year are published for the delecta-tion of the lovers of romance. About a third of these are produced in America and another third in England. Just think of it? The inveterate novel-reader, in order to keep up with the stories of the year are published for the delectakeep up with the stories of the "I want to be a Mormon, times, would have to take in three And with the Mormon's stand." volumes every day in the year, to say nothing of novelettes and serial stories in magazines. The effects abuse of these people, chiefly by individuals who have either some of so much fictitious pabulum on the public mind, particular its fem-inine section, is very injurious. It the Mormon church, its doctrines renders it unfit to grasp ideas of any and practices, but who seem to renders it unfit to grasp ideas of any gravity or questions of real import-ance. It creates a distaste for any kind of reading which requires the exercise of the thinking and reason-ing faculties. It gives exaggerated notions of life and its incidents, notions of life and its incidents, pictures impossible heroines and unearthly heroes, plays all kinds of tricks with truth and history, and, with its gaudy coloring of imagin-ary pleasures, renders the novel in-ebriate dissatiafied with and unfit for the dull-hued realities of actual existence.

Light reading may be permissible te those who study and exercise their mental powers on matters of BY TELEGRAPH moment. But it should only be iudulged in as an infrequent recreation. The mind that becomes absorbed in novels, and lives and moves and has its being in the realms of fiction, is in a diseased condition and needs treatment that will deprive it of the cause of its derangement. Many an (innocent girl has been led into the path of girl has been led into the path of diagrace and dishonor through the romantic ideas imbibed from story books. Elopments, and secret mar-riages and hostility to the wise counsels of kind parents, are fre-quently the result of the false and foolish notions that are instilled into the unbalanced mind by per-nicious novels. And boys are often prompted to take the road to ruin, through the gay pictures of the lives of lawless vagabonds which are painted by the novelist and roare painted by the novelist and ro- is. mancer

In guiding the juvenile mind and advising the young man or woman just; emerging into maturity, the just emerging into maturity, the greatest wisdom is needed. If a taste for light literature exhibits itself, entire prohibition will often precipitate rebellion or secret dis-regard of parental restric-tions. It is better in such cases to make judicious selec-tions than to forbid all ipduigence. There are works written with the object of holding up virtue to ad. object of holding up virtue to ad miration and vice to reprehension and abhorrence, couched in lan-
