J. F. SHARP WINS FROM CALLISON

Retains Browning Brothers' Championship Cup—Score 95 to 94.

MOST INTERESTING SHOOT.

Trap Tension Tightened and Blue Rocks Were Thrown With Greater Speed Than Usual.

Five marksmen participated in the shoot yesterday afternoon for the championship of the state and Browning Brothers' cup. The contest grew out of a challenge issued last week from Cal Callison to J. F. Sharp who, previously won the trophy from Callison.

The score yesterday between these two recognized crack-shots was exceedingly close. It was a hundred target shoot and the tension of the traps was tightened so that the blue rocks were thrown with great speed and consequently much more difficult to hit. Sharp's score was 95 and Callison's 94. Sharp retains the cup by one target. In the first fifty Callison broke forty-six and Sharp but forty-five. The next fifty Sharp went straight through, while Callison was defeated by losing two.

Sharp and Callison were the only two to reach the ninety mark. The score follows:

J. F. Sharp.	9	8	10	8	10	10	10	10	10	—95
Cal Callison	9	9	10	9	9	10	10	9	10	9—94
G. L. Becker.	9	9	9	9	6	9	9	9	9	10—88
John SharpJr.	9	8	8	9	9	8	9	9	10	7—86
John SharpSr	8	9	9	10	7	8	8	6	8	9—82

The officials were Mat Browning and W. S. Stewart, judges; Ambrose E. McKenzie of Denver, referee.

TONIGHT'S RACES.

Teams Broke Even.

New York, Sept. 9.—New York and St. Louis broke even in the double-header at the polo grounds today. Matthewson pitched the first game and allowed the visitors only two hits. In the second game Maul started for the New Yorks but he was taken out after the first inning and Livingston substituted. He was as wild as a hare. New Yorks have signed a new player of the name of Miller, who played second base today. Attendance, 1,800.

Chicago Takes Two More.

Chicago, Sept. 9.—Chicago made it four straight from Boston by winning two games this afternoon. The first game was a fierce contest, with honors about equally divided, and was won by Foster's home run in the eighth inning. In the second game the visitors had a bad case of rattles and three errors, followed by two hits, gave the locals five runs in the first inning. Boston could not overcome this lead, although Griffith was hit often. Attendance, 7,100.

JACK BURRIS DEAD.

Fell from a Steamer Leaving Seattle and Drowned.

Jack Burris, who is well known in cycling circles in this city, was drowned last Trursday night on his way from Seattle to British Columbia. The announcement was made at the cycle track last evening and came as a great shock to his many friends in this city. John Staver received the news by mail from F. G. Barnett, who states that in making the journey across the Sound Burris fell overboard. He came here from Los Angeles and although only 19 years of age he has shown much ability on the track. He left Salt Lake about June 24th for Butte, where he remained two or three months. In Seattle he won his first open race and it was his intention to go to Australia when death crossed his path. He has always shown himself of a nervous disposition. At times he has been very much disturbed in his sleep, and it is presumed by his friends that death was due mainly to the condition of his nerves, which probably caused him to overbalance himself while on deck.

Golf Tournament.

Atlantic City, N. J., Sept. 9.—The seventh annual amateur golf championship tournament opened here this morning with a larger list of starters than ever before competed for premier honors. Sixty-two pairs were sent off during the morning and with the exception of three or four of these they all finished their afternoons round of 36 miles. The best scores are:

W. J. Travis, Garden City, 157; F. S. Douglass, Nassau, 160; Louis P. Myers, Fox Hills, 161; W. E. Eagan, Chicago, 163; W. Holabird Jr., Chicago, 165; Percy A. Jennings, Oakley, Mass., 166; Archie M. Reid, St. Andrews, 166; W. P. Smith, Philadelphia, 168; J. G. Thorpe, Oakley, Mass., 168; Charles Seeley, Woburn, Conn., 168. The first round of the championship play will begin tomorrow morning.

In the first hour of recording the scores the two lowest shown were those of Archie Reid and William Holabird Jr., who finished in 82 each.

The score of L. P. Myers, of the Fox Hill Golf club, the Massachusetts champion, was the sensation of the morning. He went out in 39, two above par, and came home in 40, one above par, a grand total of 79.

Other good scores were:

Champion W. J. Travis, 81; Findley S. Douglas, 83; W. P. Smith, C. H. Seeley and A. Kennedy, 82 each; P. H. Jennings, 84; R. E. Griscom, 83; and J. E. Thorpe, 86.

