NO EVIDENCE OF FOUL PLAY

Verdict of Coroner's Jury Investigating Death of Andrew Anderson.

W. S. ACADEMY ALUMNI SOCIAL

Two Divorce Suits—Skeen vs. Browning Hearing Wednesday—S. P. Ry. Co. Will Have to Pay Damages.

Ogden, Dec. 29.—According to the verdict rendered by the coroner's jury composed of A. B. Shepherd, Amos Schering and Julius Leavitt, the man Andrew Anderson, who was found dead a few days ago, came to his death from causes unknown.

The principal witness examined was Dr. Gordon, who was called to examine the dead man. He testified that it was very doubtful if the wound on Anderson's head could have caused death, as they were not deep enough to have fractured the skull, and no marks on his body to indicate foul play.

The testimony of other witnesses showed that Anderson had been on a protracted spree and was bordering delirium tremens, and that he was in the North Star saloon, where the fatal wound was inflicted. The theory of his having been murdered has been abandoned by the officers.

I had 19 white leghorns, scoring from 91 to 94 points, altogether 1,757, or a little better than 92% average for the 19." Positively Relieved by the Pyramid Pile Cure.

A TRIAL PACKAGE MAILED FREE.

There is no reason—surely no good reason—why any man or woman should continue to suffer with piles when a reputable company of druggists have placed in every high grade pharmacy a positive and unfailing cure for this dread disease at a price within the reach of the poorest. They have done this for the benefit of the suffering temporarily and start him well on the way to recovery, by giving to any patient who sends his name and address, a free trial package of the wonderful Pyramid Pile Cure in a plain, sealed wrapper. There are enough of

the curative elements in this trial package to greatly reduce the swelling of the affected part, to heal much of the soreness and ulceration. After the sample is gone your druggist will send you with a box of the Pyramid Pile Cure for 50 cents.

Read Mrs. Bond's letter, which tells how she suffered and was relieved, if not positively cured, after using one 50 cent box.

"I have tried your pile cure and find them all you recommend them. I am very thankful to you for ever putting them within my reach. For I have had one box and I have not used all of them yet, and I feel like a new woman today, and I tell everybody about them. When I started them I could not walk across the floor, but now I can do my work all right. My work was a burden to me before I started them, but I can tell you that I can work much better now. You can rely on me. I will tell everybody about your Pyramid Pile Cure. Yours sincerely, Mrs. J. Bond, Toronto, Canada, 33 Pears Ave."

There is positively no risk or danger with the Pyramid Pile Cure, for there is nothing but curatives in the preparation. They are suppositories, which placed in the affected part, act as a soothing ointment working upon the infected and ulcerous tissues, giving them relief and stimulating a strong circulation of the blood.

By the use of the Pyramid Pile Cure the patient is cured at home without losing a day's work, no matter what his occupation. The cure may be accomplished in absolute privacy. We use no names for advertising purposes without the voluntary consent of the patient.
