FAMILY

RECORDS.

WE ARE NOW PREPARED to receive orders for FAMILY RECORDS of an approved form.

Each book is divided into four forms.

The first form is that of a "FAMILY RECORD," with ruled and printed spaces for births, marriages, and deaths, in each family, also for names, dates, and places, one page acommodating one family.

The second form is a "CHURCH RECORD," with spaces for blessings, baptisms, confirmations, ordinations, endowments, and patriarchal blessings and various particulars of the same.

The third form is a "SEALING RECORD," with spaces for name of person sealed, birth, death, time, place, etc.

The fourth form is a "BAPTISM FOR THE DEAD RECORD," with spaces for names, dates, birth death, baptism, confirmation, etc.

Each book is furnished with a title page, on which the person owning the record can enter his or her name. An explanation of the forms, or instructions how to keep the record is also printed in each book, and its pages are numbered.

These Records are well printed and ruled on good ledger paper, substantially bound in full sheep, English roan, or Bock. We can furnish them of any size, from on to five quires, or larger, but probably five quires is as large as will be desired. We can also furnish the various forms in a record, proportioned to each other to order.

Pendleton and the Ohio Senatorship.

NEW YORK, 27. — Pendleton's chances for the Ohio senatorship are not as good as were supposed. While he doubtless has the lead at present, it is not believed he can be elected. The competition of Ewing Payne, General Durbin Ward and General Morgan seems likely to stay Pendleton and bring some dark horse to the front.

The Mexican Difficulties.

No change in the Mexican situation has developed during the last week, although the idle story is revived that the Washington administration seeks an embroilment with Mexico. It has not a peg to stand upon. Pacific coast speculators should not be deceived by it. No annexation scheme is contemplated. The peaceful arrangement with Mexico is a prelude to the recognition of Diaz, which bids fair to be formally completed between the Mexican government and Minister Foster. Minister Foster may forward here a project for a treaty, to which Diaz binds himself by signature, and then the recognition of the *de facto* Mexican president may at once be accomplished and the treaty sent to the Senate. The warlike talk in Texas indicates the local, not the national view and purpose.

Wool Market.

In wool the demand is moderate and prices continue weak and unsatisfactory. Fine fleeces are quite dull and neglected. There appears to be very little pressure to sell, but holders are ready to make concessions to good buyers. Sales still continue to exceed receipts, which, for some weeks, have been small compared with previous years. The principal transaction of the week was a lot of 500,000 lbs. of spring California to a large manufacturer, at prices not transpired, but understood to be little above 30. The entire sales of California foot up 736,000 lbs. at 22½ @ 35½ for spring, and 17 @ 27 for fall. Other sales include Ohio No. 1, XXX and above at 42½ @ 47. Michigan, Missouri and other fleeces 36 @ 45; combing and delaine 47 @ 56; unwashed combings 36 @ 38; unwashed fleeces 28 @ 32. Colorado 21 @ 27. Texas 15 @ 32; tub washed 45, scoured 46 @ 75, super and X pulled 30 @ 46. The total sales of domestic for the week was 1,400,700.

Jay Gould and the Sinking Fund Question.

WASHINGTON, 27.—The Senate judiciary committee met, to-day, in secret. It is known that the Pacific Railroad sinking fund question, as presented by Thurman's bill, was under consideration. Jay Gould, in behalf of the Union Pacific Railroad, submitted a statement supporting the recommendations of the government directors.

Important Mining Decision.

The Commissioner of the General Land Office has rendered a decision of importance concerning annual expenditure on all mining claims. Commissioner Williamson holds that the first annual expenditure upon a claim located prior to May 19, 1872, should have been made by the January 1st, 1875, and the second by January 1st, 1876; also that the first annual expenditure upon a claim located since May 10th, 1872, should have been or must be made within one year from the date of discovery and location, and that the amount required by the local mining law on regulations to be expended before a record of such losses can be made may apply upon the first annual expenditure on claims thus held, if the other provisions of the law are complied with. The second year commences immediately on the expiration of the first, and the required expenditures may be made at any time during the year.

Charged with Stealing—A Novel Way of Raising Money.

ST. LOUIS, 27.—A novel suit was entered in the District Court this morning by Alexander S. Buchanan, against Sahlem, Sniger & Co., wholesale clothiers of this city. The petition alleges that said Buchanan has been, until a few days ago, a salesman and confidential clerk of the firm named for nearly twenty years; that on the 13th of this month he was inveigled to the office of a lawyer, the doors closed and locked. He was then charged with stealing from the firm during the past ten years some $10,000 worth of clothing and property, and was threatened that unless he made the loss good he would be prosecuted and sent to the penitentiary. He was denied any time for consideration with friends, and finally, while stunned with the enormity and falsity of the charge, and while laboring under mortal fear of threats made to him, and being wholly in the power of his accusers, he made over to them certain bonds, money, and notes of the value of $10,000. The petition further alleges that the plaintiff is entirely innocent; and charges his employers with conspiracy to destroy his reputation and asks $50,000 damages.

