THE arrest and conviction of James Hope, for burglary in San Francisco is a credit mark to California Hore is a credit mark to California Hore is a malefactor of wide notoriety in the East, where he has been engag-ed in manyimportant bank robberies, and has escaped justice several times through legal technicalities. This time he was taken almost in the very act. He was arrested in a clos-et in the upper part of the building in which a banking business was conducted below. A hole had been out in the floor of the closet, to gain access to the asfe underneath, and a complete burglar's outfit was captur-ed with the prisoner. There could be no reasonable doubt as to his guilt. But the lawyers employed for the
