M'CARTHY CALLS DONNELLY'S BLUFF

Jerry Will Meet Jack at Pocatello On November 16 for Six Hundred Dollars.

HE IS AFTER THE BIC CAME.

Challenges Philadelphia Tommy Ryan And Jack O'Keefe-Both Are Willing to Fight Him.

Judging from the work cut out for his by his manager, S. J. Kelley, Jerry Mc Carthy, the Walkerville fighter, will have n strenuous time of it during the next two months. Jerry began training a couple of weeks ago for his coming engagement with Jack Dean, Alex Greggains, coast welterweight, but a day or two ago Jerry had to cut out his hard work as he is suffering from a sore threat. Whether the bout will take place as scheduled depends entirely upon his . If he recovers within a day or he bout will take place; otherwise have to be postponed for a week

two the bout will take piace; otherwise it will have to be postponed for a week. Kelley armounced that he had several good matches in sight for his man, but that he wants to see McCarthy in first class shape before he elinehes them. For a long time Jack Donnelly has been after Jerry's scalp, and so eager is he to face him in the roped arena that he has induced friends to put up the sum of 890 for a side bet. Kelley received word yesteriay that \$250 of the money was now up and rearly to be covered. Donnelly met McCarthy in this city about two years ago but got enough of his bargain after seven rounds of hard milling. He threw up the sponge. Since that engagement Donnelly has had a number of good fights and his friends say he has greatly improved. He now belleves he can defeat sickarthy, and since he went to Pocartello he has been keeping the wires hot trying to induce Kelley to sign up for a match. As soon as Kelley learned that McCarthy would fight Donnelly at a followed it up with a left on the chinch the money had been posted, he replied that McCarthy would fight Donnelly at a lock of the money will welgh in at 145 pounts at 3 o'clock on the afternoon of the contest, and light 20 rounds under straight Marryling of Queensbury rules.

In adultion to this match and the bout with Dean, Kelley has issued challenges to Philadelphta Tommy Ryan and Jack O'Keefe to fight McCarthy in this city during December, Both fighters have replied and state that they are willing to meet the Walkerville shoy. No date has been decided upon as yet, but it is quite probable that Ryan will be McCartny's lirst opponent after the Donnelly engagement. The same conditions will obtain and considerable money will be wagered on the result.

Praise.

Missoula, Mont., Oct. 27.—After covering himself in the east with honors as the most remarkable rifle shot in the world, Sergeant Hawkins, colored, of the Twenty-fourth regiment, stationed at Fort Missoula, has returned to his home to find himself less of a hero among the officers of his home post. During the recent championship tournament held at Sea Girt, N. J., this summer. Hawkins made the phenomenal rifle score of 100 out of a possible 100, the first and only time the record has ever been made.

Hawkins was the recipient of many congratulations from army officers upon his feat, and President Roosevelt personally received him at the White House and extended him conspicuous honors. Hawkins messmates had prepared for his homecoming, a reception and ball having been atranged at the post quarters. When permission was asked of the officers of the post to carry out this program it was refused. As a result the members of the garrison have become surly, causeing a strained relation between commissioned and non-commissioned men. Hawkins has asked for a transfer to the Second hattation at Fort Assinniboine and will, if refused, it is claimed, take his request to the president.

Los Angeles, Oct. 27.—Jack Johnson, champion colored heavyweight, was given the decision over Sam McVey of Oxnard, Cal., at the 20 rounds tonight. Three times Johnson put McVey down with clean right-hand blows to the chin, but McVey came up after every Jmockdown full of fight and forcing it at all times. McVey would rush repeatedly and try to break down Johnson's guard, but never succeeded.

Johnson timed his rushes and met him with terrific lefts straight on the nose and mouth, alternating with right inpercuts that seldom failed to land. Before five rounds had passed McVey's face was badly cut, his mouth swollen to twice its normal size and his nose bloody. Johnson out-fought his heavier opponent in every mix and twice fought him to the floor with a series of rights and lefts on the body. Salt Lake horses were a long time in getting used to electric streetcars, and judging by last night's experience it would require a long time for Salt Lake horses to get used to camels. One of the Ben Hur camels, was on State street at 7:30 last evening, when an Elgin dairy team took fright at the Ship of the Desert, and ran away. The result was a smashed wagon, and the public highway strewn with broken bottles of milk along First South street bottles of milk along First South street to West Temple. On turning south on West Temple street the team crashed into a pole which wrecked the wagon, and released the runaways. One of the horses dashed down the east sidewalk until it reached the Tribune office, where it stopped to read the bulletins in the window, and the erratic chirography so paralyzed the animal that he was captured without effort.