Embezzlers Arrested.

CINCINNATI, 27.—Lewis Meyers, treasurer, and J. S. Smith, auditor, of Anglaise County, were arraigned to-day at Wapakonetta, charged with embezzling $47,000 county funds. Meyers plead guilty and was sentenced to three years in the penitentiary. Smith was committed to jail for want of $10,000 bail.

Secretary Evarts and the Mexican Troubles.

CHICAGO, 27.—The *Tribune's* Washington special says: Secretary Evarts has not yet concluded his reply to the letter of the Governor of Texas, asking protection from the Mexican invasion. It is expected he will clearly indicate the government's policy respecting the border troubles, and shew the inability of the Diaz government to maintain peace on the border. It is now said that undue importance has been given to Mata's return home. He left because of the severity of the winter climate, but the minister at the City of Mexico is conducting the negotiations. The government does not anticipate trouble with Mexico, but it is not denied that slight events might precipitate hostilities. The only real annexationists here are speculative capitalists, who want to speculate in mines.

WESTERN.

Fatal Railroad Collision.

SAN FRANCISCO, 27.—A collision occurred this evening between the steamers *Clinton* and *Petaluma*, half way between Alcatraz and Tauceilte. The *Clinton* sunk. The *Petaluma* reached here in a sinking condition. The engineer of the *Clinton*, named Manny, was drowned. No other lives lost.

FOREIGN.

GREAT BRITAIN.

Gen. Gourka's Movements.

LONDON, 27.—The pro-Russian sympathizers here are greatly exhilarated by General Gourka's successful raid cutting off the Turkish line of supply *via* the Sophia road to Plevna. It is beyond question a serious disaster for the Turks and more important to the Czar than would have been the success so desperately contested for in assaulting Lovatz and Grivitza. It severs Osman Pasha's communication with all points west of Plevna, cuts him off from needed winter supplies and his line of retreat, and menaces his rear so as to compel the erection of defences in that direction. The success was effected by the combined Russian forces approaching simultaneously from north and south of Plevna and thus concentrated at the point of attack. It looks as if the investment of Plevna is now complete.

HIGHEST HONORS

AT THE

UNITED STATES

CentenniaL

World Exhibition,

1876.

MASON & HAMLIN CABINET ORGANS

Unanimously assigned the

"FIRST RANK

IN THE

"SEVERAL REQUISITES"

of such Instruments!

The MASON & HAMLIN ORGAN CO. have the honor to announce that the Organs of their manufacture have been unanimously assigned "the FIRST RANK in the SEVERAL REQUISITES of instruments of the class" by the Judges at the CENTENNIAL EXHIBITION at Philadelphia, 1876, and are the ONLY INSTRUMENTS OF THIS GENERAL CLASS AWARDED THIS RANK. This is after the severest competition by the best makers before one of the most competent juries ever assembled.

They have also received the MEDAL, but, as is well known, medals of equal merit have been awarded all articles deemed worthy of recognition; so thus it will be easy for many makers to advertise that they have received "first medals."

The differences in competing articles, and their comparative excellence, are recognized in the Reports of the Judges from which the following is an extract:—

"*THE MASON & HAMLIN ORGAN CO.'S exhibit of Reed Organs and Harmoniums shows instruments of the FIRST RANK IN THE SEVERAL REQUISITES OF INSTRUMENTS OF THE CLASS, viz: Smoothness and equal distribution of tone, scope of expression, resonance and singing quality, freedom and quickness in action of keys and bellows, with thoroughness of workmanship, combined with simplicity of action.*"

(Signed by all the Judges.)

The Mason and Hamlin Organs are thus declared to rank first, not in one or two respects only, but in the SEVERAL REQUISITES of such instruments, and they are the **Only** ones assigned this rank. This triumph was not unexpected, for the Mason & Hamlin Cabinet Organs have uniformly been awarded the highest honors in competitions in America, there having been scarcely six exceptions in hundreds of competitions. They were awarded highest honors and

FIRST MEDALS

PARIS, 1867; VIENNA, 1873; SANTIAGO, 1875

PHILADELPHIA, 1876;

and have thus been awarded highest honors at

Every World's Exposition!

at which they have been exhibited; being the **Only American Organs** which have ever obtained **Any Award** at any in any European World's Exposition!

NEW STYLES, with improvements, exhibited at the CENTENNIAL, elegant new cases in great variety. Prices very lowest consistent with best material and workmanship. Organs sold for cash on installments, or rented until rent pays. Every Organ warranted to give entire satisfaction to every reasonable purchaser, or THE MONEY REFUNDED. ☞ ILLUSTRATED CATALOGUES sent free.
