NOTIOE

This paper is of value and interest to ob-serving business men, particularly mer-chants, bankers and manufacturers. It does not deal with credits or furnish ratings, but reports, reviews and discusses those mat-cers, domestic and foreign, that have any bearing upon the business of this country. Reporting the crops in detail, investigating numerous industries, criticizing various in-vestment securities and reviewing the mar-kets are special features, while the tariff, monetary, transportation, legal, bankrupt cor, parimership and hundreds of other topics are ably treated, not in the interest of political parties or geographical sections, but in the best interest of the business men of the whole country.
