully informs his numerous friends that he has removed from First South Street to first door south of J. McDonald's and second door north of Stevens & Co., East Temple St. He thanks them for past favors and solicits a continuance of their patronage. d61

**ADOLPHE HAUSERBACH,** practical Watchmaker, has removed next door to Thomson and Lyneberg's, First South Street. d61

**IMPORTANT TO THE TRAVELING PUBLIC.**

It is the duty of all persons before starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the last two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

The Depot in Chicago is centrally located, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making Eastern connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburgh Fort Wayne & Chicago, Rock Island Line and Pan Handle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets by the Old Pioneer Route.

The Chicago and North-Western. You will find on all through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class Cars now on any road in the United States.

Particular information, with maps, time tables, etc., may be had at any of the Through Ticket Offices in the West, or upon personal or written application to J. W. Irons, Ticket Agent, Salt Lake City; A. H. Earl, Ticket Agent at Ogden, or to J. H. Mountain, Western Traveling Agent, Omaha, Neb., or to W. H. Stenpet, General Passenger Agent, Chicago. d64

The late Julia Smith, of New York, bequeathed her husband \$1 and her fortune to the remainder of her life. Some people's forgiveness is so small.

**REASONS WHY.**—The reasons why Dr. Price's True Flavoring Extracts, Lemon, Vanilla, etc., are superior to all others is because they are prepared from the choicest selected fruits and aromatics, without coloring or poisonous oils, that all the flavoring principles are retained unchanged by chemical action, highly concentrated, requiring less to flavor, that there is no deception in bottles as they hold half more than those sold for the same size. That they are in every particular like his celebrated Cream Baking Powder—perfect.

**CHAMBER'S ENCYCLOPEDIA.**—Messrs. J. B. Lippincott & Co., of Philadelphia, announce that, by a recent purchase, they have become the sole proprietors of the "Chamber's Encyclopedia," and are thereby enabled to offer the work at much lower rates than hitherto. In the course of the recent thorough revision, the American edition was edited with the special view of supplying the wants of American readers. It also possesses a special attraction in containing a series of over seventy-five full-page engravings not contained in any other edition. d50

Bar live Geese Feathers at 80 cents a pound, and all kinds of Fancy Feathers very cheap at Dinwiddie's.

**PURE OLIVE OIL.**—Constantly on hand the genuine article directly imported from France, for sale by Louis A. Bertrand, at his residence, half a block west from the Valley House and three doors from the Utah Hotel, and by Mr. Riser, watchmaker, opposite the Herald Office; price from fifty cents to two dollars, according to the size of the bottles.

As a Frenchman, I do testify that my olive oil is the very best in the market. d8

**BE WISE IN TIME.**—Consumption is a disease that the victims seldom believe in until too late. It is one of the surest symptoms of the malady, for the patient to insist that the cough "amounts to nothing"—that there is no danger. Beware of this fatal incredulity. Stop the cough before it reaches a fatal point, with that most wonderful of all pulmonics, Hale's Honey of Horehound and Tar. Even when half the lungs is gone it may save the other half and prolong life.

**PIKE'S TOOTH-ACHE DROPS.**—Cure in one minute.

**Don't Hack, Hack, Cough, Cough!**

Cough is a symptom by which various diseased conditions of the throat, bronchial tubes and lungs manifest themselves. But whether it arises from the irritation produced in the throat and larynx by taking cold, from an attack of Bronchitis, from impure air, Consumption, or from various other causes, nothing will allay it more speedily or cure it more permanently than Dr. Price's Golden Medical Discovery. It does not make whether it be a recent attack, or a lingering cough, the Discovery is in either case equally well adapted for its relief and permanent cure. It fact, it will cure a cough in one-half the time necessary to cure it with any other medicine, and it does it, not by drying it up, but by removing the cause, subduing the irritation, and healing the affected parts. No time should be lost in commencing the use of a proper medicine for the relief of a cough, for unless this course is pursued, serious and dangerous diseases of the lungs are liable to result. Golden Medical Discovery is sold by all dealers in medicines.

**Six Months.**—The trial of George Lewis, three card monte man, indicted for gambling, was concluded to-day. The jury returned a verdict of "guilty as charged," and the Court sentenced him to imprisonment for six months.

**A Fine Time.**—The present Winter hereabout is acknowledged to be the mildest known since this valley was first settled. It is a most uncommon thing for the residents of this city to see the streets clear of snow almost all Winter, and the dry and sometimes dusty. This February, so far, has been exceedingly fine, something like the February of 1853.

**The "Solar Spectrum."**—On Thursday evening Mr. C. R. Savage will deliver a lecture, under the auspices of the 20th Ward Institute, on the "Solar Spectrum," at the School-house of that Ward, commencing at half-past seven. The lecture will be illustrated with experiments, and will, as that gentleman's lectures invariably are, be both entertaining and instructive. The public are invited to attend free of charge, and a special invitation is given to the young, who should turn out and be there in force.

