Dr. Humphreys' Seventy-Seven breaks up Grip and Colds.

One advantage of "Seventy-seven" over all other remedies is, that while most medicines reduce, the tonic of "77" sustains the system during the illness.

Another advantage of "Seventy-seven" is, that it goes direct to the sick spot without disturbing the rest of the system.

"Seventy-seven" cures Grip, Colds, Influenza, Catarrh, Coughs and Sore Throat.

MONROE.

GRAND FRATERNAL REUNION.

People of Entire Town Join in General Festivity.

Special Correspondence.

Monroe, Sevier Co., Feb. 22.—Today was the occasion of a joint reunion of the people of the two wards of Monroe, the Bishops of both wards having the matter in hand, ably assisted by committees on program, finance, music, arrangements, sports, etc.

Everybody was invited irrespective of age, sex, color, religion or politics, and it seemed from the great throng that almost every person had accepted the invitation.

The commodious meeting-house was entirely too small to accommodate all to hear the general program, which consisted of singing by our famed vocalists, quartet by male voices, solos, vocal and instrumental.

After these exercises were over the people retired in groups of 200 at a time to the Theater hall, where tables were set with all that the heart could desire.

This was continued for five successive times until the inner man of all were satisfied, not less than 1,000 old and young having their appetites appeased.

Many improvements to the church were also discussed, and the children of the church were given a treat.

The children enjoyed a dance in the town hall, while the older ones were engaged in a card party.

MARTIN HART TO JOIN HAS BEEN.

Tommy Burns Makes Him Look Like a Novice in Every Round.

NEW HEAVYWEIGHT CHAMPION

But He Only Holds the Title in Trust For Anyone Who Can Give Him a Battle.

Los Angeles, Feb. 23.—By those who look upon Martin Hart's claim to the world's championship title seriously, Tommy Burns of Chicago may now be considered the heavyweight champion. Burns decisively outpointed Hart tonight at the Pacific Athletic club pavilion, and received the decision at the end of the twentieth round.

From start to finish, with the possible exception of the tenth and twelfth rounds, when Hart had a short advantage, Burns outpointed the bigger man, outgeneraled him and beat him at every point in the game of boxing. At times Burns, although greatly handicapped in weight and height, made Hart look like a novice.

BLOOD IN THIRD ROUND.

In the opening round Burns was nervous and lacked confidence. After this, he quickly seized Hart up and began a systematic attack on his legs and body with straight lefts. In the third round
