TALK OF THE TOWN.

A fine day.

A load of sawdust broke down on Main Street this morning. Weak axle.

The Weber Stake Conference will be held in Ogden on Saturday and Sunday.

John C. Graham, Esq., editor of the Territorial Enquirer is in town. He returns south to-morrow.

Park City was burned to ashes by Madame Rumor yesterday afternoon. Some people must talk or burst.

W. W. Burton, Esq., of the Ogden City Council and in the firm of Herrick, Burton & White, is in town on business.

The commemoration of the 77th anniversary of the birth of Sister Eliza R. Snow, will take place in Ogden on Sunday.

Sheriff John W. Turner, of Utah County, is in town. He leaves to-morrow for Tooele County. He is hunting some "one."

The committee of relief, on behalf of the Alta sufferers, have been canvassing for funds since morning. The responses have been generous, as was looked for.

Today is the birthday of Dr. Ellis R. Shipp, of the 11th Ward. The event was celebrated this afternoon by a pleasant little party at his residence.

The case of the London Bank of Utah (limited) vs. Wells, Fargo & Co., on appeal to the Supreme Court, has been submitted after argument, for the consideration of the judges.

Elders Joseph W. Burt, and Alfred Best, of this city, are on the way home. They left New York last night for the west. Ill health was the cause of their being released from the British Mission.

Fanny Fullerton is in limbo again. A gallant and dashing dandy, "gentleman," who interfered with the officers arresting her, got himself into trouble. The two were before the police magistrate this morning and fined.

Bishop George Halliday, of Santaquin, is in town. His youngest daughter, Clara, was married today to Mr. Frederick Tjellen, of Santaquin. See notice elsewhere. The young and happy pair will accept our earnest congratulations.

We regret to learn that Mr. A. H. De Clair, who played with the Home Dramatic Club during the holidays, is at present in a very low condition from hemorrhage of the lungs. He took a cold while in Nevada, from which he has never since recovered.

If it's any of our business, we would like to know why some of our exchanges reach us, sometimes not at all, and at other times by mail following the one which bears the same paper to other subscribers in this city. Will the Junction, for instance, explain?

A party of seven or eight young men went skating last evening, down in the old adobe yard. One of them discovered a square cut hole in the ice, but not in time to prevent his falling into it waist deep. A sore throat and a change of clothing were the results.

A grand typographical ball will be given in the 12th Ward Assembly Rooms on Thursday evening, Jan. 27th. Olsen's band; Currie, promoter. It will be a big affair, and, like all the parties given by the volantes of the "art preservative," a thoroughly enjoyable success.

Studebaker Brothers' Manufacturing Company issue a handsome printed New Year's address to their friends and patrons. It is a neat little circular, well composed and nicely printed in blue and gold. The motto of the firm, "Labor omnia vincit," adorns the first leaf.

Seventies Meetings.—The Seventies of Utah Stake were organized on Sunday last. The Stake organization has, as its presidency, Elders Karl G. Maeser, Lars P. Nelson, T. M. Coombs and Warren B. Smith. The visitors from this city were Elders John Van Cott, H. S. Edredge, W. W. Taylor and Robert Campbell. The meetings were of an interesting character. The Enquirer publishes the proceedings in extenso.

Y. L. M. I. A. Anniversaries.—The anniversary of the Y. L. M. I. A., of the 17th Ward, was nicely celebrated on Tuesday last, at the residence of Sister Maria Y. Douglass. Vocal and instrumental music and other features went to make up a very pleasant little entertainment. The opening address was delivered by Sister Hannah T. King. The supper which followed, was elegant.

An event of a similar kind is being held in the 12th Ward.

A Would-be Suicide.—And now

Ogden has a case of attempted suicide. Last evening's issue of the Junction says:

"A would-be suicide, in the person of a man named Harris, was caused in this city by a report that his wife, Mrs. J. Harris, had taken poison, and that he had been informed of her recovery. As far as we have learned, the circumstances of the case are as follows: Last evening young Harris, in company with his father, Mr. J. Harris, attended the performance at the Union Opera House. At the conclusion of the piece, Harris invited his father to accompany him home to sleep. Harris accepted, and about 12 o'clock the two parties reached Mr. Harris's residence on Main St. and proceeded to Harris's room. While the latter went out to the pump, to procure a drink of water, his usual custom before retiring, Harris went to bed. Harris returned to the room, and proceeded to drink something from a small vial. Harris asked his father if he was drinking, and the reply not being satisfactory, the former became alarmed, and springing from the bed, discovered that his companion had taken a large quantity of laudanum. Harris gave the alarm, and the father, with other members of the family, were aroused.

