Constipation

Demands prompt treatment. The results of neglect may be serious. Avoid all harsh and drastic purgatives, the tendency of which is to weaken the bowels. **The best remedy is Ayer's Pills.** Being purely vegetable, their action is prompt and their effect always beneficial. They are an admirable Liver and After-dinner pill, and everywhere endorsed by the profession.

"Ayer's Pills are highly and universally spoken of by the people about here. I make daily use of them in my practice."—Dr. I. E. Fowler, Bridgeport, Conn.

"I can recommend Ayer's Pills above all others, having long proved their value as a cathartic for myself and family."—J. T. Hess, Leithsville, Pa.

"For several years Ayer's Pills have been used in my family. We find them an

Effective Remedy

for constipation and indigestion, and are never without them in the house."—Moses Grenier, Lowell, Mass.

"I have used Ayer's Pills, for liver troubles and indigestion, during many years, and have always found them prompt and efficient in their action."—L. N. Smith, Utica, N. Y.

"I suffered from constipation which assumed such an obstinate form that I feared it would cause a stoppage of the bowels. Two boxes of Ayer's Pills effected a complete cure."—D. Burke, Saco, Me.

"I have used Ayer's Pills for the past thirty years and consider them an invaluable family medicine. I know of no better remedy for liver troubles, and have always found them a prompt cure for dyspepsia."—James Quinn, 90 Middle st., Hartford, Conn.

"Having been troubled with costiveness, which seems inevitable with persons of sedentary habits, I have tried Ayer's Pills, hoping for relief. I am glad to say that they have served me better than any other medicine. I arrive at this conclusion only after a faithful trial of their merits."—Samuel T. Jones, Oak st., Boston, Mass.

I suffered with catarrh for many years and got so deaf that I went about my Museums, Circus and Theatre giving directions and doing business with a big ear-trumpet at the side of my head. It was very annoying to me, and amusing to those who saw me. By the advice of physicians I sought the climate of the Sunny South. In six months I could see no change and was discouraged. At this time I began using Chalmer's English Catarrh Cure. In three months I felt a new man, in six months my hearing returned. I refused to give a testimonial at once for the English Catarrh Cure, as I feared it was not permanent. But a year and more has now passed, and I can now heartily indorse Chalmer's English Catarrh Cure for the cure of catarrh and deafness.

THE PATENT

Wire Gauze Oven Door

IS THE LATEST IMPROVEMENT ON THE

It Produces Practical Results in Baking and Roasting never before attained in any Cooking Apparatus, and will

Revolutionize the Present Methods of Cooking

ITS THEORY

Is that all Food Baked or Cooked, should be cooked in fresh air freely admitted to the oven. This is done by discarding the close oven door heretofore used, and substituting for it a door containing a sheet of Wire Gauze nearly as large as the door itself.

Through this Gauze Door the air freely circulates, facilitating the process of cooking, and producing food that is unequalled in favor and nutrition, and actually cooked with less consumption of fue than in an oven with a closed door.

It makes an enormous saving in the weight of meat.

It also produces larger Loaves of Bread, requires less attention from the cook, and promotes the health of the family by the SUPERIOR QUALITY OF THE FOOD COOKED IN IT.

OPINION OF AN EXPERT.

MRS. MARY B. WELCH, Teacher Domestic Economy, Iowa State University, says: "My deliberate judgment is that the oven of the Range, as compared with others, is not only more equally heated in every part—front and rear—but as a result of its superior ventilation the food placed therein is better cooked, while retaining a sweeter flavor, and a larger proportion of its best juices. I find, also the consumption of fuel in this Range is much less than any other for same work.

Anti-Boulangists Raise a Row.

PARIS, Oct. 26—At the Boulangist meeting to-night at which 600 were present, a party of anti-Boulangists headed by Lullier provoked a free fight. Many persons were carried off the place with lacerated and bleeding faces. During the turmoil Lullier fired a revolver from the platform into the audience. He was immediately thrown down and belabored with sticks, one of which penetrated his neck. Lullier fired again three times, whereupon the gas was put out and a general rush made for the doors.

Hard to Keep Chinese Out.

EL PASO, Oct. 26.—The task of enforcing the Chinese exclusion act proves no easy one along the Mexican frontier. El Paso, Texas, and Paso del Norte, Mexico, are separated only by the Rio Grande, which is at present practically fordable. For ten months of a year there are two or three hundred Chinamen in the two cities, and heretofore they crossed freely from one to the other. Collector Magoffin is enforcing the law as fully as his small force of inspectors will permit, but it is an easy matter for the Chinese to violate them. Moreover, the Chinamen can easily come up the Mexican Central railroad or across the country from Guamas or other Pacific points and slip across the line into the United States.

Lord Salisbury Deplores It.

LONDON, Oct. 26.—No official communications have as yet passed between the Cabinets of England and the United States with reference to Lord Sackville's letter on the Presidential campaign. Lord Salisbury has sent to Lord Sackville several dispatches deploring the Minister's injudiciousness. It is reported that the United States Government will make some demand in order, if possible, to counteract the injury done to President Cleveland. Mr. Phelps, United States Minister here, has already had an interview with Lord Salisbury on the subject.

