TO THE PROPRIETORS

Of the Big Field, west of

JORDAN & BELOW THE BRIDGE.

AT a meeting of the proprietors Sept, 29th., it was voted that each proprietor having ditch fence set off, be required to complete the same by putting on two poles in a good and workmanlike manner, by the first day of Nov. next. And should any be in default, the Committee may cause the same to be completed: and the land so fenced may be given in payment.

GIVE ATTENTION IN TIME TO SAVE COST.

BY an unanimous vote of the people assembled at the Bowery, it was decided that the Red Butte Canyon should be given to Knowlton & Co., in consideration of their engaging in the business of lime burning, and furnishing lime for the public.

Now it may be possible that some people are not acquainted with these facts, and that may be the reason why they insist upon trespassing upon our rights.—We have therefore thought proper to give this public notice to all, that we expect to abide by the requirements made of us, and we also expect that others will do the same. This being the case, it will not be expected that we will be run over with impunity any longer.
