

OUR OWN STATE.

OGDEN NEWS.

The branch office of the Deseret News in Ogden is at No. 408 Twenty-fourth street, where advertisements and subscriptions will be received. The "News" is delivered by carriers in Ogden every evening on the same terms as in Salt Lake City.

OGDEN, UTAH, - AUG. 14, 1903.

DISTRICT COURT BUSINESS.

Delegates to Mining and Trans-Mississippi Congresses.

Miss Zora L. Stout and Will E. Hurt marry in Omaha—Ogden's Criminal Record.

A letter has been received by Gilbert McClure, special representative of the irrigation congress, from Fred W. Taylor, chief of the bureau of agriculture in Washington. Mr. Taylor says he will attend the congress and will make an address on the subject of "How to Best Exhibit Agriculture at the St. Louis Exhibition."

C. B. Boothe, chairman of the executive committee of the National Irrigation association, writes from Los Angeles that the attendance at the irrigation congress this year will be the greatest—so far as California is concerned—in the history of the gathering.

DELEGATES TO MINING CONGRESS.

The Weber club has appointed as delegates to the National Mining congress, which convenes at Deadwood and Lead, South Dakota, Sept. 7, J. D. Carman, Don Maguire and H. C. Baker. The club's delegates to the irrigation congress are: Angus Wright and Wm. Glorffmann.

FOR TRANSMISSISSIPPI CONGRESS.

L. W. Shurtliff, Angus Wright and L. Clark left this morning for Seattle to represent the irrigation congress governing board at the Transmississippi congress. They will stop over in Pocatello, Boise and other cities to advance the irrigation congress and secure attendance from the northwest. Mrs. Jennie E. Nelson will go as delegate from Weber county in place of Edwin Dix, who notified the county board of his inability to attend. The Weber club delegates are: David Eccles, Thos. D. Dee, H. H. Spencer and Judge Rolapp.

STOUT-BURT NUPTIALS.

Miss Zora L. Stout and Mr. Will E. Hurt, both born in Ogden business and social circles, were married yesterday at noon in Omaha at the home of Geo. G. Wallace by Rev. John Williams. Mr. and Mrs. Hurt at once went on east and will return to Ogden about Oct. 1. The bride is the daughter of Mr. and Mrs. Burt. The groom is the son of Mr. and Mrs. Burt. The bride is the daughter of Mr. and Mrs. Burt. The groom is the son of Mr. and Mrs. Burt.

QUICK RELIEF FOR ASTHMA SUFFERERS.

Foley's Honey and Tar affords immediate relief to asthmal sufferers in the worst stages of the disease. The remedy is sold by all druggists. It is a cure. Sold by Johnson-Pratt Drug Co.

ORDINARY HOUSEHOLD ACCIDENTS HAVE NO TERROR WHEN THERE'S A BOTTLE OF Dr. Thomas' Electric Oil in the medicine chest.

Heals burns, cuts, bruises, sprains. Instant relief.

RICHFIELD.

SHORT COURT SESSION.

Fruit and Other Crop Prospects Very Promising.

Special Correspondence.

Richfield, Sevier Co., Aug. 11.—Judge John P. Childers held a special session of the district court here today and transacted the following business: Hannah W. Jensen vs. Jos. L. Jensen; plaintiff in this case brings suit for separate maintenance for herself and the child. The court ordered that defendant pay plaintiff \$20 per month and \$25 per month while suit is pending.

Estate and guardianship of Una E. Peterson, a minor, came up for hearing on report and Sarah Peterson, guardian. Report approved as prayed for.

Estate of Mary L. Jones, trustee for Blanch Jones, et al. Sale of real estate approved.

Estate of Wm. F. Sampson, deceased; Edward Payne reappointed administrator; bond, \$420.

Judge Childers will leave for Ogden in the morning, where he will try a case tomorrow night.

The yield here is much heavier than usual this year. It is practically all in the stock now, and grain harvesting has begun.

Apples are plentiful in this valley this year and are of good quality.

Peaches are a failure on the Sevier, as a rule, but those who have orchards will have a fair crop this year. Plums will also be plentiful in season.

The water here has been on its water system after a delay of two months waiting for piping.

NIELSON-SMITH NUPTIALS.

A marriage license was issued today to Walter Smith, 23, and Clara Nielson, 20, both of Elsinore.

Telling piles? Never mind if every thing else failed to cure you. Try Dr. Williams' Pink Pills. There, 30 cents, at any drug store.

VERNAL.

Delightful Overland Trip from Heber to Vernal.

Special Correspondence.

Vernal, Utah County, Aug. 10.—From Heber to Vernal, across the Utah reservation in the beginning of August, is an enjoyable trip to the lover of mountain scenery. The first camp was made on the big meadow in Strawberry valley. The night was beautiful in the extreme, the air clear and exhilarating, while the excessive stillness was only broken occasionally by the splash of a trout in the brook or the shrill shriek of the horned owl.

The scenery along the Strawberry creek and Duchesne river is beautiful, but the road from Duchesne to Vernal is very rough and dusty, and much worn.

