CONGRESSIONAL.

WASHINGTON, D.C., 18.—Fried-

rich introduced a bill to promote

telegraphic communication between the

United States and Asia; referred.

Spencer submitted a resolution to

transmit to the Senate the answer

received by the Civil Service Com-

mission from the heads of Depart-

ments and bureaus in regard to the

effect of the Civil Service reform in

their offices; agreed to.

The legislative appropriation bill

was read a second time. Mr. Cor-

rell, explained that it was in har-

mony with the great reduction of

expenses. It appropriates nearly

three millions more than the bill

last year, and it contained less

extraneous matter than such bills

usually do.

The bill regulating the diplomatic

and consular service of the U. S.

was passed; it forbids diplomatic

officers being absent from their

posts longer than ten days. It also

forbids their acceptance of titles and

favors from foreign powers.

The legislative appropriation bill

was read a second time. The amend-

ments of the committee on appropria-

tions agreed to.

Sherman moved to strike out the

amendment forbidding internal re-

venue stamps, and to insert a

five dollar daily stamp; agreed to.

The committee's amendment de-

termining the amount of the Treasury

Department from \$300,000 to \$200,000

was agreed to.

Sherman moved an amendment

authorizing the Secretary of War to

investigate and report on the Ter-

ritory Ordinance Department; agreed to.

The last section of the bill was

read a second time. The bill

was passed. It authorized the Sec-

retary of War to investigate and re-

port on the Territory Ordinance De-

partment; agreed to.

At the request of Morrill, of

Maine, he withdrew his motion,

and the bill was passed. It was

passed and the amendment acted

on. It was laid over till to-morrow,

and the Senate soon after adjourn-

ed.

HOUSE.