**The Haskins Habeas Corpus Case.**—The case of George Haskins came up in the United States District Court yesterday morning. It will be remembered that Haskins was arrested here on a requisition from the Governor of Utah, where he had been indicted for perjury. Afterward Governor Booth revoked the warrant of arrest, and Haskins was released. He cannot be taken to Utah without an order from the Court. The question of the Court's jurisdiction was argued yesterday morning and the case taken under advisement. —S.F. Chronicle, Feb. 7.

**Valentine Festivities.**—We acknowledge complimentary invitations to attend an "Annual Ball for the Benefit of the Sixteenth Ward Sunday School," on Saturday evening (St. Valentine's Eve), Feb. 13th. The festive hours, we understand, are not to be confined

to dancing alone; but sources of chaotic amusement are to be provided for those who wish relaxation from the dance or who desire dancing, in checkers, examination of stereoscopic views, transmission of the tender missives, and other social pastimes, with valentines, refreshments, and post office attached.

On the previous evening, Friday, 12th, a juvenile dramatic entertainment will be given in the same place, also for the benefit of the Sunday School, in which, we are informed, nearly one hundred young people of the Ward will participate.

**Theatre.**—Last evening, previous to the rising of the curtain, Mr. Marten stepped in front thereof, and, in behalf of Mr. Gill and the Management, apologetically informed the audience that at a quarter to seven o'clock, at the instance of "Mark Twain," Mr. Raymond being inclined to treat for its presentation by Mr. Gill, an injunction had been served upon Mr. Gill, forbidding him to play the dramatization of "Mark Twain's" novel of "The Gilded Age." Consequently another programme was a necessity, and the drama of "All that Glitters is not Gold" was presented, followed by the farce of "A Kiss in the Dark." Mr. Gill appearing as "Toby Twinkle," and Mr. Graham as "Selim Pettibone." The substituted bill afforded considerable entertainment to the audience and was liberally applauded.

This evening Mr. Gill appears as "Joe Swaggins," a reporter in a chronic state of beer," in his own new three act comedy of "Built on Sand," with Miss J. C. Walters as "Thirza Blakely," Miss Cogswell as "Lizzie Dashi," Miss D. Clawson as "Sophia Dashi," Mrs. Douglas as "Mrs. McWak," Mr. Lindsay as "Walter Langton," Mr. Marden as "John Blakely," Mr. Foster as "Morton Pensquill," Mr. Graham as "Sir Finny Kinn," Mr. Willson as "Jerumma."

Act 1.—Joe Swaggins on the Ham-page.  
Act 2.—The Fete. The Surprise.  
Act 3.—The Election. The Fiction a Reality.

**The News Weekly.**—The DEEREET News Weekly for to-morrow, Feb. 10, contains "The Banditti Dispatch;" "From Republicanism to Empire;" "Admission of Colorado;" "Killed by Whisky;" "Pilgrims and Puritans;" "Discourses" by Elders A. Carrington and C. C. Rich; "Utah Excepted;" "The Grasshopper Lands;" "The Cold Snap in the North;" "The Next U. S. President;" "Very Hopeful;" "Roman Catholic Jubilee;" "Another Standing Subject;" "A Good Country;" "Ups and Downs;" "Manifestly Fair;" "Partisanism;" "More Gold and Silver;" "Restraining Evil;" "Humboldt;" "A Governor;" "Iron Manufacture;" "Honesty the Best Policy;" "The Senate;" "Why He Did Not Give the Certificate;" "O! What a Fall Was There;" "Utah the Great Bar;" "The Louisiana Bungle;" "Co-operative Home;" "Dancing and Religion;" "No Hope for the South from this Congress;" "Relative Size of European Theatres;" "R. R. Freight Traffic for January;" "Crimes, Casualties, etc." for the last month; "School Teachers Institute;" "The Utah Delegate;" "Congress and the Territories;" "Poetry;" "Notes" of various kinds; "Brevelines;" "Correspondence" and "Dispatches" from all parts of the world; "Local News;" etc. Sixteen pages and eighty columns of matter. One of the largest, cheapest, and best family papers published. Should be on everybody's table.

**Debates.**—A person from one of the northern settlements, in speaking of a young men's improvement association in the place where he resides, the other day stated that a part of the exercises engaged in were debates on various questions propounded. According to our observation and best judgment we are led to the opinion that what are generally termed debates should be omitted from such associations among the Latter-day Saints. There are many reasons for this, one of which is that when a person, in some form, false premises his conclusions must necessarily be more or less incorrect and he must, by doing so, inevitably cultivate a habit of sophistication, which frequently leads people to infidelity, or perhaps worse. Reasoning from false premises instead of cultivating conscientiousness has the effect of tending rather to cunning and prevarication than to straightforward, truthful utterances.

In what are generally called debates, some of the parties engaging in them are forced into the necessity of reasoning against truth, and frequently their own convictions. When a question is put up for debate and the affirmative is right, the negative must of necessity be wrong, and the party reasoning in support of the latter has either to resort to sophistry and cunning or give up the contest, not having the support of truth on his side.

