AFFAIRS OF WEBER COUNTY

Former Commissioner Joseph Stanford Appointed Poor Clerk At Salary of \$80 Per Month.

CAR BLOWN UP BY POWDER.

Brakeman T. W. Murphy Injured—Funeral of Banker Guthrie—Damage Suit Compromised.

Ogden, Nov. 13.—At the session of the county commissioners yesterday the board appointed former Commissioner Joseph Stanford as poor clerk at a salary of \$80 per month. Mr. Stanford has been acting in that capacity since he tendered his resignation as a member of the board. He has perhaps a better knowledge of that class of the county work than any other person, due to the fact that he has handled it for so long and his appointment will permit the county to continue the handling of the indigent people along the same lines heretofore adopted.

The petition of the Utah Light & Railway company, asking for that company the right to construct and maintain a system of poles and transmission lines along all of the county roads for a period of 50 years, was granted. The application for the franchise was presented at the previous session of the board. The purpose of the franchise is to enable the power the franchise to extend their system to the smaller settlements of the county. In this connection it is said that they will spend at least \$300,000 in this county.

CAR BLOWN UP.

Ogden, Nov. 13.—While the train was running at full speed, a consignment of powder loaded into a car of merchandise in a Southern Pacific train, exploded, blowing off the upper part of the car and painfully injuring a brakeman named T. W. Murphy of this city. Although the explosion was a heavy one, the force went upward, leaving the tracks on the rails and the bottom of the car intact thus preventing a serious wreck. The accident occurred at a small station named Teck on the main line, 33 miles west of Ogden and but a short distance from Jackson, where the disastrous explosion occurred a few years ago. The powder was shipped from Salt Lake City, and was consigned to a Salt Lake firm. There was nothing on the outside of the car to show that there was a shipment of powder loaded therein. Ordinarily this is done, but it was omitted by some one in this case. Accordingly the car was placed in the train next to the locomotive. It is supposed that a spark from the engine got into the interior of the car through some opening and started a small fire which ignited the powder. At the time of the accident, Head Brakeman, T. W. Murphy was riding in the engine cab and was looking out of the window. The flames from the explosion enveloped

him and burned him quite badly about the head and face. He was brought to Ogden and taken to the Ogden general hospital for treatment. Although the accident occurred Sunday afternoon word of the same was not received here until yesterday.

FUNERAL OF BANKER GUTHRIE.

The funeral of John William Guthrie, the Ogden banker, was held at the Masonic temple at 2:30 o'clock yesterday afternoon and was largely attended. From 10 until 12 o'clock the body lay in state at the home of A. E. Heywood, 575 Twenty-fifth street, where hundreds of relatives and friends filed past the bier. A guard of Knights Templars were stationed to watch the casket during these hours. From the Heywood residence the body was taken to the Ionic hall in the new Masonic temple where the principal services were held. Grand Master S. W. Badsen officiated and Rev. E. I. Goshen of Salt Lake, preached the funeral sermon. At the grave in Mountain View cemetery the Masonic ritualistic work was conducted.

Out of respect to the memory of the deceased the banking institutions of the city closed their doors at 2 o'clock, the employees attending the services in a body. Judge J. A. Howell of the Second district court ordered an adjournment of court at 2 o'clock, also out of respect to the memory of Mr. Guthrie, to whom he paid a high tribute of praise.

DAMAGE SUITS.

Elisha Bingham commenced an action in the district court yesterday against Ogden city in which he asks for \$750 damages for alleged injuries.

PROVO TO HAVE LIGHT PLANT.

Small Plant to be Built at Once, Larger One Later by Bonding. Special Correspondence. Provo, Nov. 13.—The question of building a municipal light plant for Provo was discussed at length in last night's session of the city council. Councilmen Johnson, Miller, Powell, Partridge, Giles, and Gray spoke in favor of a small plant as a starter, and President Booth favored the small plant, if it could be built without bonding. Councilmen Burt, Pollock, Van Wagener advanced arguments against the large plant, but did not object to the building of the small plant if it would not interfere with the final erection of the small plant. The majority of the council finally decided to erect a small lighting plant without bonding and the council directed the attorney to prepare the necessary papers for holding a special election for voting on bonds to build a large plant. This means that the small plant will be built first, with money not obtained from bonding, and that a bond election will be held for the taxpayers to vote bonds for the erection of a large plant. The cost of the small plant will be about \$15,000, while the cost of the large plant will be about \$80,000, and the bonding capacity of the city is about \$85,000. The theory of building the small plant first is that it can be completed earlier, and the current used for lighting the streets and the plant used

CITY COUNCIL SESSION.

