DESERET EVENING NEWS.

TRUTH AND LIBERTY.

VOL. VI. SALT LAKE CITY, UTAH TERRITORY, FRIDAY EVENING, OCTOBER 24, 1873. NO. 284.

TO MY WIFE.

Ah, say'st thou, love, that I have changed;
And that my moods are sad or worse
My failing thinks I am estranged,
And even calls my ways perverse.
Oh, no, thy fancy wild hath ranged,
And in its travels found a curse.

When first I loved thee, all absorbed,
I knew no life unfilled by thee;
In thee my being was full orbed,
And bound as strong shore binds the sea:
My thought, my feeling, all absorbed,
My heart, my soul were only thee.

Dear love, we were sweet spendthrifts then
Of hours that ne'er will greet us more:
Oh, blame me not as cold, if when
In daily battle's deafening roar
With all my struggling fellow men
I do not live them o'er and o'er.

I show my love now in my work,
Which, all for thee, is what you see
Lays on my brow its shadow murk,
And leaves me scarce a moment free;
Yet in each fibre strained will lurk
The pulses that still beat for thee.

So patient bear my absent look,
Nor quarrel with my silence deep,
Nor jealous fight my student book,
Nor blame me if I drop to sleep;
'Tis not neglect that thou must brook,
But that I now must harvest reap.

I thrust my sickle in the grain
Where years ago I sowed and plowed;
My granaries harvest shall contain,
And then I'll leave the rushing crowd
Before dull care or daily strain
Hath all my strength and courage cowed.

Bear with me, love, and meanwhile be
Content to lift thy woman's load;
The faces gathered at thy knee
Will cheer thereon thy lonely road:
And by-and-by we both shall see
That our two lives together flowed.

Last Night's Dispatches.

EASTERN.

Strike Among the Nurses.

MEMPHIS, 23.—We are having a cold rain, and the temperature is falling. The mortuary report shows twenty-one deaths from yellow fever to-day, including Dr. J. J. Williams, author of many learned medical treatises, and Mrs. Ethel Porter, wife of Col. Ethel Porter, a prominent R. R. man. The scarcity of funds with the Howards has compelled a reduction in the pay to nurses to three dollars. Three hundred and twenty-five in their employ struck for five dollars, and the association are compelled to pay it.

Expensive Fire.

CLEVELAND, O., 23.—A fire this a. m. destroyed the extensive distillery and rectifying establishment of W. H. Corning & Co., 62 and 64 River Street, together with a large stock of wines and liquors. The oil still of Morehouse and Rockfeller, adjoining, was partly destroyed. The total loss is estimated at $100,000 to $150,000.

Action of Bank Presidents—Stokes' Trial.

NEW YORK, 23.—At a meeting of the bank presidents, to-day, Mr. Williams, President of the Metropolitan National Bank, submitted the letter which he had received from the President. *It was very brief, and simply stated that for* three or four weeks the President would feel disposed, in case of urgent need, to issue weekly, three or four millions out of the legal reserve. The following resolutions were then adopted:

"*Resolved*, That the message of the President of the U. S., to the banks of New York, be respectfully and gratefully acknowledged, and we cordially reciprocate his kind wishes, and will act in the spirit which he recommends.

Resolved, That from and after the 1st of November next, the equalization of legal tenders by the banks of this association be discontinued."

In the Stokes trial, William H. Champson, professor of materia medica in the university, gave the opinion that Fisk died from the effect of the drugs administered after he was shot.

After recess Stokes was placed on the stand, and testified as to the business relations between himself and Fisk. He related the story in the court room in the Mansfield libel case on the morning of the murder, and then related the circumstance of his visit to the Grand Central Hotel, and described the encounter with Fisk. The latter, he said, came up the stairs with a pistol in both hands, cocking it as he came. He shouted to Fisk not to shoot, then he himself fired two shots with his pistol in a gloved hand. He then dropped the weapon. He described his arrest, and said the evidence of the boy Hart was entirely manufactured.

Suspected Murder.

It is rumored in Brooklyn that ex-assemblyman Towers, the supposed suicide, was murdered, three bullets being found in his head.

Gen. Cadwallader, of New Jersey, is dead, aged 53.

Released on his own Recognizance.

Shanks, city editor of the *Tribune*, after testifying in the Stokes case to-day, was taken before judge Fancher, on an application of release, on the ground that the commitment for contempt was illegal. He was released on his own recognizance until to-morrow, in order to give the district attorney of Brooklyn an opportunity to appear.

Meeting of the Bar Association.

At a meeting of the Bar Association to-night, the address of the special committee to the voters of New York was read and adopted, opposing the election of a judiciary, favoring and appointment by the government to be confirmed by the Senate.

The Board of Trade.

