MINES CLAIM
ANOTHER VICTIM.
A YOUNG WOMAN

Frank Younger Killed in a Cave-in Wife of George Burnham Dies in a Shocking Manner.

BURIED IN TONS OF EARTH. INQUEST THIS AFTERNOON.

The Fatal Talcum Substance, Which Crumbled When Exposed to the Air, Caused the Young Man's Death.

The mines have claimed another victim in the person of Frank Younger, son of Prof. H. B. Younger formerly of Salt Lake, but now of Park City. Younger was killed in a cave-in at the Fortune and Keystone mine, at Bingham at about 9 o'clock last night. Younger went to Bingham from Park City about four months ago and was engaged in stoking ore when the accident occurred. He was working with a companion, who left for a few moments on some errand or another, and when he returned it was to behold about twenty tons of earth in the place where his mate had stood. Help was at once obtained and the body removed as quickly as possible, but the mine was dead. He must have suffocated, for none of his bones were broken and he bore no evidence of any fatal bruise.
Prof. Younger was notified and went to Bingham this morning, to view the remains with the remains to Salt Lake this evening, and the interment will probably take place in this city.
Younger was about 35 years of age, and the fatal cave-in was occasioned by a streak of talc substance that ran between the ore and the hanging walls. This hard substance decomposes when exposed to the air and that is what occurred to cause Younger's death.

CONVICTED OF BIGAMY.

W. R. Hocking Gets Three Years at Nelson, British Columbia.

Attorney Parley P. Christensen returned last evening from Nelson, B. C., whither he went ten days ago as a witness in a bigamy case. Accompanying Mr. Christensen was Mrs. Winnie Hocking, whose former husband, W. R. Hocking, was the defendant in the suit. Mr. Hocking was adjudged guilty of marrying a woman named Jean Montgomery while he had a wife, Winnie Ruth Hocking, living in Salt Lake. Mr. Christensen secured a divorce for Mrs. Hocking in this county last September. The defendant was convicted and sentenced to three years in the Provincial penitentiary at Victoria.

WOMAN REFUSED TO GO.

Detective McDonald of Spokane Encountered Trouble Last Night.

When Detective Alex McDonald made preparations to return to Spokane last night with Mrs. Russ, the woman accused of grand larceny, he met an unexpected difficulty. When the officer arrived, Mrs. Russ expressed her willingness to return, although the officer did not have requisition papers. Last night Mrs. Russ told the officer that she would not go back without the necessary papers being served on her. It is said that this state of affairs was brought about by Dan Raleigh, who advised the woman not to go.
The officer was not to be outdone, however, and at once sent for requisition papers. He obtained them today and will start back with his prisoner tonight.

PARTICULAR BURGLARS.

Break Into the People's Cash Store, but Were Not Satisfied.

When the nightwatchman at the People's cash store came on duty last evening he discovered that the place had been visited by burglars. The side entrance from Richards street was open and a pane of glass smashed. The same was first broken in the morning when the store was closed. Upon investigation it was found that nothing had been stolen. The thieves either became frightened or were not aided by the stock of goods in the store.
Early this morning a messenger boy had occasion to go to the Galena block in search of some one and his presence there created the idea that he was a burglar. A woman standing in the place in the house, before the officers arrived on the scene, however, the "burglar" had given up his search and departed.

HE KNEW KING.

Detective Alex McDonald of Spokane, Wash., who has been in the city two or three days visited the county jail yesterday afternoon and saw E. L. King, the man accused of being the accomplice of James Lynch, who shot Col. George Proulx. Mr. McDonald recognized King as the man wanted in Spokane for several crimes, among them being grand larceny and forgery. The Spokane officer says that King is an all round crook and one of the worst type.

A warranty deed filed for record yesterday afternoon conveys from Celia M. Parker and Frank L. Parker, her husband, to Helene Ferron 44x125 feet facing north on Sixth street, between Fifth and Sixth East. The expressed consideration was \$2,250, and the assuming of a mortgage for \$1,250.
Attorney W. W. Ritter, as referee in the case of Martha T. Miller vs. William C. Miller et al, has conveyed to John W. Munford for \$2,800, 24x10 rods of ground facing north on North Temple street, from 5 rods west of First West street.