A. E. Weatherly Succeeds Robt. D. Paine as Councilman. Ogden, Nov. 12.—At the Ogden city council last night a successor was elected to Robert D. Paine, who was ousted, some weeks ago from his councilmanic office from the First ward for alleged misappropriation, to himself and others of illegal fees. A. E. Weatherly, a prominent business man of Ogden, was selected in his place, though other nominees were favored, including Henry Emmett, but the names of the others were not mentioned before the council.

The ordinance licensing fortune tellers and skating rinks at \$30 a quarter, which had passed its third reading, became a law. The same rate is paid by the high and low class skating rinks, by the professional fortune tellers and the old women who tell fortunes by the teacup and charge 25 cents for each fortune.

NO CASE OF PNEUMONIA ON RECORD.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. For sale by J. Hill Drug Co.

NEPHI.

IN JUDGE GREENWOOD'S COURT.

Three Divorces Granted—Ed Wardle Receives Six Months' Sentence.

Nephi, Utah Co., Nov. 10.—Judge Greenwood commenced the regular fall term of court here on Thursday, and the first day disposed of a great deal of probate and other matters. Edward Wardle pleaded guilty to an offense with a young girl and was sentenced to six months in the county jail. Nancy Dority, v. James Dority, plaintiff was given a divorce on the grounds of desertion; also \$25 a month alimony and \$50 attorney's fee. The case of B. M. Johnson against the Jonty Gold Mining Co. has been in progress of trial for three days, and will probably not be concluded for several days to come. This is a case where the convenience of witnesses and attorneys, was transferred from Iowa county. It is a suit where the plaintiff is seeking to acquire title to a certain mine which is partly situated in State Lake mining district in Iron county, and partly in Eagle Valley mining district in Lincoln Co., Nevada. The plaintiff claims the property by priority of title, and is prosecuting against the issuance to the defendants of a patent for the same property. That part of the property which is situated in Nevada was litigated in Ploche, Nevada, about a year ago and the plaintiff was given a third interest in the prop., by that court. The issues as presented in this court however are somewhat different from what was presented there.

With Good Margins—But One Democrat Elected.

Special Correspondence. Vernal, Uintah Co., Nov. 9.—The returns from Uintah county show a large increase in the Republican majority. A few of the leaders will show how the vote went in this county: P. Powers, (D.), 453; Burt, (S.), 67; Supreme Judge—Frick, (R.), 478; Whitecotton, (D.), 405; State Senator—Prinkerhoff, (R.), 52; Grayson, (D.), 445; Gray, (S.), 88; Representative—John W. Davis, (R.), 665; Wm. O'Neill, (D.), 502; P. Dodds, (S.), 88.

GARDEN CITY NOTES.

Judge Booth is holding court in Heber today. About a hundred students registered yesterday, and today in the Brigham Young university for the midwinter semester and the special course for farmers, and there are more here who will enter. Mrs. Nels Markman underwent a successful operation for appendicitis at the Provo general hospital yesterday. The city board of health, the city attorney and city marshal, met yesterday with the proprietors of meat markets and the butchers and made satisfactory arrangements for improvements in the sanitary condition of the slaughter houses. The city marshal, as a result of the meeting, will also begin a crusade against filthy back premises in the business district, and the proprietors of unsanitary back yards will be compelled to clean up.

school is getting in some good work on a cantata, which will be presented near the Christmas holidays. Mr. Austin Hunter was elected president of the students' organization. Mrs. Reuben Clark, a former resident of Grantsville, now of Washington, D. C., is visiting with relatives and friends here.

PANGUITCH.

News Notes From Garfield's Principal Town.

Special Correspondence. Panguitch, Garfield Co., Nov. 7.—Election day was ideal and passed off very quietly in this precinct. There was but one American vote cast, most of the citizens holding strictly to the old parties. Farmers are rushed getting ready for winter. The telephone line is completed as far as Orton, 10 miles below here, and will be completed through to this place by Saturday next. Efforts are being made to push the line on through to Kanab this winter. There are several severe cases of typhoid fever in town. Neph Madsen of Monroe is at the hospital, where he has just gone through an operation whereby he lost one of his legs due to tuberculosis of the bone. Mr. Madsen has been here since last July under Dr. Clark's care, but all efforts to save the limb were futile. Mrs. Ethel Henri was successfully operated on by Dr. Clark Monday last. Last Saturday a messenger came post haste from Kanab, summoning Dr. Clark to the care of Mrs. Pratt, who was critically ill. The doctor reached there in time to save the ladies' life for a time at least by performing an operation. The telephone line is completed as far as Orton, 10 miles below here, and will be completed through to this place by Saturday next. Efforts are being made to push the line on through to Kanab this winter.

