SPECIAL BUSINESS NOTICES

"Under the Lilnes?"

"Under the Lilaca" was begun in S. Nicholas, Scribner's illustrated magazine for girls and boys, for November, 1877, and will be completed in October, 1878. The publishers offer the 12 numbers, from November, 1977, to October, 1979, containshort stories, poems, pictures, DINWOODEY'S FURNITURE thymes, and lingles almost innumerable, for \$2.50, or they can be had of any bookseller at the same

Cutler, any of the points that are of interest to those who have purchased or contemplate purchasing maand again challenge them to a given to sun ... comparison and test of their respective merits. Will the Singer Company be foolish enough to claim or try to make the people believe that the three outside firms, who are now manufacturing Singer machines, can not from exactly the sons, at their office, on the presame patterns turn out and put on mises. the market, a machine equally as good as the one sold by them? Why then does the SingerCompany try to brand as "pirates," "swindlers" and "liars," those who do not Boyd's world-renowned gallery at to buy and sell ma- San Francisco, we are now prepared chines made by them? am now procuring Singer mafirms, one too who does not and

never has dealt in old, second hand machines of any kind. If the Singer Company's Agent in this city has not, during the past year, been refitting and selling old machines for new, why does he not, without prevarieation, say so, in the place of telling what he is now "instructed to do," and what he is now doing? In "justice to his patrons," why does he not state that during the past year or so he has received but few, if any new machines from the Singer Company, but that he has kept his stock replenished by repossessing from customers hundreds of old, half worn out machines; that he has employed to repaint and regild these old machine heads, and has thus been enabled to work them off on the good citizens of Utab? M. B. SOULES, Salt Lake City.

BOGUS MACRINES. In a recent issue of your paper there appeared an article over the aignature of M. B. Sowles, "dealer" in sewing machines, in which wa find an implication (not an amorcity, has been palming off on the people of Utah, old machines for new. In justice to our patrons, we little girl Williams, drowned in a well known painter in this city will say that our instructions from the home office in this matter are imperative and are as follows: "You are in no case to sell secondhand machines for new, but sell them for what they are, and at reduced rates." In no case do we

GILLETS LAUNDRY CASTILE depart from these instructions. A Company, which by its combined energy and skill through nearly 30 years of experience, has placed upon the market a machine unequalled, whose factories are turning out 6,000 machines per week, whose sales for the last three years nearly equal those of all other companies combined, and which to-day, stands head and shoulders above all of its competitors is certainly not driven to sell old machines for new, much less to

practice any kind of deception. Again, this implication becomes much more absurd when we conthe success of a first-class hotel are sider that this "dealer" gets his courteous treatment, a well-ap- machines from a firm in Chicago, lafted, however, that those figures pointed cuising, and well furnished which every one in the sewing rooms.