Vernal is growing and crops are better than usual. Fine storms visit

Mr. and Mrs. Albert Sweetser left yesterday for Seattle where Mr. Sweetser is a delegate to the Trans-Mississippi congress.

Dr. Crayton Snyder accompanied by his friend, Dr. Topham, was in Ogden

Cured

My Wife of Heart Disease and Myself of Nervous Dyspepsia With

Dr. Miles' Heart Cure and Nerve.

"I had but known what medicine and what physicians were reliable I would be about \$1000 ahead today, for years my wife had been unable to eat and sleep and palpitation of the heart accompanied by weak nervous spells. We consulted several different local doctors and tried nearly every patent medicine I heard of and my wife had almost given up in despair when my druggist advised her to give Dr. Miles' Heart Cure and Restorative Nerve a trial. After taking one-half bottle of the Nerve she felt better than she had in two years. She bought three bottles of each and is today enjoying better health than she did in all her life. I know it is all due to Dr. Miles' Restorative Nerve and Heart Cure. I think Restorative Nerve is the best medicine on earth. As a stomach remedy it cannot be beaten. It cured me of nervous dyspepsia and if from any cause I feel nervous and I think my stomach is going to trouble me I just take a few doses of Restorative Nerve and Liver Pills and I soon feel all right again. Dr. Miles' Anti-Pain Pills are the best remedy for headache and pains I have ever used. I always keep a box in my house. One Pain Expeller has cured me in thirty minutes. I have been using Dr. Miles' Restorative Nerve in my family fifteen years and think they are the best in the world.—ISAAC HEADLEY, Station Master, Santa Fe R. R., Wichita, Kan.

All druggists sell and guarantee first bottle of Dr. Miles' Remedies. Send for free book on Nervous and Heart Diseases. Address Dr. Miles Medical Co., Elkhart, Ind.

NORTH OGDEN.

HARVESTING FINE CROPS.

Missionaries Coming Home—Eighth-day Anniversary.

Special Correspondence.

North Ogden, Weber Co., Aug. 12.—The cases of typhoid fever in our midst are now reported convalescing, and with good care, what would otherwise have been severe cases will only be of mild form. Otherwise our community is free from any sickness of a serious nature.

The harvesting of grain is over and threshing has commenced. The grain crop is fairly good though limited in area. The berry season is over, but other varieties of fruits are crowding the market.

The property of celebrating the fifth anniversary of the organization of the Thirty-eighth quorum of Seventy this day is being considered.

MISSIONARIES COMING HOME.

Elders Albert S. Fernin of Pleasant View ward and E. M. Blaylock of North Ogden, will sail from Auckland Sept. 11 for home, after spending nearly three and a half years in the South Sea Islands.

BIRTHDAY HONORED.

One of the most pleasant social events of the season was had last evening at the residence of Mrs. Margaret Storey in honor of her seventieth birthday. She was born and raised in the North Ogden ward of the city.

JENSEN.

AN ENTERPRISING WARD.

Successful Irrigating Plant—Settlement of White River.

Special Correspondence.

Jensen, Utah Co., Aug. 11.—This place is improving, and crop prospects are better than for years. The water supply is holding out well, added by the good summer rains. The Green River is lower than for long time.

The Salafis of this ward met with a great success by the burning of their new meetinghouse last evening, but they have gone to work energetically to construct a new one.

The day after the other was destroyed and decided to build and before the winter was over had the rock hauled to put in the foundation, and they are at work on the brick for the building now.

IRRIGATION BY PUMPING.

The problem of getting water out of the Green River for irrigation purposes has puzzled many. Bishop George P. Dring has installed a pumping plant with a 10-horse engine and 7-inch Morgan pump with a capacity for irrigating 10 acres in 24 hours. It is proving so successful that many of the land tracts of land now lying unused will be brought under cultivation. An effort is being made to take the water out of White river southeast of here and parties are going in there and taking up claims. The land is said to be good and the water very favorable. It has at least three weeks' longer growing season than in the Ashley valley.

MOTHERS LESS THEIR DREAD FOR THAT TERRIBLE SUMMER WHEN THEY HAVE Dr. Fowler's Kidney Cure.

Strawberry in the house. Nature's specific for summer complaints of every sort.

CLARKSTON.

DEMISE OF BISHOP JARDINE.

Venerable Patriarch Closes Long and Eventful Career.

Special Correspondence.