ELSINORE.

REPUBLICAN VICTORY.

Prof. Lyman Lectures on Higher Education.

Special Correspondence. Elsinore, Sevier Co., Nov. 11.—The election resulted in a big Republican victory in this town. Prof. Richard R. Lyman of the University of Utah addressed a large audience on the night of the 4th on higher education. Ward conference was held here Sunday, Nov. 11. Members of the stake presidency were present. Mrs. Hans Sorenson, Jr., who has been very ill, is convalescing.

HUNTSVILLE.

ELECTRIC LIGHT SYSTEM.

To be Installed by Christmas—Allen-Berlin Nuptials.

Special Correspondence. Huntsville, Weber Co., Nov. 12.—Mayor L. M. Nelson has placed an order for \$2,000 worth of wire, with which to wire the houses in town, and to have the electricity brought from the power dam in Ogden canyon to Huntsville. Some of the city fathers say we shall have the electric lights here by Christmas. People in general are delighted with the prospects. The old rock meetinghouse is being thoroughly renovated by Schaefer Brothers and Adam L. Peterson, with a view of making it an up-to-date opera house. The stage is nearly completed and the work of putting in a balcony has begun. The above named gentlemen, voluntarily advanced the means to make the house what it will be, without charging the town anything. They will wait for their money until the house enters it.

ALLEN-BERLIN NUPTIALS.

David A. Berlin, one of Huntsville's promising young men, took unto himself a wife last Wednesday in the person of Miss Agnes Allen, one of the town's most promising damsels. They were married in the Salt Lake Temple and will make their home in Huntsville.

TRIB.

J. L. Stone of the Portland Club, Portland, Or., writes: My son took "TRIB" about eighteen months ago, and has been a sober and industrious man since. He has taken the "TRIB" cure, but commenced drinking again soon after. It cost him \$100.00 to take the "TRIB" cure, and \$12.50 to take "TRIB." He says "TRIB" is by far the best cure of the two. He has sold many treatments for "TRIB" since he was cured. Sold by us on an absolute guarantee to cure or no pay. Price, \$12.50.

A Self Evident Proposition

"Persistent success is proof of merit." The fact that for over fifty years the demand for Ghirardelli's Ground Chocolate has been steadily increasing, is convincing evidence of its goodness. On no other basis could our present enormous business have been built up. Ghirardelli's Ground Chocolate contains all the natural goodness and nothing else; it is absolutely pure and has a delicacy and richness of flavor that is unique.

Ask Your grocer for it. Be sure that you get it.

What Joy They Bring To Every Home

as with joyous hearts and smiling faces they romp and play—when in health—and how conducive to health the games in which they indulge, the outdoor life they enjoy, the cleanly, regular habits they should be taught to form and the wholesome diet of which they should partake. How tenderly their health should be preserved, not by constant medication, but by careful avoidance of every medicine of an injurious or objectionable nature and if at any time a remedial agent is required, to assist nature, only those of known excellence should be used; remedies which are pure and wholesome and truly beneficial in effect, like the pleasant laxative remedy, Syrup of Figs, manufactured by the California Fig Syrup Co. Syrup of Figs has come into general favor in many millions of well informed families, whose estimate of its quality and excellence is based upon personal knowledge and use. Syrup of Figs has also met with the approval of physicians generally, because they know it is wholesome, simple and gentle in its action. We inform all reputable physicians as to the medicinal principles of Syrup of Figs, obtained by an original method, from certain plants known to them to act most beneficially and presented in an agreeable syrup in which the wholesome Californian blue figs are used to promote the pleasant taste; therefore it is not a secret remedy and hence we are free to refer to all well informed physicians, who do not approve of patent medicines and never favor indiscriminate self-medication. Please to remember and teach your children also that the genuine Syrup of Figs always has the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package and that it is for sale in bottles of one size only. If any dealer offers any other than the regular Fifty cent size, or having printed thereon the name of any other company, do not accept it. If you fail to get the genuine you will not get its beneficial effects. Every family should always have a bottle on hand, as it is equally beneficial for the parents and the children, whenever a laxative remedy is required.
