Prove Times, Aug. 11-Mr. John McEwan has been elected recorder for the Prove Min-ing District, for the ensuing year.

From Mr. Moses Chuff, of this city, we learn that consideradamage has been done to the grain crops on the bench north of this city by rabbits, who crossed the lake on the ice last who crossed the lake on the ice last winter. In some instances they have destroyed whole fields of wheat, corn and beans. The dam-age to Mr. Cluff's crops alone will amount to several hundred the sarcasm will be abundantly marited

We are informed that some pro-fessional gentlemen, of this city, yesterday engaged in a game of fisticuff, calling hard names, and otherwise striking and grappling each other in a very ungentlemanly like manner. We understand one of them had the "Fourth of July" scratched over his even and the scratched over his eye, and the other had the seat of his unmentionables fore away. Why were they not acrested?

Ogden Junction, Aug. 12-

Mr. Morris, lately shot by Mr. Zachert, is now able to be out and around town.

Last Monday avaning a son of Charley McGeary, of Mound Fort, was thrown from a horse, and severely injured internally.

The time of travel on the Utah Northern from Ogden to Franklin, its present terminus, is now abort-ened two hours. Trains will leave Ogden and Franklin at the usual time, but will arrive at each place two hours earlier than heretofore.

I was pleased to

A set of the set o

ing this partly to entertain and please them. I do not know whether that ward has get something like the "big head" about the water, but cer-tainly the symptoms indicate some affection of that kind. The other day I asked a 20th warder what days the people of that ward un-derstood they had a right to use the water. He said he thought they reckoued to use it four days in the week, and some of them took it whenever they wanted it into the bargain, which is probably true of some of the citizens up there. Facts seem to point is that direc-tion.