Clarkston, Cache Co., Aug. 12.—The people of our little ward have lately been called upon to mourn the loss of our beloved brother, ex-Bishop Jardine. Bishop Jardine was born in the town of Middle Quarter, Lanarkshire, Scotland, Oct. 20, 1820. He embraced the Gospel of Jesus Christ in his native land and was baptized Jan. 29, 1848. He was ordained a Minister in June following, and was appointed to labor with Jas. Latham in holding outdoor meetings on the streets of his native town. He was called to the city of Salt Lake on April 1851, an Elder on the 23rd of July of the same year, and labored faithfully for the spread of truth until April 14, 1855, when he emigrated to America. He resided a year in Pennsylvania and three years in Illinois, to earn means to come to Utah. He arrived with his family in Salt Lake City Sept. 17, 1855, and located in Wells-ville, Cache Co., in the fall, and labored diligently for 25 years, and on June 2, 1880, he was called to his heavenly home. He was a man of great faith, courage and fortitude. On May 20, 1875, he was called to preside over the Wells-ville ward in the absence of Bishop Maughan, who was on a mission to England. He received an appointment to act as Bishop of Clarkston on Oct. 28, 1876, and on May 20, 1877, was ordained a Bishop by Apostle F. D. Richards. He faithfully fulfilled the office of Bishop for 25 years, and on June 2, 1880, he was honorably released from that calling, and was ordained a Patriarch Aug. 24, 1880, under the hands of Apostle M. W. Merrill.

In August, 1851, he married Agnes Beveridge, who bore him nine children, four of whom have preceded him to the great beyond.

He leaves two wives, five children, 24 grandchildren, eight great-grandchildren and a host of friends to mourn his departure.

On the 8th of August funeral services were held over his remains at Clarkston meetinghouse, which building was much too small to accommodate those who desired to pay their last respects

BLOOD POISON.

Bone Pains, Itching, Scaly Skin Diseases.

Swellings, Carbuncles, Pimples, Scrofula permanently cured by taking Botanic Blood Balm. It destroys the active poison in the blood. Zion's Co-operative Mercantile Institution Drug Dept. Call or write. Blood Balm sent by express.

State Engineer Bond Now Better

And May Recover.

Special Correspondence.

Cheyenne, Wyo., Aug. 12.—There was a change for the better in the condition of State Engineer Fred Bond today and there are now hopes of his recovery. He is gaining strength hourly, and those attendant upon him are greatly encouraged.

SMALL FRUIT CULTURE.

No occupation, says Green's Fruit Grover, insures more comfort, independence, healthfulness, ambition and love for the beauties of nature than the culture of small fruit. Yet how strange such a vast number of people, especially farmers, fail to see the importance of having their premises adorned with the beautiful bloom and luscious fruit. How delightful the sight of a garden, beautifying our homes and gardens, to say nothing of the value in dollars and cents at fruiting time, which is looked forward to with great interest. The fruit is brought to maturity by man's hand, but properly given, it is no hard task, but pleasant and profitable. The longer one pursues the occupation assisting nature in carrying out and developing her plans the greater will become the reward.

OUR NEIGHBORS.

To those starting in fruit culture for profit I would say, get it first. Do not try to start on too large a scale until you have gained some knowledge of the business which can best be accomplished by experience of your own fruit. You can get quick returns from the strawberry, or you can get it earlier in the season. It brings money at a time of the year when most needed. I think the strawberry more profitable on the same amount of ground than any other small fruit. A suitable location is very essential for the berry patch. An elevated site is best with an eastern slope preferable. The fruit is not so apt to be injured by late frosts. Varieties should be selected that are best adapted to the soil. This knowledge perhaps can be obtained from neighbors who have tried and tested varieties that are desirable for your locality. Of course this applies to other fruit as well as strawberries. Also plant some raspberries, blackberries and gooseberries, and grapes, which will give a continuation of crops. If you have a good market close by you can realize more than you can to ship them to distant markets. I would not ship unless I had more berries than the home market demands.

EVANSTON, WYO.

GOLDEN WEDDING.

Mr. and Mrs. Charles Beveridge Celebrate Happy Event.

Special Correspondence.

Evanston, Wyo., Aug. 13.—On last Tuesday evening the Social hall in Almy was the scene of a revival of the wedding of the late Mr. and Mrs. Charles Beveridge. The event being the celebration of the fiftieth anniversary of the wedding day of Mr. and Mrs. Charles Beveridge. On account of the widespread acquaintance of this worthy couple the event is of interest to a great many people in the coal camps of this state and Utah and occasioned a reunion of a large number, who in former years their neighbors and fellow citizens. Although the celebration of Almy is but a handful, the hall was more than crowded with relatives and immediate friends, nearly 100 of whom are related either directly or through marriage, to the couple. The night was most beautiful. From then until sunrise the hall resounded with the music and merry-making of the assembled guests. During the evening Bishop Downs of Scotland presided over a program participated in by each branch of the family of the honored pair and by a few intimate friends, after which the guests

THE PARROT TRADE.

Most of the 4,000 or 5,000 parrots that are brought to this city every year are of the sorts known as the "chubby-yellow" and the "red-head." The former are the best to raise, and a young bird sold for \$15 or \$20, while the red-heads fetch the same price as the chubby-yellow.

DELINQUENT SALE.

West Century Gold Mining and Milling Company, principal place of business, Salt Lake City, Utah, notify that they are delinquent upon the following described stock on account of assessment No. 4, made June 24th, 1903, to wit:

Set opposite the names of the respective shareholders, as follows:

Shares, Amt.
