## BY TELEGRAPH.

THE WESTERN UNION TELEGRAPH LINE.

### AMERICAN.

**The Warpath.**

DURANGO, Col., 7.—Ute Indian young buck warriors threaten to go on the warpath, and scalp every male settler living on the Dolores. The citizens are greatly alarmed, and say that unless the government takes the matter in hand bloodshed will surely ensue.

On Monday last, at Bourse's store, on the Mancos, where the Indians congregated, a white man became enraged at the threats of the Indians and pulled Mariano, an Indian chief, from his horse, dragged him by the hair of his head, and beat him, and had it not been for the interference of bystanders Mariano would have been killed. Bill Williams, a ranchman, on the Dolores, had been notified by friendly Indians that he had better leave his ranch as the young bucks were on the warpath. Williams carried the news to all the settlers, and they left their ranches and made camp at John's store.

**Earthquake.**

LARAMIE CITY, 7.—An earthquake shock was experienced here at 6.30 this evening, felt plainly along the line of the U. P. R. R. west as far as Evanston. Plastering fell off in buildings at Rawlins, Point of Rock, and other places. Trains will be sent west with great care, as bridges may have been thrown out of place.

Denver, 7.—A slight earthquake was felt at Denver and vicinity at 6.20 p. m. Occupants of high buildings even ran out into the streets.

Cheyenne, 6.—The earthquake here was accompanied by a electric flash that lighted up the northern sky. The shock was violent. Chandeliers and queensware in houses rattled considerably.

**Foundered.**

JACKSONVILLE, Fla., 6.—The steamer *Jessie* foundered to-day during a gale on St. Johns River. Four of the crew were drowned.

Detroit, 6.—The iron steamship, *Oregon*, loaded with rails for the Canadian Pacific Railway has been stranded off Anticosti.

### FOREIGN.

**Miscellaneous.**

LONDON, 6.—At a mass meeting of rivet makers at Blackheath were adopted resolutions declaring their intention to continue the strike for an advance of wages 10 per cent.

Nailers at Staffordshire and Worcestershire have been on a strike for a fortnight. Notice to employers demanding an advance of 10 per cent is being ignored.

The chair makers at Staffordshire inaugurated a strike for the same advance, but the employers yielded and the strike ended.

The mission of Moody and Sankey at Cambridge suspended on account of the illness of Moody.

Lord Coleridge, Lord Chief Justice, being ill, was unable to attend court, to hear the argument in the case of the appeal of Mr. Bradlaugh, and the latter appeared before the Queen's Bench and asked the court to quash the indictment against him for blasphemous libel and resistance of Sir Henry Tyler. The application was refused.

Several persons engaged in the court martial of Arabi Pasha have resigned because of an intimation which had been conveyed to them by counsel that they might be called as witnesses who shared in the military uprising.

It has been decided to hold the trial of Arabi Pasha in the jail building. His counsel obtained possession of the document alluded to in recent dispatches, which passed between the sultan and members of the national party in Egypt. They were transmitted through Dervish Pasha, and have reference to applications containing a thousand signatures, in which the sultan is begged to support Arabi in his rebellion against the Khedive.

The committee for the prosecution of rebels is holding daily sessions here. It has tried 380 prisoners, of whom 50 were found guilty. They will have a trial by court martial as soon as it can be convened.

Eight thousand troops are on the point of starting to Zuakin to oppose the new insurrection. A reserve force of 8,000 has been retained at Kroako to guard that point.

Alexandria, 6.—There is great distress among the victims of incendiarism, who are waiting to be be indemnity. They have been compelled to appeal to private charity.

Constantinople, 6.—Russia and the Porte are unable to agree as to the time to commence the payment of the war indemnity. The Porte claims the right to begin in March. Russia claims that it should begin in January.

Earl Granville, British Secretary of State for the Foreign Department, opposes the dispatch of an Ottoman commission to Egypt, and through the Turkish ambassador to England has asked the Porte not to argue the matter.

An earthquake occurred in Northern Syria yesterday. Several villages near Aintab were destroyed. No loss of life is reported.

Paris, 6.—Duclerc has definitely resolved to reject the claims advanced by the Porte for the formal investiture of the new Bey of Tunis.

At the opening of the Chamber of Deputies, Duclerc will request a vote of confidence in the Ministry. If the vote proves adverse, the dissolution of the Chamber will follow.

Geneva, 6.—The Federal Council denies the truth of the reports that there exists in Switzerland any Anarchist Committees.

Berlin, 6—General Schivernitz, ambassador of the German Government to St. Petersburg, and General Warder, attache of the legation there, have asked the Emperor to recall them on the ground that radical changes have taken place in Russia since the death of the last Czar.

Paris, 6.—Tirard, Minister of Finance, informed the budget committee that the accounts for the current year will be balanced without recourse to votes of credit.

It is reported that Russia is urging the Sultan to dispatch a fleet to Alexandria with a Turkish commissioner and vanguard, to form part of the Soudan expedition.

The mail train on the road from Cologne to Paris collided with a freight this afternoon. Many passengers were injured; the Countess Somers seriously; none were killed.

The *Memorial Diplomatique* states that Earl Granville, British foreign secretary, sent a note to the Powers, reviving the assurance that England would abide by all her previous declarations regarding Egypt.

Vienna, 6.—The main points in the scheme for the reorganization of the Austrian army are the formation of 14 corps of equal power and number, to be recruited from the provinces.

The Russian police officers are notified of the discovery of a conspiracy at Pultowa, for the rising of the peasantry. This is a nest of 200 conspirators, most of whom, when the attempt to capture them was

Ayer's Hair Vigor,
FOR RESTORING GRAY HAIR
TO ITS NATURAL VITALITY AND COLOR.

Advancing years, sickness, care, disappointment, and many other causes, all turn the hair gray, and either of them inclines it to shed prematurely.

AYER'S HAIR VIGOR, by long and extensive use, has proven that it stops the falling of the hair immediately; often restores the growth; and always restores the color, when faded or gray. It stimulates the nutritive organs to healthy activity, and preserves both the hair and its beauty. Thus beauty, weak or sickly hair regrows with lively expectant; falling hair is checked and established; the hair (whether) and faded or gray hairs resume their original color. Its operation is sure and harmless. It cures dandruff, heals all humors, and keeps the scalp cool, clean and soft—under which conditions, diseases of the scalp are impossible.

As a Dressing for Ladies' Hair,

the VIGOR is prized for its grateful and agreeable perfume, and valued for the soft lustre and richness of tone it imparts.

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

FROM

COL. L. T. FOSTER,

YOUNGSTOWN, Ohio, May 10th, 1880.

DR. B. J. KENDALL & Co., Gents:—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the *Chicago Express*. I determined at once to try it and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very respectfully,

L. T. FOSTER.

Kendall's Spavin Cure

Is sure in its effects, mild in its actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bone growth or other enlargements, such as spavins, splints, curbs, ringbones, callous, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mildly and yet certainly in its effects.

Send address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price $1. per bottle, or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & [illegible]
