THE **BY ALL ODDS BEST EQUIPPED RAILROAD IN THE WORLD**

Let it be forever remembered that the

CHICAGO & NORTH-WESTERN RAILWAY

is the best and shortest route to and from Chicago and Council Bluffs (Omaha), and that it is preferred by all well posted travelers when passing to or from

CALIFORNIA AND COLORADO.

It also operates the best route and the short line between

Chicago and St. Paul and Minneapolis

Milwaukee, LaCrosse, Sparta, Madison, Fort Howard (Green Bay), Wis., Winona, Owatonna, Mankato, Minn., Cedar Rapids, Des Moines, Webster City, Algona, Clinton, Marshalltown, Iowa, Freeport, Elgin, Rockford, Ill., are amongst its 800 local stations on its lines.

Among a few of the numerous points of superiority enjoyed by the patrons of this road, are its **DAY COACHES** which are the finest that human art and ingenuity can create; its **PALATIAL SLEEPING CARS,** which are models of comfort and elegance; its **PALACE DRAWING ROOM CARS,** which are unsurpassed by any; and its widely celebrated

NORTH-WESTERN DINING CARS,

the like of which are not run by any other road anywhere. In short, it is asserted that **IT IS THE BEST EQUIPPED ROAD IN THE WORLD.**

All points of interest North, Northwest and West of Chicago, business centres, summer resorts and noted hunting and fishing grounds are accessible by the various branches of this road.

It owns and controls over 5,000 miles of road and has over four hundred passenger conductors constantly caring for its millions of patrons.

Ask your ticket agents for tickets via this route. **AND TAKE NONE OTHER.** All leading ticket agents sell them. It costs no more to travel on this route, that gives first-class accommodations, than it does to go by the poorly equipped roads.

EVENING NEWS.

Wednesday, - May 7, 1884.

CITY COUNCIL.

Proceedings of the City Council, Tuesday evening, May 6th, 1884, Mayor Sharp presiding:

After the usual formulas the Council proceeded to the transaction of the following business:

A complaint and affidavit signed by one Ann Elmer, as plaintiff against Salt Lake City and Charles Livingston, defendants, was read. The complaint alleged that plaintiff is the owner of a patent from the United States, and has been such owner since Sept. 20th, 1870, of the north half of the southwest quarter and lots 3 and 4, all of section 19 in township one south of range one east, Salt Lake Meridian; that said land is valuable for agricultural purposes; that about 25 acres in lot 4, on the northwest quarter of section 19, and about 20 acres in lot 3 on same quarter section are under cultivation. That defendants have forbidden and prevented plaintiff from cultivating a large portion of the remaining lands. That on or about March 28th, 1884, defendants unlawfully and and with force entered upon said land, tore down the fence thereon and drove teams over and through said premises and against plaintiffs will and consent, erected a bridge thereon for the convenience and benefit of defendants. That defendants threaten to continue to enter upon and over said land and throw down said fences as often as the plaintiff shall rebuild the same, and they refuse to allow plaintiff to fence and cultivate certain portions of said land. That plaintiff has been damaged by such unlawful acts in the sum of $1,000, and more, if not now allowed to improve said land. Wherefore defendant asked judgment from the Third Judicial District Court of Utah Territory in the sum aforesaid, and that defendants, their agents, attorneys and employees be perpetually enjoined from entering upon said land, and for such further relief as the Court may deem proper and just, and for costs. The attorneys for plaintiff are Boreman and Denny.

A temporary injunction was also read signed by John A. Hunter, Judge of the Third Judicial District Court of Utah Territory, restraining Salt Lake City and Chas. Livingston or their agent, attorneys and employees from entering upon the land mentioned in complaint or interfering in the fencing and cultivation of the same, and that defendants show cause on May 20th, 1884, why a permanent injunction should not issue. The document was referred to the city attorney.

PETITIONS.

From Dr. S. B. Young and 98 others, representing that the public thoroughfare crossing Emigration Creek, near the residence of H. H. Harris, is obstructed by a substantial fence placed across the south end of the bridge crossing said creek, with a notice thereon threatening prosecution to any person trespassing thereon signed by one Ann Elmer. The petitioners asked that the Council cause said obstruction to be removed, as speedily as possible, as the road mentioned is the main thoroughfare to the Insane Asylum, to the homes of farmers on the east bench, to important rock quarries and to Parley's Canon and Park City, the same having been in continuous use since 1869. Laid on the table subject to call.

From Chas. W. Stayner, asking the use of a portion of the street and sidewalk in front of his premises on "D" Street between First and Second streets, whereon to place material to be used in the erection of a dwelling. Granted under the usual restrictions.

From Sherwood Bros., asking that Geo. Thurgood's meat license be transferred to them. Granted.

From Bechtol Bros., for license to do business as retail dealers in liquors at the Metropolitan Hotel. Granted.

From E. Jacobs and Louis E. Bamberger for auctioneer's license for one year. Granted.

REPORTS.

From City Marshal, showing expenses in the various departments over which he exercises supervision, as per accompanying vouchers for month of April, 1884, of $230.00. Referred to the committee on finance.

The committee on improvements reported that a proposition having been received from the Firemen's Band to entertain the people by free public performance of musical selections at convenient periods, provided the city would supply suitable accommodations in the way of a band stand and seats in central locality, seconded by other bands in the city, they had considered the matter in connection with the Mayor, and were unitedly of opinion that such a proposition, if effected, would meet with general favor, and therefore recommended the erection of a suitable band stand and seats in the City Hall park, and that the various bands be invited to perform there; the improvements to be made under the direction of the Marshal, for which the committee recommended an appropriation of $500, or so much thereof as may be necessary. After discussion, a vote to adopt this report was lost by a standing vote of 6 to 8.

