

We have made it a rule to exclude from our columns poetic lines attached to death notices. Occasionally we receive verses containing excellent sentiments expressed in the true spirit of poetry. If we were to publish these we could not, without giving pain to the bereaved, reject the meaningless rhymes which sometimes come to hand. Our friends will therefore, we hope, understand why their obituary effusions forwarded to us do not appear in print, and acquit us of any intention to be discourteous or unfeeling in consequence. The rule must be general to avoid offence.

Australia is to have an International Exhibition. It will be held in Carlton Gardens, Melbourne, will be opened October 1, 1880, and close March 31, 1881. British, Foreign and Colonial governments are invited to take part therein. Applications for space must be made not later than June 30, 1879. Those who are desirous of obtaining further particulars, details, rules, etc., may communicate with the Secretary to the Commissioners, International Exhibition, Melbourne, Australia. We are indebted to Thos. B. Hill, Esq., acting secretary, for a copy of the Programme and Regulations. Australia is a very important section of the globe, and we hope its great exhibition will prove eminently successful.

#### THE WORLD'S CHOICE.

Compent judges representing the civilized people of the world, appointed for the knowledge of particular arts or sciences, convened at Philadelphia for six months to decide upon the comparative merits of the various inventions of mankind, awarded to the manufacturer of Benson's Capeline Porous Plaster, the highest and only medal above all others, on the ground of its great healing and curative properties. Remember that this decision was made by four practical and skilled physicians.

Remember when you are suffering from any ache or pain that Benson's Capeline Plaster is the best remedy ever devised for all external difficulties. Sold everywhere. Price 25 cents!

#### ASK THOSE WHO KNOW

Ask your physician if Benson's Capeline Porous Plaster is not the best Plaster in the world. It has a better reputation among physicians than any similar article known. Its superiority to the old style of porous plaster is very marked.

EXPERIENCE has conclusively shown that for cutaneous eruptions, open sores, leprosy exfoliations and rheumatic complaints, HENRY'S CARBOLIC SALVE is more efficacious than any ointment, lotion or embrocation that has ever been devised. Physicians admit this and the popular verdict confirms and ratifies the professional dictum, and assigns this salve the foremost place among remedies of its class. Sold by all Druggists.

#### A Household Necessity.

We very seldom call the attention of our readers to any article unless we are satisfied it is one possessing real merit; but from what we hear of HALE'S HONEY OF HOREHOUND AND TAR, we believe we are only doing justice to the article when we here assert it is a certain specific for all Coughs, Colds, Influenza, and all affections of the Throat and Lungs leading to consumption. We understand that C. N. Crittenton, of No. 7 Sixth Avenue, has, at a large expense, purchased the right of same, and that he continues to manufacture the article according to the original recipe of the late Dr. Hale, a celebrated physician of Europe, who used it for years in his private practice. It is sold by all druggists at 50 cents and \$1 per bottle, the largest size being much the cheapest. Depot, CRITTENTON'S, 7 Sixth Avenue, New York City.

PIKE'S TOOTHACHE DROPS cure in one minute.

CHEW Jackson's Best Sweet Navy Tobacco.

WHILE in New York this winter or spring, you need not pay twice for meals that you only get once. In other words, the Grand Central Hotel, on Broadway, is now conducted on both plans, the American \$2.50 or \$3.00, and the European \$1.00 and upwards, per day, which allows you to take your meals at the elegant restaurant attached to the Hotel, at moderate prices, or to take a room only, and pay for what meals you get.

#### The Only Way.

The only way to cure catarrh is by the use of a cleansing and healing lotion, applied to the inflamed and diseased membrane. Snuffs and fumigators, while affording temporary relief, irritate the affected parts and excite a more extended inflammation. Besides, no outward applications alone can cure catarrh. The disease originates in a vitiated state of the blood, and a thorough alternative course of treatment is necessary to remove it from the system. Dr. Sage's Catarrh Remedy has long been known as an efficient standard remedy for this disease, but, to insure a radical and permanent cure, it should be used in conjunction with Dr. Pierce's Golden Medical Discovery, the best vegetable alternative yet discovered. The Discovery cleanses the vitiated blood, while the Catarrh Remedy allays the inflammation and heals the diseased tissues.

THE *Millennial Star* will be mailed to any address, on receipt, by the publishers, of \$2.10. Three copies will be forwarded for \$4.20, the reduction being on account of the difference in postage. Address William Budge, 42 Islington, Liverpool, England.

#### Important to Threshers and Farmers.

Russell & Co., of Massillon, Ohio, inform me that they are now prepared to furnish a TRACTION ENGINE to run their Separators that will propel themselves and Separator over any ordinary roads faster than horses commonly walk. June 1st, 1879, one of their machines with traction engine can be seen at my wagon yard, at which time a trial trip will be made. Circulars giving description of this new invention will be out March 20th. Send for one to

#### Solid Merit will Tell.

For all the bitter opposition of jealous rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kaiser's German Elixir. For the cure of Coughs and Bronchial Affections, it is truly wonderful, even those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief but cure. It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. A trial size may be had for 25 cents.

For sale, wholesale and retail, by the Z. C. M. I. Drug Department and Moore Allen & Co., Salt Lake City.

#### Various Causes—

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them incline it to shed prematurely. AYER'S HAIR VIGOR will restore faded or gray, light and red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action, and removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are beautifully shown on brashy, weak, or sickly hair, to which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye, and will not soil nor color white cambric; yet it lasts long on the hair, and keeps it fresh and vigorous. For sale by all dealers.
