

SENATOR MITCHELL WILL BE ARRAIGNED.

Also Congressman Williamson, his
Partner and Marion Biggs,
This Week.

HERMANN'S TURN COMES NEXT

Cases in Which Pleas Will Be En-
tered Are the Oregon Land
Fraud Ones.

Portland, Or., April 9.—During the present week United States Senator John P. Mitchell, Congressman J. N. Williamson and his partner, Dr. Van Gessner, and Marion Biggs will be arraigned, and on Monday, April 17, Congressman Binger Hermann's arraignment will occur upon indictments returned by the federal grand jury in connection with alleged land frauds upon the United States government in this state.

Tomorrow a motion in abatement in behalf of Henry P. Ford and others will be filed on the grounds that John Guiton, one of the members of the recent grand jury, is not a naturalized citizen, and that therefore all the acts of the grand jury have been null and void.

The indictment which Mr. Mitchell will plead to is the one which involved the now famous co-partnership agreement of the law firm of Tanner & Mitchell, and which caused Judge Albert H. Tanner to make his sensational confession. It is the one which charged the government with conspiring with Mitchell's private secretary, Harry Robertson to Portland. Robertson's testimony, like Judge Tanner's confession, concerned alterations made last December in the co-partnership agreement dated April, 1902.

On next Friday Congressman Williamson, together with the co-partnership agreement of the law firm of Williamson & Gessner, and Marion Biggs, ex-United States land commissioner at Princeton, Or., will be arraigned to answer the charges in the indictment returned Feb. 11 last, accusing them of suborning of perjury in the alleged fraudulent acquiring of public lands near Princeton, on the east slope of the Cascade mountains.

Congressman Binger Hermann is expected to leave Washington, D. C., Tuesday and to arrive in this city Sunday or Sunday next. In case he arrives here in time he will be arraigned on Monday, April 17, upon the indictment returned Jan. 31, charging him with entering into a conspiracy with Senator Mitchell and S. A. D. Putter to expedite through the general land office alleged illegal land claims in the "12" district of the Cascade forest reserve.

The plea in abatement in behalf of Ford et al, is the most far-reaching move yet made in the land fraud cases and if successful will completely undo all work so far accomplished by the grand jury.

Ford and others, it will be remembered, were indicted on a charge of having conspired to impede the work of a government official by undertaking to bring the good name of Mr. Henry into disrepute and in that manner cause the department of justice to dismiss him.

The ground for the motion is that George Guiton, a native of Austria, is not a naturalized citizen of this country and therefore was not qualified to serve as a grand jurymen.

According to government officials, Guiton came to this country more than 20 years ago. About 20 years ago he obtained naturalization papers in San Francisco, Cal., and some years ago he returned to Austria on a visit, procuring before he went, a passport from the United States government, which the government asserts, is prima facie evidence that Guiton is a citizen of the United States.

Guiton now has his original passport, but some years ago, securing a passport from the United States, it was necessary to send the naturalization papers to the general land office at Washington. The papers were never returned and, according to government officials, all trace of them has mysteriously disappeared.

Mr. Henry went over the matter with Guiton before Guiton was allowed to participate in the deliberations of the grand jury and thinks that possession of the passport, together with the fact that the government is able to show by the records of California that papers were issued to Guiton, will establish beyond any question Guiton's eligibility to act in the capacity of jurymen.

It is, however, upon the grounds that Ford cannot show his papers that Ford bases his plea that George Guiton is not naturalized and will ask the court to void the indictment.

A WOMAN'S ORDEAL

DREADS DOCTOR'S QUESTIONS

Thousands Write to Mrs. Pinkham, Lynn, Mass., and Receive Valuable Advice Absolutely Confidential and Free

There can be no more terrible ordeal to a delicate, sensitive, refined woman than to be obliged to answer certain questions in regard to her private ills, even when those questions are asked by her family physician, and many

Mrs. T. C. Willadsen

continue to suffer rather than submit to examinations which so many physicians propose in order to intelligently treat the disease; and this is the reason why so many physicians fail to cure female disease.

This is also the reason why thousands upon thousands of women are corresponding with Mrs. Pinkham, at Lynn, Mass. To her they can confide every detail of their illness, and from her great knowledge, obtained from years of experience in treating female ills, Mrs. Pinkham can advise women more wisely than the local physician.

Read how Mrs. Pinkham helped Mrs. T. C. Willadsen, of Manning, Ia. She writes:

"I can truly say that you have saved my life, and I cannot express my gratitude in words. Before I wrote to you telling you how I felt, I had doctored for over two years, and spent lots of money in medicines, but it all failed to do me any good. I had female trouble and would daily have fainting spells, backache, bearing-down pains, and my monthly periods were very irregular and finally ceased. I wrote to you for your advice and received a letter full of instructions just what to do, and also commenced to take Lydia E. Pinkham's Vegetable Compound, and I have been restored to perfect health. Had it not been for you I would have been in my grave today."