Came Near Dying.
"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Lowther, clerk of the district court, Centerville, Iowa. "I thought I should surely die, and tried a dozen different medicines but all to no purpose. I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and three doses relieved me entirely. I went to sleep and did not awake for eight hours. On awakening a few hours ago I felt gratified that the first work I do on going to the office is to write to the manufacturers of this remedy and offer them my grateful thanks and say, 'God bless you and the valuable medicine you make.'"

WHAT PEOPLE SAY

Is Not What Makes a Remedy Valuable. Testimonials are good things and we are always glad to get them, but they don't make our remedy any better. Stuart's Dyspepsia Tablets are good because they do good—because they cure.

Testimonials simply prove that the tablets have helped other people, but it's yourself you are most interested in, and whether they will cure you is the question.
It is very easy to find out—try them. A full package costs but fifty cents at your drugist's. They are worth that if they only help you a little bit. The chance is worth taking at the price.
We put it on that basis because you don't know about the tablets. If you knew as much about them as we do you would have complete confidence; this advertising would be unnecessary. We have seen them cure the worst cases of stomach trouble. Cases of long standing and obstinacy, cases that other medicines and even high priced doctors had failed to subdue.

Here are some testimonials. If you care to read them we have thousands of them:

Rev. J. R. Hoag, of Wynote, Nebraska, writes: For six years I have been troubled with dyspepsia. Last fall I became very much alarmed at some symptoms of heart trouble, and came to believe there was a sympathetic relation between the two diseases, or rather, that the stomach was the cause of the heart disturbance. I hit upon Stuart's Dyspepsia Tablets for a remedy and invested a dollar and a half for three boxes which lasted me three months and I can eat any kind of food I want and have a good vigorous appetite. Although I am seventy-seven years old, I now feel perfectly well and without being requested by anyone I make this statement as a compliment to the virtues of Stuart's Dyspepsia Tablets.

Mrs. Lydia Bartram, of Assaria, Mich., writes: I have suffered from stomach trouble for ten years and five different doctors gave me only temporary relief. A Mr. E. B. Page advised me to try Stuart's Dyspepsia Tablets and four boxes did me more permanent benefit than all the doctors' medicines that I have ever taken.

We honestly believe that Stuart's Dyspepsia Tablets are the best medicine ever made for the cure of stomach troubles.

Don't mistake our meaning. We don't claim to cure anything but dyspepsia and stomachic disorders. Just the one thing is what they are made for, but that one thing is the cause—the starting point of nearly all the sickness in the world.

Use Stuart's Tablets regularly. Keep your stomach right, and you can never be sick.

CHICAGO SHEEP MARKET.

Clay Robinson & Company's Weekly Report to the "News."

Prices for Salt Lake Lambs—Several Strings of Utah Sheep Sold—Figures They Brought.

Special Correspondence.

CHICAGO, Oct. 22.—Notwithstanding quite heavy receipts last week the market was in good condition, and lamb values advanced during the week 10 to 15 cents, while fat sheep ruled strong. Today's market was steady, with estimated receipts of 20,000.

The movement from Montana has begun in earnest, and we are handling large shipments from that section. Today we sold for Geo. Mackenlin, Ft. Benton, Mont., 333 feeding lambs, 44 pounds at \$4.70, 475 feeding lambs, 45 pounds at \$4.65, 250 pounds at \$4.55. For Wm. Gray, Ft. Benton, Mont., 447 feeding sheep, \$9 pounds \$3.55.

Very few Montana sheep or lambs received thus far have been fat enough for slaughter.

Among our sales for well known Utah sheep owners last week we mention: Mumford Bros., Salt Lake, 335 sheep, 56 pounds, \$4.10; E. Covey and Son, Salt Lake, 1249 lambs, 33 pounds, at \$3.40; 181 sheep and yearlings, 36 pounds at \$4.10—top for each class. Tuesday we sold several strings of Wyoming sheep for H. Anderson, O. H. Nelson and Remond & Anderson, including the market at \$4.10. The demand continues good for feeding sheep, and the general outlook is fairly favorable for the near future. We quote: prime western range sheep \$4.10 to \$4.15; fair to good, \$3.90 to \$4.00; feeding sheep, \$3.60 to \$3.80; choice western yearlings, \$4.10 to \$4.15; fair to good, \$3.90 to \$4.00; feeding yearlings, \$3.75 to \$3.90; best western lambs, \$3.40 to \$3.60; fair to good, \$3.25 to \$3.50; feeding lambs, \$4.40 to \$4.50.