Rheumatism

Rheumatic pains are the cries of protest and distress from tortured muscles, aching joints and excited nerves. The blood has been poisoned by the accumulation of waste matter in the system, and can no longer supply the pure and health sustaining food they require. The whole system feels the effect of this acid poison; and not until the blood has been purified and brought back to a healthy condition will the aches and pains cease.

Mrs. James Kell, of 707 Ninth street, N. E., Washington, D. C., writes as follows: "A few months ago I had an attack of Sciatic Rheumatism in its worst form. The pain was so intense that I became completely prostrated. The attack was an unusually severe one, and my condition was regarded as being very dangerous. I was attended by one of the most able doctors in Washington, who is also a member of the faculty of a leading medical college here. He told me to continue his prescriptions and I would get well.

After having it filled twelve times without receiving the slightest benefit, I declined to continue his treatment any longer. Having heard of S. S. S. (Swift's Specific) recommended for Rheumatism, I decided, almost in despair however, to give the medicine a trial, and after I had taken a few bottles I was able to hobble around on crutches, and very soon thereafter had no use for them at all. S. S. S. having cured me sound and well. All the distressing pains have left me, my appetite has returned, and I am happy to be again restored to perfect health.

SSS the great vegetable purifier and tonic, is the ideal remedy in all rheumatic troubles. There are no opiates or minerals in it to disturb the digestion and lead to ruinous habits.

We have prepared a special book on Rheumatism which every sufferer from this painful disease should read. It is the most complete and interesting book of the kind in existence. It will be sent free to any one desiring it. Write our physicians fully and freely about your case. We make no charge for medical advice.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

COL. ROOSEVELT WILL NOT COME

Vice President Cannot Attend Elks' Carnival.

NO ELECTRICAL PARADE.

Grand Pageant for Saturday Evening Sept. 14th Prior to Opening of Carnival Has Been Abandoned.

Vice President Roosevelt has telegraphed Director General Stoll of the Elks' carnival to the effect that it would be impossible for him to attend the Elks' street fair because of the attempted assassination of President McKinley.

Senator Clark of Wyoming has written that he will come with the Evanston delegation. They will be given a warm reception.

Major Myton, United States Indian agent, says he will be here with his band of red men by the 14th of September.

The committee has decided to give up the idea of having a grand electrical parade on Saturday evening, the 14th.

The following prominent Elks from out of the state have presented themselves at headquarters, and will remain here until after the carnival: A. E. Morris, Milwaukee, Lodge No. 46; W. F. Meyce, Victor, Lodge No. 367; and J. F. Stevenson, of San Jose, California.

The Oregon Short Line fire will not interfere in the least with the carnival and the portion of the fence that was destroyed will be replaced.

The ladies' guessing contest closes on September 20th at 12 noon.

There were over one hundred men at work today on the carnival grounds. In order to bring it to completion by the appointed time it requiries that large force of men.

IS A "BIKE" A LUXURY?

Justice Kroeger Decided in the Affirmative.

"Is a bicycle a luxury or a necessity?" is the question that confronted Justice of the Peace Kroeger Saturday afternoon, in the case of the League Cycle Co. vs E. C. George, a 19-year-old boy. The company claimed that George purchased a bicycle and that $45 was still due.

The attorney for the defense then raised the points as to whether or not a bicycle was a necessity or a luxury, and whether or not the defendant could be held to the contract being a minor.

It was shown that George worked for the Rio Grande and lived but a short distance from his work. The court decided that the bicycle in this case was purely a luxury, but he also decided that the boy could not be held to the contract, and the defendant won the case.

CLEM TURVILLE A BENEDICT

Married Miss Rhoda Day of Brigham City on June 24th.

"Ah! I didn't want to say anything about it around here because the guys would josh me—see!" is the explanation offered by Clem Turville, the bicycle rider when his fellow riders down at the Salt Palace track asked him why he did not tell them of his matrimonial venture.

Clem is a benedict. There is no doubt about it. He kept it a profound secret for over two months, but the truth gradually leaked out and now Clem and his young bride are receiving the congratulations of their many friends.

On June 24th last, Clem and Miss Rhoda Day, of Brigham City, quietly slipped off to Lagoon and were made one by the clerk who presides at the Davis county court house. It is said that no one knew anything about it except Charley Turville and the contracting parties, and how it became public can only be surmised.