Dr. Carnahan and Powers were sent for, and were soon on the spot. As no stomach pump could be procured, strong emetics were administered. Both medical gentlemen made most assiduous attention during the rest of the morning, and although it seemed for several hours that the case might terminate fatally, we were informed, at 2 o'clock this morning, by one of the medical gentlemen in attendance, that strong hopes were entertained of the young man's recovery."

So far the patient has given no reason for his rash attempt upon his life, and it will be several days before he will be able to communicate it to anyone.

The American Fork Snowslide.—The Enquirer has this to say of the recent snowslide in American Fork Canyon:

"The storm that raged over the Cottonwood Canyon on Thursday night last appears to have been as violent at the head of American Fork Canyon. About the same time that the snowslide occurred which carried away the Grizzly boarding house in Little Cottonwood, one also occurred at the Pittsburgh mine in American Fork Canyon, which swept away the boarding house in which there were three men—Doc Sperry, John Poole and a Chinaman. The "doc" and Chinaman escaped without injury, but John Poole, who was in bed at the time, was buried in the snow, and notwithstanding that efforts were made by the miners in the vicinity to dig out the body, they had failed up to Sunday last to find it. A party of twenty men left Alpine on Sunday to assist in the search, but with what success we have not yet learned.

Poole is a young man aged about twenty-one years and lived on American Fork bench.

We obtained the above information from a reliable source on Monday, but on reading in the Salt Lake Herald the statement that "Doc" Sperry had been also killed by the snowslide, we telegraphed on Tuesday afternoon to American Fork for facts, and received the following:

(Special to the Enquirer.)

AMERICAN FORK, Jan. 18.

Doc Sperry is not dead and only slightly bruised. He went and as advised in the recovery of the body of John Poole, which was brought home at noon today.

JOHN PETERS.

Back Again.—Brother Henry Grow, Jr., of this city, returned on Sunday from a three months' tour through northern Utah, principally in Bear Lake County. He went as a traveling agent for this office, selling Church works, pamphlets and other publications, and succeeded even better than he anticipated. He will next go to Cache Valley and canvass it thoroughly. The people, he says, seem very anxious to possess the Church books, and they sold readily wherever the necessary means were on hand. We congratulate Brother Grow on his success and trust it may continue.

Able to be Out.—We are pleased to state that Apolites Orson Pratt and Charles C. Rich, have so far recovered that both were able to be out yesterday attending their quorum meeting. Brother Rich speaks quite freely, and although he has not regained, entirely, the use of his paralyzed side, the tingling sensations experienced indicate that feeling is gradually returning. We congratulate both the brethren on their improvement, and trust we will soon have the satisfaction of chronicling their complete restoration to health.

The Snowslide Victims.—The Alta snowslide victims, nine in number, arrived in the city last evening, as anticipated by a special to the News yesterday afternoon. There was one name omitted by the operator, that of Charles Borbridge, whose remains came also. Sexton Taylor took charge of eight of the bodies, but that of Mr. B. Lee was surrendered to the Knights of Pythias. Mr. Borbridge's remains will be sent to Ottawa, Canada. The six others will be buried here by the Sexton at 1 p.m. to-morrow afternoon.

Our Constitution Broken.

How often we hear people coughing, hacking and spitting, and yet nothing of it, until some of their friends say to them: "Why, Joshua, why, Martha," or whatever their names may be, "how poor you are getting; your cheeks and eyes are sunken, skin looks yellow, and do not look like the same person who I saw you last year. This is all caused by neglect in not breaking up a slight cold as soon as it appears, which can be easily done by purchasing and using a bottle of HALL'S HONEY OF HOREHOUND AND TAR, only 50 cents and \$1 per bottle at all druggists, and at Crittenton's, Patent Medicine Warehouse, No. 2 Sixth Avenue, New York City. IT IS TRULY WONDERFUL

TO SEE what improvements now exist as compared with railway travel only a few years ago. To become convinced of this, one has only to select for his route East, the popular and well-known
