A PICNIC EVERY WEEK.

At home on wash day by using the

STERLING WASHER.

All the horrors of wash day transformed into a day of rest and pleasure.

A little child can easily run it. So much has been said about the merits of Washing Machines that we do not wish to multiply words in praise of it, but only ask you to call on us and we will show you one when you will be convinced of its superiority. We are selling more STERLING WASHERS than any we have ever handled.