WASHINGTON, Oct. 26.—Another Cabinet meeting was held at the White House to-day and Lord Sackville's letter and the complications growing out of it were again discussed, but the meeting was followed by no new developments.

The Ithaca Giant Knocked Out.

SAN FRANCISCO, Oct. 26.—A great crowd assembled at the California Athletic Club rooms tonight to witness a match between Joe McAuliffe, heavy weight champion of the Pacific Coast, and Mike Conly, the Ithaca Giant of Wisconsin, for a purse of $2,000. McAuliffe fought at 215 and Conly at 187 pounds. Both men were in good condition.

Conly began to rush at the very start, but nothing was accomplished save clinches and a few light blows in the first round.

In the second Conly tried the same tactics and was quietly floored by a terrific blow on the jugular. He got up and tried to finish the round, but soon received another blow on the jaw which completely knocked him out and the fight was awarded McAuliffe.

Queen Natalie Appeals.

BELGRADE, Oct. 26.—Queen Natalie has appealed to the Patriarch Dionysios at Constantinople, who is the superior of the Metropolitan Theodosius, against the latter's action in dissolving the marriage of the Queen and King Milan. All classes of society, even Milan's partisans, severely criticise the action of the King. It is learned that Queen Natalie's advocate, finding that the Metropolitan Theodosius had already consulted with the Patriarch of Constantinople and the great Archbishop of Carloviz before dissolving the marriage has submitted to the decree, and will go to Bucharest to deliver the divorce papers to Queen Natalie. It is stated that the divorce stops the civil list allowances to Natalie. The ex-Queen has, however, an ample private fortune.

King Milan settled one million francs on Ex Queen Natalie. The Crown Prince will be permitted to write to his mother three times weekly.

Will China Retaliate?

SAN FRANCISCO, Oct. 26.—The *Chinese Times*, received by steamer this afternoon, contains a letter signed by a Peking official, written just after the news reached China that the United States Senate had passed the Chinese exclusion bill. The following extract is taken from the letter:

"If the obnoxious American bill should be carried into effect there will be no other course open for China consistent with her dignity as a nation than to adopt retaliatory measures by prohibiting citizens of the United States from coming to China. This will be by no means proportionate to the harm done to China's interests in America, but it will have to be done in order to show that the Chinese can do the same thing, and if this will have no effect in bringing the United States Congress and government to reason and fairness, then it will be a question for China to consider whether it is not time for her to cancel their treaties made with the country, to recall her subjects from there, to expel all United States citizens from this country, and to cease all relations and intercourse, diplomatic and commercial, with that country."

BRIEF TELEGRAMS.

Columbia, S. C. Oct. 26.—Ephraim Mayes was hanged at Eagleield to-day for the murder last December, of Jacob Burr.

Jacksonville, Fla., Oct 26.—Nine cases of yellow fever at Enterprise, six of which are critical. Only one physician is there.

Berlin, Oct. 26.—Three elegantly dressed ladies drowned themselves in the lake in which King Ludwig of Bavaria committed suicide.

Paris, Oct. 26.—Hohenburg, a retired German officer, arrested while mailing a Lebel cartridge, has been sentenced to imprisonment for five years.

Cedar Rapids, Iowa, Oct. 26.—Mr. James Ditworth and Harry Pond were killed and Mrs. Isaac Larkin was fatally injured to-day. Their buggy was struck by a train.

Helena, Montana, Oct. 26.—Gadbaur & Yerxye's lumber mill and several adjoining buildings burned to-day. The loss aggregated $90,000; insurance ample.

Little Rock, Ark., Oct. 29.—Hugh Blackman (colored) was hanged at Toledo today. Blackman killed a negro known as "Big Six" in a quarrel over a game of cards two years ago.

Paris, Oct. 26.—At a meeting to-day of the Senate it was shown that the majority of the members of the Senate were opposed to Premier Floquet's proposal for a revision of the Constitution.

Columbus, Oct. 26.—The Brotherhood of Railway Brakemen completed their sessions to-day, selecting St. Paul as the next place of meeting in Oct., 1889. The federation scheme was dropped.

Paris, Ky., Oct. 26.—A train on the Kentucky Central yesterday afternoon left the track near here. Engineer Robert Black was fatally injured. Elmore Bryan, a passenger, of London, Ohio, was fatally injured. John Ryan, a brakeman, was severely injured, as was also J. Allen, engineer on the Chesapeake & Ohio Road, who was a passenger.

Rawlins, Wyo., Oct. 26.—Ben F. Carter was hanged here this morning. His neck was broken by the fall and death was instantaneous. Carter was a cowboy of the hardest character. The crime for which he suffered was the unprovoked assassination of the boy named John Suffery, in the fall of 1886.

DOCTORS' BILLS.

Nearly all diseases originate from inaction of the liver, and this is especially the case with chills and fever, intermittent fevers and malarial diseases. To save doctors' bills and ward off disease take Simmons Liver Regulator, a medicine that increases in popularity every year, and has become the most popular and best endorsed medicine in the market for the cure of liver or bowel diseases.—*Telegraph*, Dubuque, Iowa.
