MORE HIGH SCHOOL TEACHERS.

The faculty of the Ogden high school  
will be considerably changed this year. Miss Grace T. Hayman, a graduate of  
the Chicago university, and a very  
talented lady, has been employed to  
instruct in English, to fill the vacancy  
caused by the resignation of Miss Flor-  
ence Yantis.

Miss Katherine McGregor, who has  
been connected with the Los Angeles  
high school commercial department, has  
been employed to instruct in typewriting  
and short hand.

Special stress is also to be given  
to music this school year. Prof.  
Squire Clegg will give a series of  
instructions to all the teachers the week  
preceding the opening of schools on  
the methods to be followed out by them  
in music throughout the year.

FUNERAL OF MARY F. CHILD.

The remains of Mary Frances Child, the  
twelve-year-old daughter of Mr. and  
Mrs. W. H. Child, which had been  
laid to rest yesterday afternoon in  
the family burial ground in the Ogden  
City cemetery, a large funeral cere-  
mony having accompanied her remains  
to their last resting place.

remains were held at the First ward  
Methodist church on Saturday at 2 o'clock.  
Elder Ensign presiding. The ward  
choir furnished some sweet music and  
Miss Allie Farr sang a solo entitled  
"Face to Face." Comforting remarks  
were made by Bishop Blingham of  
Riverdale, Elder Samuel Dye and  
Bishop Ensign, who also eulogized the  
pure, beautiful young life that had  
been closed.

BRIEFS AND PERSONALS.

Warren L. Wattis and wife have re-  
turned from a pleasant visit at Hood  
River, Or., with relatives, also at the  
Portland fair, which they say is very  
good. They were gone several weeks.

Mrs. Ernest Brown of Salt Lake City  
has recently come home after a pleasant  
visit in Ogden with her sister, Mrs. R.  
Wilson.

Dr. and Mrs. J. S. Gordon have re-  
turned from an enjoyable trip to the  
Portland fair.

Prof. F. M. Driggs left today for  
Provo, where he goes to make  
arrangements for the class for the  
State School for the Deaf and Blind,  
who are to leave the last of the week  
for the exposition.

A joyous reunion of missionaries and  
saints who had enjoyed each other's  
association in their native lands. Some  
had not met since emigrating many  
years ago, and the greetings were very  
warm on all sides.

Counselor N. C. Flygare of the We-  
ster Stake made a preliminary tour of the  
metropolis, which he will at 10 o'clock  
in the morning and 2 o'clock in the after-  
noon. The Scandinavian church  
from Salt Lake City was in attend-  
ance, rendering excellent service in  
singing the songs of Zion with beau-  
tiful melody. Haghberg Anderson  
of Ogden sang several fine solos and  
joined in singing in a beautiful voice  
the Hymn of Zion.

President Flygare delivered an ad-  
dress of welcome, as did also President  
L. W. Shurill. The other speakers  
at the morning and afternoon sessions  
were President Anton H. Lund, An-  
dreas Jensen of the Historian office,

M. Nelson and others. They re-  
viewed with pleasure the bringing of  
"Mormonism" to the Scandinavian  
countries many years ago, the  
first progress which it has made in  
those countries, the importance of  
bearing the name of Christ, and the  
need of uniting in the cause of  
the Lord.

## EPHRAIM.

**DROWNING OF W. HANSEN.**

**No Censure Attaches to comrades of  
Unfortunate Boy.**

**Special Correspondence.**

Ephraim, Sanpete Co., July 27.—In  
the Enterprise of even date in recording  
the details of last Sunday's sad  
occurrence, when my son Walter was  
drowned, the following statement is  
made: "The boys who were on the  
bank at the time had been severely  
censured by the people for not making  
an effort to save their comrade." Fearing  
that the good people of Ephraim may conclude that the above  
voices my sentiments or the sentiments  
of my family, I hasten to say emphati-  
cally that it does not.

