BUSINESS DIRECTORY, By Telegraph.

PER WESTERN UNION TEL. LINE Last Night's Dispatches. CONCRESSIONAL.

judiciary committee. In introducing the bill, Morton said the object was to bring the act within the late decision of the Supreme Court.

Edmunds introduced by request a bill to create a sinking fund for the liquidation of the government bonds advanced to the Central and Western Pacific Raliroad Companies; referred to the finance committee. The bill embodies the propertion submitted to him as chairman of the judiciary committee by vice president Huntington in behalf of that company, and is substantially

Cans, which culminated when Glo thave the bill of fare read, which was not allowed under the rules.

After much confusion the resolution was rejected 96 against 59, not two-thirds.

An evening session was ordered for Tuesday, Wednesday and Thursday, to discuss the legislative appropriation bill. Adjourned at 7 e clock.

EASTERN.

Similar to have the bill of this morning report that the water is over the track, near Edmunds, but a train went out to-day. The water is now ten inches below extereme high water, and about an inch below high water in 1874, when great demage was done.

A gin on Keplar street was burned by an incendiary this morning; loss \$40,000, insured. Bill McNeal, colored, was arrested charged with firing it.

Now the river rose two inches, and is thirty-four feet ten and a haif

it, to the extent of the excess it may have received over and above \$2.50 per acre, and the costs of surveying. The third section of the bill directs the Secretary of the Treasure to easily the treasure treasure to easily the treasure treasure to easily the treasure treasure to easily the treasure the Treasury to carry to the credit of this sinking fund all amounts

due the company for Government transportation up to the first day of last January, which, if not amounting at said date to one million dolwith the interest thereon, as here-inafter provided, be sufficient, when added to the other sums to the credit of said sinking fund, to pay off the Government subsidy bends, with six per cent, interest thereon from their respective dates up to of the First National bank of the interest on all sums that place on Saturday afternoon. maturity. The interest on all sums that place on Saturday afternoon.

fund must be credited and added thereto semi-annually, at the rate of six per cent, per anaum. The ham, democrat, was elected mayor to-day, over F. W. Crocker, relieu of all payments or other requirements from the Central Pacific Railroad Company, under any acts of Congress in relation to the reimbursement to the Government of the bonds issued to it and to the Western Pacific Railroad.

Thurman called up the Senate bill to amend the act to establish a uniform system of bankruptcy throughout the country, saying that the object of the bill was to put an end to the discordant deisions which made the bankrupt law one thing in one district and another in another.

After considerable debate the bill

passed without amendment.

Adams, Clerk of the House, appeared, and amounced that the House had adopted articles of impeachment against Belknap, and had appointed managers to con-duct the prosecution. Adjourned.

WASHINGTON, 3 .- Merrison in troduced a hill to amend the exist-ing laws relating to duties on im-The following resolutions

By Wells, to amend the internal revenue laws and to provide for the better collection of the taxes on distilled liquors.

By Oliver, incorporating the Sloux City, Black Hills and Pacific Railway Company.

Blackburn offered a resolution requesting the President to inform the House whether, since the 4th March, 1869, any executive offices.

March, 1869, any executive offices, acts or duties, and if so what, have been performed at a distance from the seat of Government established by law, and for how long at any one time, and in what part of the U.S., and also whether any public necessity existed therefor; adopted. Lynde offered a resolution calling on the Secretary of the Treasury for information in regard to the pay-ment of money to newspaper editors or correspondents, aside from the publication of legal notices, by U.S. attorneys, revenue agents, super-visors, etc., connected with the whiskey prosecutions in St. Louis, Chicago, and Milwaukee, to what party, for what newspapers, for what particular purpose, etc.; a-dopted.

Knott, chairman of the judiciary committee, called up the question of the impeachment articles, and at the conclusion of the reading of the articles and specifications Knott rose and said, that as the articles the heavy snows, and that there just read were a mere formulation of the charge that was distinctly understood by every member when it was unanimously voted to impeach W. W. Belknap for high crimes and misdemeanors, he did not deem it necessary to occupy a single moment in discussing this subject, he therefore moved the previous question on the adoption of the articles.

The previous question was seconded, and the articles were adopted.

the heavy snows, and that there was money enough on hand to pay dividends for seven months. Park intended to sell out on the strength of that.

