Season Will Be Extended Indefinitely After Closing Date, Sept. 7.

**PENNANT GOES LABOR DAY**

But Series Among League Teams Is Being Arranged and Big Crowds Anticipated.

While the league season will end Labor day, the leading team to get that pennant on that date, there will be baseball served after Sept. 7 indefinitely. This welcome decision was reached by directors of the Utah Baseball league at a meeting last night. The meeting was held in President Tobin's office in the Judge building. Secy. Hess and Manager Badger had reports on financial condition and other matters ready and after listening to these the directors saw that plenty of money is available for the extension of the season. With all other features propitious the vote to extend was unanimous and came as an answer to the longed-for season of baseball in Salt Lake, Ogden and Murray, the three towns represented in the league.

**BISCUIT AND RABBIT.**

Coach Maddox has returned from Alta where he went to chin with "Dad" Conville, captain of the vaquero football team. Coach Maddox has been a day or so ago but Coach Maddox says the boy is healthy and strong and getting stronger every day. "He is as hard as any biscuit and goes up the hill like a rabbit," said the coach delectably.

**MEN PAST SIXTY IN DANGER.**

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of the prostate gland, which is a full and dangerous, and Foley's Kidney Cure should be taken at the first sign of trouble. This is the only remedy which has cured many old men of this disease. Mr. Rodney Burnett, Rockport, Me., writes: "I suffered for years with prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 61 years old. **President Tobin Given Full Authority Over Ball Games and Ho Will Use It.**

From now on, the player who does anything, whether on the field or off, which injures the league or hurts the game, will be at the mercy of one big John Tobin, president of the Utah baseball league. There has been too much wrangling and too much chaos in the league of umpires, and league officials, at their meeting last night, expressed disgust at the chaotic condition of the league. A long discussion was the action mentioned. President Tobin is an all-around authority on baseball. He has judgment and is afraid of nothing on earth. His having power to keep the league in order will result in quiet and peace on the field. Hereafter there will be little wrangling and chaos. What the league is able to make ugly noises over umpires' decisions and umpires will be instructed to keep order and to help the good cause by being good themselves. The resolution investing President Tobin with high authority over the league was interpreted. In some men's hands it would be almost too wide in Tobin's hands it means clean baseball from now on. Tobin will appoint deputies to watch games and see that all runs smoothly.

**ORGANIZED BASEBALL**

**Present Arrangement With National Protection Planned for Utah Fans for Season of 1909.**

Of the many important matters passed upon by Utah Baseball league directors, none was more important than the decision to let the present league organization have charge of baseball next season and to appoint a committee to look after the league's affairs smoother and more united. The importance of these steps can be seen by the fact that the league has been in a state of chaos for some time. The present organization has experienced with a new league system and has come out at the end of the season with flying banners. The league has been in a state of chaos for some time. **A CURE FOR RHEUMATISM**

Rheumatism is caused by an excess of uric acid in the blood, which is carried through the circulation to all portions of the system. Every muscle, nerve, bone and joint absorbs the acid, pain-producing poison, causing, stiffness, inflammation, stiffness and other well known symptoms of the disease. Permanent relief from the pains and discomfort of Rheumatism cannot be expected from the use of liniments, plasters, and other external treatment which does not reach the blood, where the cause is located. Such measures give temporary relief, but in order to cure Rheumatism the uric acid and inflammatory poison must be expelled from the blood. S. S. S. cures Rheumatism because it is a perfect blood purifier. It goes down into the circulation, neutralizes the uric acid and drives it from the blood. S. S. S. expels the irritating, inflammatory matter which is causing the pain, swelling and other discomfort, enriches the weak, sour blood, and permanently cures Rheumatism. In all forms of Rheumatism, whether acute or chronic, S. S. S. will be found a safe, vegetable remedy, possessing the properties needed to cure, and at the same time a medicine that builds up the entire system by its fine tonic effects. Book on Rheumatism and any medical advice free to all who write.

**Get Eight in the Fifth, Two in The Sixth and Give One.**

Julius, 10; Occidentals, 1.

This tells the tale of yesterday's clash of the crack Colorado team and the colored whizzes of the Utah State league. The Occidentals were outplayed and outbatted and with the visitors running bases like March hares there was no other possible result. Clark and Langford tried in the box for the brunettes, the change from Clark to Langford failed to shut off the slugger's feast enjoyed by the Denver boys. The fifth inning was the colored leaguers' hoodoo for in this the Denverites got eight runs, followed by two in the sixth. The Occidentals got their lone tally in the seventh. Despite outlandish decisions upon the part of the umpire, who was finally taken out of the game, the visitors finally played a hit every minute. This was a great feat as the game was shut off by the crowd and the game was a great feat as the game was shut off by the crowd and the game was a great feat as the game was shut off by the crowd.