With me and my family, this  
was the natural sentiment, but we  
had the misfortune ever to meet; we have  
neither cause nor the inclination to  
censure the unfortunate comrades of  
Walter. Had the casualty been reversed  
and my son been among the  
survivors, I fear he would have been as  
helpless as his comrade.

Knowing that there are times when  
the law and the people are not of  
one mind, I have written to the  
Probate Court, in and for Manti, Utah,  
and to the Board of Directors, in and for  
the Probate Court, in and for Salt Lake  
County, Utah, asking that they will  
have the greatest sympathy for them who  
next to this family undoubtedly have suf-  
fered the greatest grief. Yours truly,

JAMES H. HANSON.

Elder Reed Smoot.**

**Special Correspondence.**

Provo, Utah Co., July 31.—The dedi-  
cation of the Fifth ward meetinghouse  
yesterday forenoon, was attended by  
a large congregation. On the stand  
were President Joseph F. Smith, Elder  
Reed Smoot of the Apostles, Presidents  
David John and J. B. Keefer of the  
same presidency, Elder Joseph F.  
Smith, and the bishop and ward and  
church presidency.

homes of Mr. and Mrs. John Bishop  
and Mr. and Mrs. David Barbank.

finished the assessment of his district,  
and filed his report with the board of  
trustees, showing an assessed valuation of  
\$120,000, and a sum due on assess-  
ment for last year was \$22,000 assess-  
ment, so by this it will be seen that the  
community is growing very rapidly.  
In connection with his assessment  
work Mr. Scott has taken a census of  
the village of Taber, which shows the  
population to be 576, as against about  
100 last year, in the corresponding  
month.

**THE TWENTY-FOURTH.**

The citizens of Taber celebrated Pio-  
neer day on the 24th with a parade,  
program and the usual amusements  
and games, both for the children and  
grown folks. Aaron Johnson was orator  
of the day.

The mines are now employing about  
100 men and are making shipment of  
coal as regular as the C. P. R. succeeds  
in supply empty cars.

The Taber Coal Co. is erecting a  
hospital in the center of town. Dr.  
Long will have charge of the same  
when finished.

Additional have been made to the  
homes of Mr. and Mrs. John Bishop  
and Mr. and Mrs. David Barbank.

## PARIS, IDAHO.

**MRS. SHUPE CONVICTED.**

**Jury Says Guilty of Voluntary Manslaughter and Recommends Mercy.**

Paris, Bear Lake Co., Idaho, July 31.—The case of Mrs. Caddie M. Shupe, for  
the murder of Arthur Douglas at her  
home in Montpelier, July 1, which was  
held in trial in the district court all  
of last week, was concluded at 2 o'clock.  
Sister Mary will go to the church the  
week preceding the opening of schools on  
the methods to be followed out by them  
in music throughout the year.

The opening prayer was offered by  
President Keefer. President Joseph F.  
Smith spoke in high commendation of  
the energy and liberality of the people  
of the ward in building the beautiful  
house, and urged that the young people  
make a contribution to the fund, and  
that children be recruited in the  
rights when attending houses of worship.

After speaking, he offered the  
opening prayer.

Elders E. S. Hinckley and Wm. E.  
Bassett, counselors to Bishop Moroni  
of the same ward bishopric, gave re-  
ports of the financial and other  
connections with the building of the  
house, which had become a necessity  
from the creation of the new ward  
from a portion of the Fourth ward. The  
speakers praised the people for their  
faithfulness and liberality in this work,  
especially were the members of the Re-  
sbyterian church. They had not  
only built a home for their society, but  
had been very energetic in assisting in  
building the meetinghouse.

The story of the crime and the incidents  
which led to it are as follows: Arthur  
Douglas a saloon keeper, had for  
the last two years made his home with  
the defendant, who is a divorced woman,  
and his family. He had been ill for  
some time, and she had promised to  
accompany him to the doctor, but had  
not kept her promise.

The week has been a most trying one  
to court and jury, as well as to the defen-  
dant. The sympathy of the com-  
munity has been largely with the woman,  
and many thought she would be  
acquitted, but the evidence showed  
otherwise.