Q. "Did you not positively swear in New York that no one was present during that conversation but Park and yourself?"

A. Of believe both Park and Stewart were present, but four years having passed I could not be certain."

E. J. Villyers, who was atterney with ex-senator Stewart for Lyon

from serving as one of the manag-ers, owing to the condition of his health, and saggested, in his place, his colleague, Lapham; his request was acceded to, and Lapham was

On motion of Knott his position on the board of managers was changed from that of first on the list to the second, so that Lord stands as chairman.

Clymer affered a resolution directing the board of managers to carry to the Senate the articles of impresemblent, and that a measure because the second of the se peachment, and that a message be also sent to the Senate on the sub-

LOUISVILLE, Ky,. 3.—Au order Irwin, charged with misappropri-has been received here from Wash- ating \$750,000 of the funds of the iugton to shut off the supplies of Pacific Mail Steamship Company, house; the order comes from the Lx-Judge Fullerton lars, shall be made up to that sum by the company. The fourth section requires the company to pay, semi-annually, into the United and a failure to make new appropriated by Stockwell on the subject of the Stockwell on the subject of the Stockwell on the subject of the Stockwell on the Stockwell States treasury, such a sum in meney or in any United States bonds or securities at par, as shall, with the interest thereon, as herecandles.

A Bank Closed.

DENVER, Col., 3 .- Dr. Bucking-

BATON ROUGE, La., 3.-An election was held here to-day; the democrats were victorious, a large number of colored men voting the epen democratic ticket. WASHINGTON, 3.—The President is greatly improved, and was in Boston represents a similar condition of affairs in that city.

Marsh was before the grand jury an hour to-day, in the case of Bel-

Page's Anti-Chinese Resolution Page, by good management, got through his Chinese resolution under a suspension of the rule, without attracting much notice or affording an opportunity for debate and opposition. He had prepared it for last Monday, but could not then obtain the floor. The follow-

ing is its full text.
"Whereas, it is alleged that there are at the present time 100,000 Chinese on the Pacific coast, many f whom have been brought thither under contracts for servile labor, and that their numbers are being

tween the two countries, and restricting the same to commercial This is no joint resolution and therefore does not require action by

the Senate. More Testimony by Lyon Lyon testified that he had a conversation with Col. Baxter about the patent of the Emma mine. Chittenden asked Lyon whether any other person than himself was present when Park, as atleged, spoke to him adversely to the

Lyon answered that he believed that both Stewart and Park were present when the question arose about satisfying the Euglish share-holders why no ore was taken out of the mine. Stewart, on that occasion, said they could represent that work could not be prosecuted during the winter on accounted during the winter on account of the law into the with fire and the heavy snows, and that there steel. was money enough on hand to pay dividends for seven months. Park intended to sell out on the strength

The previous question was seconded, and the articles were adopted.

Clymer then effered a resolution appointing as managers on the part of the House, Mears. Knott, Lord, Lynde, McMahon, Jenks, Wheeler, and Hoar; adopted.

Wheeler asked to be excused to be excused to the excused to be excused to the time the stock was a strong the Enima mine in the Spring of 1871, was examined by Phelps, and testified that when in Utah the more they became convinced of its value up to the time the stock was more they became convinced of its value up to the time the stock was placed on the English market, when stewart wrote a letter to Lyon, saying that in a certain contingency they would not be fighting for a worked-out mine; he did not, as Lyon interpreted it, mean that that mine was worked out.

Beport Adopted.

The House committee on military affairs adopted General Banning's report for the reduction of the army, the republican members of the committee declining to sign the report.

also sent to the Senate on the sunject; adopted.

The river and harber appropriation bill was reported and ordered printed and recommitted. It has about \$518,000 ever last year.

The bill authorizing the sale of the Pawnee reservation in Nebras-ka was passed.

The bill amending the pension law for the war of 1812 was reported by the case for a week past, and yesterday arrested an expression of eight dollars monthly for officers and dollars monthly for officers and soldiers, without regard to color, to between \$700 and \$806.1.2 Incomming the pension of colors, and pension to be tween \$700 and \$806.1.2 Incomming the pension of colors, and pension to be tween \$700 and \$806.1.2 Incomming the pension of colors, and pension to be tween \$700 and \$806.1.2 Incomming the pension of colors, and pension to be the pension of the pension o