Mr. and Mrs. Turville are now residing on East Temple street near Fifth South, but when the racing season closes here they will probably go to Philadelphia to live.

STREET CAR TICKETS.

Big Demand for Books Owing to the Opening of Schools.

Secretary Wells and his assistants have been kept busy throughout the day filling the demand for street car ticket books on the part of the school children and their parents. Fortunately the rush was anticipated to the extent that a counter had been installed across the new ticket room which was opened for business today.

The insurance men have been busily engaged throughout the day in going over the ruins of the old Rapid Transit power house, which was visited by a serious fire on Friday night. It is expected that the insurance will be adjusted on the loss at an early date.

WESTERN STOCK MARKET.

Special Correspondence.

Kansas City Stock Yards, Sept. 5.—Kansas City Live Stock Commission men are beginning to talk about formulating plans for the entertainment of visitors to the Americaen Royal cattle show and sale which is to take place October 21st to 25th, and a special meeting of the exchange will be called for that purpose. There will be no action taken by the Live Stock Exchange as a body, but the commission men as individuals will bunch up and the probabilities are that if there should be anything the visitors will have failed to see while here it will be because the dust kicked up by the pace they went got into their eyes and blinded them. G. M. (Charley) Walden, president of the exchange, is beginning to "boast" for the entertainment and every shipper in Texas knows that when "Charley" gets going there is something doing.

As to the market for the past week, salesmen of fat cattle were real "unpish" and buyers were sorely tempted to slap them on the wrist but prices kept getting stronger and resulted in a 6:10 top which was paid on Thursday for some Western horn steers that showed good quality and finish. There has been a liberal demand for heavy feeders but as packers in their desire for killing grades, have rather lapped over onto feeder weights, few country orders for heavy cattle have been filled. The general run of stockers and feeders sold on a slightly declining market, the full scope of which amounted to 15c to 25c and brought the range of prices down to 2.50 to $4.00, the bulk of sales having been made at 2.90 to 3.85, including branded lots up to 2.50. While light to medium, 650 to 950 lb feeders are not at the panicky prices of lazy July, they are down to where they ought to attract liberal attention from country buyers. Dry-lot heifers sold up to 5.25 on Wednesday and prices showed sympathetic strength with corn fed steers but the general run of cows eased off 5c to 10c on Wednesday and about a nickel more on Thursday. Prime cows brought $3.50 to $4.00; fair to good $2.50 to $3.45 and canners $1.50 to $2.40.

Southern cattle receipts amounted to 6,500 for the first four days of the week and on account of the heavy supply and lower prices of grass cattle in the native division, there was a general settling down of both steer and cow values. The best cattle of the week were four loads of 1095 lb steers from Marlow, I. T. L. that sold on Wednesday at $3.85. B. A. Jarboe's train of 909 lb cows from Lenapah, I. T. brought 2.85 on Wednesday and 5 cents less on Thursday. Steers ranged largely from $2.75 to $3.55 and cow prices from $2.35 to $2.65. Southern veals again led in popularity and desirable weights, 1.4 to 170 pounds, sold largely at $5.00 to $5.25.

Again hogs advanced and $6.65, the top on Thursday, is within 5 cents of September top in 1893 and, with that exception, the highest September top on record at the Kansas City market. The advance for the week is 25c to 30c and every indication points to still higher prices. Heavy hogs sold at $6.50 to $6.65; mixed and medium hogs at $6.20 to $6.65; lights at $6.10 to $6.50 and desirable pigs at $5.00 to $6.00.

Heavy breaks at other points and liberal local supplies have reduced lamb values $15c to 25c during the past week but the local demand for mutton has held sheep firm. The supply was largely from Utah and of fair to good quality. Utah wethers sold largely at 3.35 to 3.50 and native lots up to $3.60. There were a few bunches of native ewes that were good enough to bring $3.25 and prime Western or native yearlings would have realized $3.50 to $3.65. The break in lambs put prices down to where the best brought $4.25 to $4.30 and fair to good lambs were taken at $3.50 to $4.00. Stockers and feeders moved slowly.

Receipts of live stock for the past week were 57,000 cattle, 40,000 hogs and 22,000 sheep, as compared with 52,300 cattle, 40,000 hogs and 21,500 sheep for the preceding week and 49,400 cattle, 41,000 hogs and 18,000 sheep for the corresponding week last year.
