CHARLES CRANE.

W. N. B. SHEPHERD ASKS SOME LEADING QUESTIONS

Deserve News: The arrogant h always manifests itself suffit always mainteness itself when-great movements for the better-of the people are made. In re-years this truth has been forced us too frequently and in no in-mas it been more plainly or with the effortacy displayed than in the second against the conservation protest against the enaction prohibition law, of certain per w in number-under those ma words "business men," of ards, "men of money." a term "business men" has t power of attraction to the than the other term. There is used to decrive the unwary to be a buildness main after all cho goes forth to bis daily to changic, contributing an honor have to the production of re-lessiving of this title? Or, cho buys and sells that which man produces that should business man?" Or would ir to bestow the appollati and to bestow the appendition howevery that the work of both arg. It means to use that the opendition is fair, but certainly ad man has no better claim to that the first. Very well, infing that both classes are over which becomes of the arinting that both classes it's name, what becomes of the ar-that the veloce of, any ten of a should carry with it to much agin than 10, are, even thou-the other class, because fory are "business men

are told by certain of our pathe bill by containing and great on that these few men repre-s of millions of dollars. An eright here that the serious comes in. What right has a such, to be represented or of in the lasts of these who ng in this great battle between d wrong-between temperator ty, on one hand and intempervice on the other?

d vice on the other? a those "business men" are hore i respect, and I am per-fust the act of adding to their he business office held, was not addered by them in the light I viewing it. Each one of these just as much right to be heard grant question as I or any reon, and just as much weight a accorded inal veloce—no more leas. If it were otherwise, who r, for instance, how many votes given on fills question to anes, president af bank, \$5,000,es, prasident of bank, \$5,000

ny dollars equal one soul? 3 very interesting to learn from flumen their own estimate of arative weight of their signs inding the business appen-rely the time has come when most of capital in claiming b upon any question effective re of the people should have a an upon if. Capital is organ-the purpose of making money there if votes according to the later of dullars, we if ors in to these who claim oth-es where their contentions would these where the representation in construct a the presentation in constitute already has the assumance of the cordial support of the news-papers. One hundred men, in constitu-is many dollars? This certainly would be an open and direct way of accompleting that which some even now say is done indirectly.
The fact of the matter is, money has to soull it is not subschame. A business company or corporation has no soul. It is not in the prosent who can think or reason and herame the law gives it a factitions standing in court to facilitate business families, it is not sufficient reason that.
Can bundred man, he conveilings of the provided man, he conveilings of the provided man.
The provided man herameter is the provided man herameter is a soul of the provided man.
The provided man herameter is the provided man herameter is the provided man herameter is the provided man.
The provided man herameter is the provided man herameter is a fact the provided man herameter is the provided man herameter is a fact the provided man herameter is the provided man herameter is a start provided man herameter is a fact the provided man herameter is a fact the provided man herameter is the provided man herameter is a fact the provided man herameter is a start the provided man herameter is a fact the provided man herameter is a fact the provided man herameter is a fact the provided man herameter is a start the provided man herameter is
