By Unavorsal Accord,

ATEN'S CATHARTIO PILLS are the best of all purgatives for family use. They are the product of long, laporious, and successful chemical use, by Physicians in their practice, and by all civilized nations, proves them the best and most effectual purgative Pill that medical acience can devise. Being purely vegetable no harm can arise from their use. In intrinsic value and curative powers no other Pills can be compared with them, and every person, knowing their virtues, will employ them, when needed. They it see the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, a sarching and effectual, they are apecially adapted to the needs of the digestive apparatus, derangements of which they prevent and pure. If timely taken. They are the best and meest physic to employ for children and weakened constitutions, where a mild, but effectual satharic is required.

For Sale by all dealers.

DVATEGION TO DED

tren to maura his loss.

A petition was received from John H. Freeman, representing that a certain license taken out by him as a fresh meat dealer, which expired June 10th, 1875, through some misunderstanding, had not been paid. He had gone out of business and respectfully asked that the license be remitted. The prayer of the petitioner pay the costs of the court in the proceedings instituted sgainst him for the collection of the license.

A. J. Lucas, by petition, asked for the transfer of the enexpired fresh meat dealer's license of C. L. Lucas, First South street, to himself in the Twenty-first ward. Wm. Calton, by petition, representing of the lafe Brigham Young, who have been attending college at Troy, New York; returned home last evening. They have finished their studies and are now home permanently. Messrs. W. G. and Joseph Sharp, sons of Bishop John Sharp, will also be home in a few daye. The former has graduated.

Struck by Lightning.—Mr. Ephralm Snyder, of Parley's Park, informs us of the death of his brother, Robert H. Snyder, who was fulled by lightning at Ashley's Fork, on Friday, the 16th inst. It was during a thunder storm, and he was leaning against the hind part of a wagon with another.

Granted.

Wm. Calton, by petition, represented that he purchased of the city, in the year 1867, three five acre lots located in five acre plot "C," which had been claimed by other parties. He therefore asked for the return of the purchase money, viz. \$18. Referred to the committee on public grounds.

The joint committee on ways and means and finance, to whom was referred the subject of fixing the rate per cent, of city taxes for the current year, reported recommittee on the current year, reported recommittee.

The Development of the part of a wagon with another, younger man, named Perry Decker, when a flash of lightning, probably attracted by the steel upon the wagon, struck them both to the earth. Mr. Spyder was killed instantly, but Mr. Decker will recover.

A Locust Plagus in Russia.

the current year, reported recommending that the rate be fixed at one-half of I per cent., and that it be distributed proportionately to the different purposes as contemplated by the city charter.

The committee on water works, to whom was referred the matter of the assessor that was seen to the east of the town of Elizavetopol, in the province of Georgia, and in the dourse of a few hours it darkened into what the people termed a changing the labor of making wa-ter assessments from the assessor and collector to the superintendent of water works, reperted recommending that the assessor and collector centinue making the assessments as heretofore, at a salary of found \$300 for the past three years

services. Adopted, and the amounts appropriated.

The committee on water works, to whom was referred the quarterly report of the superintendent of water works, reported that they had examined the accounts, vouchers, etc., and found the same correct, and recommended that the same be approved. Adopted.

The same committee, to whom was referred the petition of R. B. Margetts, asking an extension of

Margetts, asking an extension of the water mains to his brewery in the Nineteenth Ward, reported that in their opinion the city could that in their opinion the city could not consistently extend the water mains at present, and recommended that Mr. Margetts' petition, with the others on the same subject, be laid over. Adopted.

The application of the superintendent of waterworks for a leave of absence for about two and a half months.

onths, from August 1st, was The attention of the council was called to the fact that these in charge of Mount Olivet Cemetery are in the habit of using the irrigatlag water belonging to the inhabitants of the Tenth Ward and vic-inity, and it was decided to refer

Raleigh, Speirs and Pyper, with the dity attorney associated, to take the necessary steps to protect the citizens. A motion was made and carried to refer the matter of the propriety of authorizing the city watermaster to regulate the distribution of water, on the Tenth Ward bench land to the committee on irrigation. Council adjourned till next Tuesday evening, at the usual hour.

Music and the Drama .- "Maud Irving," a children's operetta composed almost entirely of popular
songs, will be produced in the 20th
Ward, next week, for the benefit f the Sunday school. It is in five ots, contains seven sole parts, and chorus of a dozen voices. It has latest advices speak of a slackening

been under rehearsal about two months, and will be played by the Sunday school children.

"Trial by Jury," one of Sullivan's operas, is also in preparation at the same place. This will require about thirty-five performers. at the same place. This will require about thirty-five performers, which, with one exception, belong to the 20th Ward. This opera will be presented about the middle of July. Professor Joseph J. Daynes is the director of both performances.

Lawrence Barrett, the eminent American tragedian, will perform in Salt Lake on the 5th, 9.h and 10th of July. It has been supposed to the town it could not be used. Elizavelopol has the appearance of a town stricken by a plague. Day and night the priests chant services in the churches, and every noon a long procession, consisting of priests with crosses, bands of choristers, and thousands of bareheaded people, pass around the town, invoking intercession from the Almighty. In the streets were to be seen gangs of men, women, and children destroying the locusts, and carrying them in sacks and baskets to the district police-station, where

by some that he would not appear to the best advantage, owing to the quality of the support he would find here, but we are informed it is his intention to bring six principal players with him, so we may expect and no doubt will receive Barrett's best.

Tony Pastor's variety troups will be along here some time next the disagreeable operation of having his hair combed by his mother, and he grumbled at the man-

"Wby, Freddie," said mamma, "you dught not to make such aifuse. I don't fuss and cry when my hair is combed." Acknowledgements. - The comnittee of the Old Folks' Excursion gratefully tender their thanks for donations and tangible help from