Mountains of proof establish the fact that no medicine in the world equals Lydia E. Pinkham's Vegetable Compound for restoring women's health.

THREE MEN SHOT. ONE PROBABLY FATALY. IN A RIOT

Pittsburg, April 9.—Three men were shot, one probably fatally, and one woman was injured in a riot at Schoenerville, near McKee's Rocks, today. The rioting was the result of a clash between 15 detectives and about 1,200 foreign residents of Schoenerville. The rioters are:

Harry Lukaszewski, aged 24; shot, may die.

Edward Rider, assistant chief of police of McKee's Rocks, hit on head with brick and seriously injured.

Name of third man not known.

Mrs. Agnes Sadina, a Polish woman, over whose arrest the riot started, was bruised in the scuffle but escaped.

The riot was a climax of a series of smaller riots at Schoenerville recently. During the arrest of some coal packers last Friday by railroad detectives, Mrs. Sadina interfered and caused a small riot. The detectives were driven out of town.

With her 4-year-old child in her arms she attempted to fight the posse and called to her countrymen for assistance. The officers, after taking the woman into custody, were surrounded by a crowd of men who used as weapons bricks, beer bottles, clubs and stones and rescued her. The posse finally was allowed to get out of town.

A portion stopped near Chorozy, three miles north of Taulushu.

"The enemy's loss, judging from the corpses left behind and from the number of carts carrying wounded and killed, were over 60."

SEAT OF GOVERNMENT IS NOW ON WHEELS

At Present Located in a Suite of
Rooms in Hotel Worth,
Fort Worth, Tex.

SECY. LOEB RUNS THE BUSINESS

President is in Kiowa Comanche Indian Reservation, Hunting Coyotes and Jack Rabbits

Fort Worth, Tex., April 9.—In a suite of rooms on the parlor floor in the Hotel Worth in this city the seat of the United States government has been temporarily established. In the absence of the president, who is hunting coyotes and jack rabbits, over in the Kiowa-Comanche reservation in Oklahoma, government business is given attention by Secy. Loeb.

Most of the business will be acted upon by the secretary and directed to the various departments in Washington where it originated. That which requires the personal supervision of the president will have to wait until Thursday, for it is not until then that communication will be had with the hunting party.

After delivering the president into the hands of the western friends who have undertaken to furnish him with wholesome recreation for a few days, the officials boarded the special and returned to this city. It reached here at 3 a. m. and at 10 a. m. the party went to the hotel and opened headquarters.

It had been expected there would be an accumulation of mail but for some reason the local postoffice forwarded it to Frederick, Okla., where the president had been left. It was necessary to telegraph for the return of the mail and most of it will not arrive until tomorrow.

In the meantime the official party is enjoying a rest.

Secy. Loeb expects to receive word from the president to run the special train to Frederick on Thursday, and on that day start for western Colorado, to which point the president will go for the purpose of finding larger game than abounds in the Red river in Oklahoma.

According to present plans the public part of the trip west is ended. It is not expected any stops will be made until the train reaches Colorado Springs, and then a stop of two hours will be necessary, but not for the purpose of speechmaking.

THE PRESIDENT IN CAMP.

Frederick, Okla., April 9.—President Roosevelt and party left Frederick shortly before 7 o'clock yesterday evening and arrived at the camp, 18 miles southeast of town, a little after dark. The camp is nestled in a time-fringing the bank of Deep Red creek, in a picturesque spot, and when the president arose at 6:15 this morning and first beheld the vast panorama of virgin soil without a sign of civilization except camp, he said he felt at home.

In the hunting party besides the president are Gen. S. M. B. Young, U. S. A., Col. Cecil Lyon of Sherman, Capt. Burke Burnell, Sloan Simpson, Lieut. G. R. Portersue, Dr. Alexander Lambert of New York, J. R. Abernathy of Frederick and two ranger captains, U. S. Marshal Bill Fossett of Guthrie and L. D. Miller, one of the owners of the great "10" ranch.

William Thanks Emmanuel.

Messing, April 9.—Emperor William spent the whole of the day with his family. He was greatly pleased to find Prince Elitel completely recovered. From the Italian battleship Dandolo the emperor sent a wireless message to the king of Italy thanking him for his magnificent reception, adding that he was glad to send him a salute from the beautiful ship. He will leave during the night for Corfu.