CHICAGO, 23.—In the National Board of Trade this a. m., the resolutions reported yesterday, by the committee on transportation, were taken up for discussion, and considerable opposition was evinced to that portion relating to railways. An amendment was offered favoring the building of a double-track railway from New York and Philadelphia, uniting in one line at some point near Philadelphia, to St. Louis, with a branch to Chicago, and asking Congress to grant a charter for such a road. The profits on the investment to be restricted to 10 per cent., and the road to be free from the interference or control of any State. Strong opposition was made to government railways, and the amendment was lost. An invitation was extended to the Farmers' Convention to meet with the board.

Died of Apoplexy.

SPRINGFIELD, Ills., 23.—Wm. Stadden, chief clerk of the auditor's office, and superintendent of the insurance department of that office, died this afternoon of apoplexy.

Serves Him Right.

WASHINGTON, 23.—The sentence of the court martial in the case of the sergeant of marines, Duvall, of the U. S. navy, who was tried at Annapolis for shooting and wounding two marines for gathering strawberries in one of the enclosures at the Naval Academy, is that he be suspended from rank and duty for two years. The President has modified the sentence to two years' suspension.

Agricultural Report.

The October report of the statistician of the Department of Agriculture includes the August returns. From the counties producing a large proportion of the corn crop of the United States it is not final as to the report upon the quantity compared with last year's crop, but it is the last report of the season upon the condition of the crop. The average is 84, or sixteen per cent. below the normal crop. The October average last year was 108, or eight per cent. above. The crop last year was estimated at 1,092,000,000 bushels. In view of the decrease in the area indicated, the reduction is above twenty-three per cent. or 250,000,000 bushels. The only States returning an average condition are Georgia, Florida, Arkansas, California and Oregon.

Respect to Chase.

At the opening of the Supreme Court to-day, Attorney General Williams presented the resolutions of the Bar in respect to the memory of the late Chief Justice Chase, with feeling and appropriate remarks. The court concurred in the resolutions of the Bar and directed that they be entered in the minutes. Out of respect to the memory of deceased the court adjourned until to-morrow.

Appeal to the Charitable.

ALBANY, N. Y., 23. — Mayor Thacker has issued an appeal to the citizens, to contribute aid for the sufferers from yellow fever south.

Not So Bad.

The investigation of the Treasury defalcation shows the amount to be much less than at first stated.

Charitable.

BOSTON, 23.—A public meeting is called at the Merchants' Exchange to-morrow to aid the yellow fever sufferers at Memphis and Shreveport.

Elected.

LOUISVILLE, Ky., 23. — The Grand Lodge of Kentucky Masons elected Thos. J. Rickett, of Paducah, Grand Master.

Shot.

John McCarthy, the well known lawyer, was shot in the head, and it is feared mortally wounded, by Jas. Crawford, this afternoon, in a quarrel about money.

WESTERN.

Not Guilty—Exports to Europe.

SAN FRANCISCO, 22.—The trial of Captain Clarke for cruelty to the sailors on the *Sunrise* is still on. The testimony sustains the first reports of outrageous cruelties practiced on the crew of the vessel.

The trial of Edward Lemon, for killing Benjamin Palmer a few weeks since, was concluded in the 15th District Court this afternoon; the jury returned a verdict of "not guilty" without leaving their seats. The proof showed that Lemon stabbed Palmer in necessary self-defense.

The value of domestic produce cleared to-day for Europe was over four hundred and eleven thousand dollars.

CANADA.

Parliament Opened.

OTTAWA, Ont., 23.—The Governor General opened the second session of the Second Dominion Parliament in due form. In his speech he said he had caused parliament to be summoned at the earliest possible moment after the receipt of the report of the commissioners appointed to inquire into the Canadian Pacific Railroad matters. The evidence obtained would be laid before them, and deserved careful consideration. The Canadian Pacific Company, he said, having been unable to make the financial arrangement necessary for the construction of the road, had concluded to surrender their charter, which had been accepted by him. "You will, I trust, feel yourselves called upon to take steps to secure an early commencement and a vigorous prosecution of the construction of that railway, and thus carry out in good faith the arrangement made with the province of British Columbia. Measures for this purpose will be submitted for your consideration." A dispatch was received by the Governor General from the Imperial government approving the prorogation of the house in August, and the appointment of a royal commission for taking evidence regarding the charges made by the opposition in connection with the Pacific Railway scandal.

It is understood that the report of the royal commissioners, which is to be submitted to both houses, exculpates the government from all the charges contained in Huntington's indictment. Sir John McDonald will leave Parliament to take whatever action it may think fit in the premises, whereupon it is expected that McKenzie, leader of the opposition, will move a resolution containing the gist of the petition presented to his excellency on the 14th inst. It is believed in view of the confirmation of Lord Dufferin's course by the imperial government, that the debate upon the constitutional question will be brief.

AUSTRIA.

Visit the Exhibition.

VIENNA, 23.—The German Emperor and Bismarck visited the Exhibition yesterday, and expressed a particular desire to see the American machinery in motion, and were conducted through the Department of the United States, where they examined with interest several of the most curious inventions. As the Emperor approached the French Department many exhibitors left the premises.

Returns to Germany.

The Emperor of Germany left Vienna to-day, on his return to Berlin.