From the committee on public grounds, recommending that Lewis Ovirtt be privileged to remove a certain lime deposit from the piece of land owned by the city adjoining that owned by John W. Snell, on payment of $200 per annum; the city attorney to draw a suitable lease. Adopted.

From the committee on public grounds recommending the purchase of eleven acres of land belonging to Bishop John Sharp, situated some 90 rods west of Jordan Bridge on the south side of the main road running west from said bridge for $10 per acre, said land to be used as a place for deposit of night soil and refuse carted by scavengers. Adopted.

The committee on enrollment reported that an ordinance in relation to quarantine had been properly enrolled, signed by the Mayor and recommended publication. Adopted.

The committee on license recommended that the exhibition known as the "Little World" be licensed for $15 per month. Adopted.

The committee on license recommended that Mrs. Ashworth be granted a license free of charge for one year. Adopted.

BILLS.

Mrs. Burt, for boarding city prisoners for April, $440.40: Dr. Jeter Clinton, for services for April, $75; *Herald* Co. for printing transcript on appeal case of Levy vs. City, $87.50; Deseret National Bank, interest on our draft for April, $8,70; Thos. Wardell for interest on Corporation note of $50,000, for six months, $1,750. Allowed.

APPROPRIATIONS:

To Jordan and Salt Lake City Canal, $1,000; to water works account, $1,500; to fire department, $100.

On motion, the Mayor was authorized to borrow $5,000, or so much thereof as may be necessary to meet current expenses.

On motion the Supervisor of Streets was instructed to see that streets wherein excavations for water and gas pipes are made, be restored to as good condition as before such work is begun.

On motion the contract with the Power, Light and Heating Company by which said company supplies three electric lights on North Temple Street, at $240 per lamp per annum, said contract expiring May 12th, 1884, was ordered to be continued during the pleasure of the Council.

On motion the subject of police salaries was referred to the committee on police, with the Mayor associated.

Adjourned.

THE PERILS OF EDITORS.

Mr. Kinsella died of overwork — not so much in recent years as from the toils of years that preceded. We are in our business and occupations very apt to appreciate our own fatigues. Every avocation knows its own worriments the better. We do well sometimes to halt in our work and not inquisitively but sympathetically to look over to the work of others. None but those who get behind the scenes can appreciate the weariness that are required in the making up of a great daily newspaper. Its demands for "copy" come with such fearful regularity. Newspaper writers must produce just so much whether they feel like it or not. Pulpits close up for vacation four or eight weeks. Newspapers cannot close except they close in bankruptcy or extinction. So many thousands of subscribers to instruct or please. The newspaper company on one side to scrutinize the editorial chair, the public on the other side to applaud or blame. So many public men who do not think themselves properly appreciated of the press. Anonymous sneaks attempting to make editors and reporters responsible for their own assenine assaults. A great newspaper office is an army, but though there may be captains over companies, and colonels over regiments, the commander-in-chief is held responsible for all charging on or falling back. Under the pressure newspaper men seem to go before their time. Henry J. Raymond died of overwork, Samuel Bowles of overwork, Horace Greeley of overwork. Once in a while we see a veteran of journalism like Thurlow Weed or William Cullen Bryant, or Erastus Brooks, or James Watson Webb, lingering down to a healthy old age; but it is in all cases because they shifted the chief burden to other shoulders. The columns of our wide-awake and enterprising newspapers have again and again been the coffin of editors and reporters and compositors. So while we rejoice in the fact that we get all the news, let us fully appreciate the toils and exposures by which it is gathered. But all occupations have toils enough. Multitudes make a failure of life under the delusion that if they can get at something else it will be easier. They cross over and find as many disadvantages or worriments in the new occupation as in the old.—*Dr. Talmage, Leslie's Sunday Magazine.*

TUTT'S PILLS

TORPID BOWELS and DISORDERED LIVER.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: **Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Exaction of food, Irritability of temper, Low spirits, a feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION,** and demand the use of a remedy that acts directly on the Liver. As a Liver medicine **TUTT'S PILLS** have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "scavengers of the system," producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. **TUTT'S PILLS** cause no nausea or griping nor interfere with daily work, and are a perfect

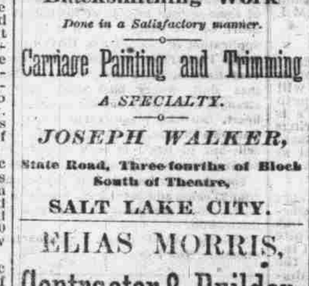
PRICKLY ASH BITTERS



The majority of the ills of the human body arise from a derangement of the **Liver,** *affecting both the stomach and bowels. In order to effect a cure, it is necessary to remove the cause. Irregular and Sluggish action of the Bowels, Headache, Sickness at the Stomach, Pain in the Back and Loins, etc., indicate that the Liver is at fault, and that nature requires assistance to enable this organ to throw off impurities.*

Prickly Ash Bitters are specially compounded for this purpose. They are mild in their action and effective as a cure; are pleasant to the taste and taken easily by both children and adults. Taken according to directions, they are a safe and pleasant cure for Dyspepsia, General Debility, Habitual Constipation, Diseased Kidneys, etc., etc. As a Blood Purifier they are superior to any other medicine, cleansing the system thoroughly, and imparting new life and energy to the invalid. It is a medicine and not an intoxicating beverage.