We might enlarge upon this subject were it deemed necessary, but a hint on the matter should be sufficient. Whatever does not tend to improve, and conduce to correct and truthful conclusions, should, in our view, form no part of an institution having for its object the culture and improvement of the mind, and that debates do not tend exclusively in that direction we are well convinced. When subjects are discussed the truth can be more readily reached by each participant bringing to bear on it all the light he may possess or be able to obtain.

**Hatching Apparatus.**—Hon. A. P. Rockwood has just had some hatching apparatus made at Henry Dinwiddie's establishment, in this City, for his Fish Farm. The apparatus consists of a box twenty-four by eighteen feet, divided into various compartments, and constructed in such a way as to insure

the flowing through all the subdivisions of a stream of water.

**Excursion Party.**—The Utah Western railroad being now finished to Clinton, Lake Point, a company of ladies and gentlemen left this city on a pleasure trip to the present western terminus at two o'clock this afternoon, expecting to get back by five this evening.

**Died in Jail.**—This morning a man named James Clegg, the person who, accompanied by a woman, made a living by going around the city begging, died, in jail, of pneumonia, a disease of which he has been suffering for some time, and which was probably superinduced by hard drinking and exposure. The city quarantine physician, Dr. S. B. Young, has been attending him professionally. We understand a post mortem examination was to be held over the body to-day, by Coroner G. J. Taylor and a jury.

**More Fire.**—At three o'clock this morning there was another alarm of fire. This time it was at the Railroad Depot, where the devouring element had caught a passenger car of the Utah Southern. The major portion of the upper part of the car was consumed, but the running gear remained intact. The members of the fire department again showed their usual activity and readiness to save property by hastening to the spot with their apparatus.

The interior of the car must have caught fire from the heating stove.

**Twentieth Ward Sunday School.**—This was a party for the pupils of this useful institution, at the Schoolhouse of that Ward, yesterday afternoon, when the little folks tripped around gaily, enjoying themselves until evening. After that the bigger folks met and diverted themselves in the social dance, the proceeds of the affair to go to aiding the Sunday school cause in the Ward. Elder George Reynolds is superintendent, and is aided by a corps of willing teachers, who, like himself, take delight in instructing the minds of the youth.

There is no nobler cause than that of that leading aright the tender minds of the rising generation.

**The British Mission.**—The following is from the *Millennial Star* of Jan. 12—

"Appointments.—Elder Edward Snelgrove is appointed to labor in the Manchester Conference, under the direction of Elder H. S. Gowans.

Elder George L. Farrell is appointed to labor in the Nottingham Conference, under the direction of Elder F. M. Lyman.

Elder William L. Binder is appointed to labor in the Glasgow Conference, under the direction of Elder R. T. Burton.

Elder Robert Hoag is appointed to labor in the Glasgow Conference, under the direction of Elder David McKenzie.

Elder H. Hughes writes from Cardiff, Dec. 23, 1874—"Brothers Williams and Thomas and myself are enjoying good health and spirits, we have baptized seven since I last saw you in London. Our visits among the Saints are appreciated, and a rule is being made to be very careful of their means, and quite a number making preparation to emigrate by the first company." Also under the date of Jan. 7, 1875, from Merthyr—"We have baptized five persons since I wrote you last."

Elder E. N. Freeman writes from Sheffield, Dec. 19, 1874, and Jan. 8, 1875—"Brother Peter Barton and myself are well in health, and feel well in our labors; in our travels we have had many opportunities of conversing with those not of our faith, in which we take pleasure, as it seems we can accomplish almost as much good in this way as by preaching. We extend our acquaintance, we trust to great profit, in allaying the prejudices that arise in the minds of the people in regard to the Latter-day work. There is a good spirit manifest among the Saints of this Conference. We baptized one young woman at Chesterfield two weeks ago."

Elder Wm. Greenwood, under date Jan. 4, 1875, writes from Wyandham—"I feel glad to inform you that my health is much improved since I last wrote you. Quite a number of the Saints are making conversions, and we are enjoying the coming season."

"Bristol, Jan. 1.—Since the date of my last I have held meetings in Taunton, Crewkerne, Broad-Weir, and in the latter place, I have had a connection with Elder B. H. Watts. It will be a great blessing for the Saints here, and in other places to be gathered. More particularly those who have been in the Church from fifteen to thirty-five years. They merit our sympathy and our love."

"EDWARD HANHAM."

"Oortchem, Holland, Dec. 14, 1874.—Having been here a little while and become acquainted with the mission, I take pleasure in furnishing you a brief account of the general condition thereof.

"The Saints, though few are honest, hard-working, and will try to live their religion. The circumstances surrounding them, in some instances are very trying. I have been well treated whenever I have been among them. They take much interest in the suggestions I make in regard to them living their religion."

"The majority are now paying tithing, and that too cheerfully; their way of them are saving for their deliverance."

"I am now translating 'Divine Authority,' or the question 'Upon What Do We Stand?' by Joseph Pratt. I feel encouraged in the work and enjoy my mission, and learn more and more to appreciate the workings of the Spirit of God."

"D. BOCKHOFF."

If two-thirds of the American newspapers were forced to cut down their size 25 to 50 per cent., and get the same matter into the reduced space, it would be occasion of rejoicing both for their creditors and their readers.—*Springfield Republican.*
